June, 2023

Welcome to Ralston Middle School!

The entire staff at RMS welcomes you to a new and exciting year. It is our goal to make this school year the most successful and memorable in your school career.

Please take time to review this handbook as a family. The purpose of this handbook is to provide families with information on policies and procedures for Ralston Middle School. You will see a clear commitment to ensuring a safe and positive environment for learning to take place. Much of this information pertains to expectations and procedures for students. If we were to summarize the expectations at Ralston Middle School, they basically come down to **being safe, being respectful and being responsible**. Acting safe and making choices that ensure your physical and mental well-being are critical. Respect for yourself, others and property is a key expectation. If everyone is respected, the school is a much better place for learning. Responsibility for your learning, your actions, and your growth is also a key to success in middle school. With both of these in place, the sky's the limit and your middle school years will be a time of great growth and success for you.

Through a caring school, family, and community partnership, the goal of preparing students to become responsible and respectful individuals in a safe and challenging environment will remain a central focus of Ralston Middle School.

Have a great year!

- Provide an orientation to Ralston Middle School and the student handbook
- Teach, reinforce, and build character as a middle school student working together with our classroom community
- Help students develop a sense of academic purpose and personal commitment to educational goals
- Help students achieve academic success by developing organizational skills, time management skills, effective study habits and academic support
- Develop the skills, attitudes and behaviors that will help students function productively
- Reinforce the values of respect, responsibility, personal safety and accountability through character education

### **WIN (What I Need Time)**

Our goal is for all students to learn at high levels. We know students do not always learn at the same rate. WIN Time provides time in the middle school schedule for re-teaching, homework assistance, and enrichment. In the past, students have had to retake assessments or get help from a teacher before school, during lunch time, or after school. WIN Time allows teachers to give students what they need based on identified priority standards in the content areas during the school day.

### **Guidance Counselor**

There are times when we all get down on ourselves and lose confidence. There is a caring and skilled counselor at Ralston Middle School to listen. If you need guidance or just need someone to listen to a problem, a counselor is here to listen to you. This person will work closely with your entire team and get to know you better through some team and advisement activities. Counseling services are available to every student in our school. Students can stop by the counselor's office to set up a time and to get a pass. Students must check in with their teacher before meeting with the counselor. If something is urgent and the counselor is not available, do not wait. Please visit with another staff member.

The counselor can help you with many things including:

- Academic success
- Attendance
- School / grade transition

- Selection of classes
- Peer / family concerns
- Study skills

### **Grading**

Ralston Middle School uses a traditional grading scale for all courses:

- A = Superior = 92-100
- B = Above Average = 84-91
- C = Average = 76-83
- D = Below Average = 67-75
- F = Failure = 0-66
- I = Incomplete

As a student working to achieve success in the classroom, it is your responsibility to -

- Visit with your teachers about their availability to work with you
- Remember learning takes effort both in and outside the classroom

### **Ralston Middle School Academic Integrity Policy**

To ensure our vision of creating a community of respect, responsibility, and academic excellence, we must demonstrate a high level of personal character and academic integrity.

- Copying pictures from Google Images and inserting those into your paper or project without citing the source (photographer's credit or location where the picture was found).
- Copying word-for-word from a printed resource (encyclopedia, magazine, etc.) and claiming it as your own.
- Copying an idea or format for a story or poem and claiming it as your own.

#### **What constitutes cheating?**

- Participation in extracurricular activities may be suspended until the issue has been fully resolved to the satisfaction of the principal.
- A student's academic misconduct can be confidentially communicated to their teachers.
- Appropriate consequences will be determined by the administration.

**Lockers** (Policy 5036)

Lockers are the property of the school district and students are permitted to use them without charge. The assignment of a locker is on a temporary basis and may be revoked at any time. School officials may inspect student lockers without any particular suspicion or reasonable cause.

The school loans lockers to each student as an area to keep coats, books, and other items that are needed for school. Students will have access to their lockers before school and after school. Lockers will be issued at the beginning of the school year. Students' possessions including, but not limited to purses, bags, and automobiles, may be searched whenever there is a reasonable suspicion that the student possesses any illegal substance or object which is a violation of law or district policy, or which could cause bodily harm or damage to property. The refusal of a student to consent or submit to a reasonable search and/ or to surrender objects or substances found as a result of such a search may be grounds for discipline.

Each student is assigned their own locker. Students are not to share lockers for any reason.

- Lockers are school property.
- Lockers are subject to inspection at any time. This may include inspection by police dogs.
- Use only the locker assigned to you.
- Your locker combination is your personal business - DO NOT TELL YOUR COMBINATION TO ANYONE!
- Lockers must be kept in an orderly fashion at all times.
- Kicking lockers closed is not acceptable.
- Rigging lockers to open them without using the combination leaves all items in the locker susceptible to theft - Do not preset your locker to open.
- Never leave anything unlocked in the locker rooms.
- If your locker gets stuck, tell an office secretary, teacher, counselor, or administrator.

Lab equipment, sports equipment, instruments, computers, lockers, tables, chairs, and desks are all school property, and you are responsible for items in your care. Ralston Middle School is not responsible to pay for damages when another student steals, vandalizes or breaks another student's personal property.

**Building and Grounds**

Your parents and the taxpayers in this school district pay for our educational programs, materials, and facilities. Any offender will pay for vandalism or careless use of property, and disciplinary actions will be taken by the administration. You are expected to care properly for the furniture, equipment, and building.

- Pick up your trash and the trash around you.
- Recycle paper.
- No open containers of pop or other liquid are permitted outside of the cafeteria, unless cleared as a legitimate medical condition.

### **Emergency Procedures**

Various drills are held at regular intervals throughout the school year and are an important safety precaution. It is essential when these drills are held that everyone follows staff instructions promptly. Directions for each type of emergency will be reviewed by the teacher and posted in each classroom and within the student planner. If a student is in the hall during a Lockout, the student should return to their classroom. If a student is in the hall during a Lockdown, the student should go to the closest possible restroom.

### **Food Items**

Food and beverage items should be consumed in the cafeteria. Exceptions would be special food days in classes or Advisement. Clear water bottles may be used in a respectful and responsible manner. Sunflower seeds will not be allowed in the building at any time. The permission of gum will be at the teacher's discretion.

### **Lunch**

Parents, students, etc. are asked not to bring/ order in lunches from outside vendors to students or groups of students unless cleared through the principal's office. Students will be able to leave the building for lunch only with their parent or guardian.

### **Student Appearance** (Policy 5031)

Any manner of dress, hair style, make-up, or personal hygiene that -

- Constitutes a threat to the safety, health, or welfare of the student or others;
- Violates any statute;
- Interferes with the education process, or that school officials can reasonably predict will interfere with the education process; or
- Causes or may cause excessive maintenance problems in the school may be grounds for corrective or disciplinary action.

The superintendent or their designee may institute specific dress code regulations in any school consistent with board policy.

### **Student Appearance and Dress Code**

The school dress code is based on the principle that student dress is the responsibility of each student's parents/guardians. For this reason, we feel that many of the restrictions on dress code and grooming should originate with the parent/ guardian rather than with the school administration.

The dress code should allow for individualism and meet the current trend of changing styles. However, when a style becomes extreme, the matter will be discussed with the student. Students wearing clothing that is deemed inappropriate may be sent home or have proper clothing delivered by a parent or wear clothing stored in the office for dress code violations. Students who refuse to comply will face disciplinary action.

1. Appearances which are disruptive, according to the staff, will not be allowed. Students may be referred to administration for final approval. Automatically included in this category are -
  - a. Not any clothing that is offensive or distracting to the learning environment. (Clothing with vulgar, obscene, profane, suggestive or otherwise inappropriate drawings or slogans)
  - b. No sagging pants.
  - c. No pajama pants.
  - d. No bare midriffs.

- e. Upper body articles should cover the body from both shoulders to the waist. Shirt straps must be approximately one inch or wider
  - f. No pants/ clothing with tears/ missing fabric that reveals excessive skin.
2. Students must wear shoes or sandals at all times, no slippers.
3. Students will not be allowed to wear sunglasses, hats, caps, bandanas, bandanas worn as headbands, or other head coverings that are not related to an individual's religious/ cultural beliefs. Those items are to be kept IN LOCKERS during the day from 7:55 am to 3:14 pm. Bandana printed items may not be worn or displayed.
4. Coats are generally not needed in school and should not be worn in class unless a teacher determines coats are needed.
  - a. What is NOT allowed? Any coat that is generally worn as an OUTSIDE coat for warmth is not allowed. Not allowed are heavy overcoats, ski jackets, rain wear, or any lined jackets.
  - b. What IS allowed? One layer cotton lining inside a windbreaker, unlined windbreaker, and pullover or zippered sweatshirts are acceptable for indoor wear.
  - c. Sweatshirts with hoods are allowed but the **hoods must be down at all times** during the school day.

#### **Cell Phone/ Electronic Items** (Policy 6025)

Students are prohibited from using cellular phones or other electronic devices while at school, except as provided in this policy or outlined in student handbooks.

#### **Media Center**

All students enrolled in Ralston Middle School are entitled to borrow books from the school media center. A library ID card is not needed. During school hours, a student will be allowed to use the media center with a pass signed by a teacher. Books and periodicals taken out of the media center must be checked out at the circulation desk. Students should exercise good judgment when deciding the number of books to check out at one time. Reserved books, reference books, and encyclopedias may be checked out for one period or overnight only. You are responsible for their condition and may be fined up to the full cost of the book if there is abnormal wear or damage to any books you have been loaned.

#### **Physical Education**

Physical Education is part of our curriculum. Every student is expected to participate unless excused as a part of legitimate medical conditions.

Should this be the case, we expect a doctor's written excuse stating the reason and the length of time the pupil will not be participating. These excuses will be renewable at the beginning of each school year. If a student has a doctor's written excuse, they will be unable to participate in athletic practice and events during that time. Parent/guardian written excuses may not amount to more than three (3) days for the school year. For any illness or injury that limits the student's activity longer than this, a doctor's written excuse is expected.

Proper gym shoes are required. Clothing for P.E. must follow the dress code policies.

#### **Bikes**

- Park bikes in the bike racks provided.
- LOCK your bikes at all times.
- The school is not responsible for lost, stolen, or damaged bikes.
- Non-licensed (e.g., mopeds, go-karts, mini bikes, etc.) motorized vehicles are prohibited on school property.

### **Student Activities** (Policy 6028)

The school day at RMS does not necessarily end when the bell rings at the end of the day. There are several opportunities for students after school, however, students need to report to the designated areas directly after school or bring a signed note if they are staying after with a teacher. **Students not participating in an after school opportunity are expected to be off school property by 3:30 pm.** If a student is participating in any extra-curricular activity, they must be present at school for at least four periods of the school day.

The opportunities listed below are available for students staying after school. Students involved must follow the school guidelines when staying after school.

<b>Teacher Help</b>	<b>Computer Labs</b>	<b>Media Center</b>	<b>Athletics</b>	<b>Activities</b>
---------------------	----------------------	---------------------	------------------	-------------------

Ralston Middle School programs are proud of the students, coaches and sponsors who contribute to make the activities programs a positive experience for its participants. Success in extracurricular activities cannot always be measured by the wins and losses of each program, but they must also be measured by the satisfaction and educational experiences received by the participants. The activities program also provides opportunities to assist participants in growing physically, mentally, and emotionally.

The element of competition, although it exists, is controlled to the point that it does not determine the nature of the programs. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. Students are stimulated to want to win and excel, but the principles of good behaviors prevail at all times to enhance the educational values of the contest.

The coaching and activities staff and administration believe that participation in activities and athletics, both as a participant and as a student spectator, is an integral part of the student's educational experiences. Such participation is a privilege that carries with it responsibilities to the school, the team, the student body, the community, and the students themselves. In their participation and in their conduct, they are representing all of these groups. Such experiences contribute to the knowledge, skill, and emotional patterns that they possess, thereby providing guidance in becoming better people and better citizens.

### **Safety**

The District's philosophy is to maintain an activities program that recognizes the importance of the safety of the participants. To ensure safety, participants are required to become fully familiar with the dangers and safety measures established for the activity in which they participate, to adhere to all safety instructions for the activity in which they participate, to inform their coach or sponsor when they are injured or have health problems that require their activities be restricted, and to exercise common-sense.

### **Warning for Participants and Parents**

The purpose of this warning is to bring your attention to the existence of potential dangers associated with athletic injuries. Participation in any intramural or athletic activity may involve injury of some type. The severity of such injury can range from minor cuts, bruises, sprains and muscle strains to more serious injuries to the body's bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck and spinal cord. On rare occasions, injuries can be so severe as to result in total disability, paralysis or death. Even with appropriate coaching, appropriate safety instruction, appropriate protective equipment and strict observance of the rules, injuries are still a possibility.

### **Player Responsibility - Listen to your Coaches/Sponsors**

- Stop what you are doing and make eye contact.
- Be respectful while listening by displaying appropriate body language.

- Make a conscious effort to pay attention to detail.
- Respond to instructions immediately and in a positive manner.

Any practice that is missed without prior contact with the coach will be assumed an unexcused practice.
3. On the day of a contest, performance or other activity, be in attendance for four periods of the school day. A student who is not in attendance for the four periods is ineligible for the contest, performance, or activity (*exceptions may be made for extenuating circumstances, such as doctor/dentist appointments or family emergencies. The principal or athletic director must approve the exception*).
4. Every attempt should be made to be in attendance the day of a contest. Sleeping in to rest up for the game will not be considered an extenuating circumstance, nor will be going home ill and then returning to play in the contest later that day.
5. Students will have situations when they meet with teachers after school to make up tests or assignments. Academics are always the first priority. In this situation, students must:

- Bring a note/pass from the teacher to their coach **before** practice begins. Some coaches may have you change into your practice clothes before meeting with your teacher.
- Complete assignments with the teacher then return to practice.

However, if a student must serve a detention due to our RMS late work policy or for not meeting expectations for behavior in the classroom. Students must still possess a note/pass from the teacher in these situations so coaches are aware of the team member obligations with their teachers.

### **Equipment and Lockers**

The athletic department will furnish equipment needed for each program. It will not furnish shoes or any equipment needed of a personal nature. All equipment checked out to a participant is their responsibility. Upon completion of the season, the equipment will be checked in to the coach. *If there is an item missing or damaged, the student must pay for the replacement cost.* Students are provided a locker in the locker room to store practice clothing and equipment. *Students are to be responsible for locking all equipment and personal articles in their lockers during practice and game times.* Negligence in doing so could result in items being stolen. Activities may be conducted at locations other than Ralston Middle School. In some instances, Ralston Middle School will not provide transportation to the activity. Ralston Middle School is not responsible when students are provided transportation by a vehicle driven by others. In these instances, the responsibility and liability of the school and school officials is limited to the period from the participant's arrival at the event site and contact with the coach, sponsor, or assigned staff member, until dismissal from the event. All other liability for the child's safety lies with the parent, or their designated drivers.

### **Age Specific Information to Parents of Middle School Athletes**

*NSAA Eligibility Rule 2.3* – “Student is ineligible if 19 years of age before August 1 of the current school year.” (Students in grades 7 or 8 may participate on a high school team if they are 15 years of age prior to August 1 of the current school year). Parents need to be informed that their child, who would be ineligible if they turn 15 years of age before August 1st of their 8th grade year of

school or 14 years of age before August 1st of their 7th grade school year. Please contact your school's activities director for more information.

### **Extracurricular Code of Conduct**

Participation in extracurricular activities is a privilege. The privilege carries with it responsibilities to the school, team, student body, and the community. Participants are not only representing themselves, but also their school and community in all of their actions. Others judge our school on the student participants' conduct and attitudes, and how they contribute to our school spirit and community image.

The student participants' performance and devotion to high ideals and values make their school and community proud. Consequently, participation is dependent upon adherence to this Code of Conduct and the school district's policies, procedures and rules.

### **Scope of the Code of Conduct**

The Code of Conduct applies to all extracurricular activities. Extracurricular activities means student activities or organizations which are supervised or administered by the school district which do not count toward graduation or grade advancement and in which participation is not otherwise required by the school. **The Code of Conduct also applies to participation in school-sponsored activities such as school dances, 8<sup>th</sup> grade end of the year celebration at Papio Fun Park, attendance at school events such as athletic contests and concerts, and other school sponsored events.**

*A participant means a student who participates in, has participated in, or will participate in an extracurricular or school sponsored activity.*

Any Ralston student is subject to disciplinary procedures for inappropriate actions that take place at their building of attendance, any other district building and/or school related activity, or for any other action prohibited by state statute.

While we cannot itemize every action of misconduct here, the following are the main areas of conduct, which may lead to disciplinary action, in-school suspension/suspension, expulsion from school, and/or loss of extracurricular participation privileges:

- The possession, use, sale, or transmission of tobacco, alcoholic beverages, drugs, or drug paraphernalia.
- The willful use of force, violence, threat, or insubordinate action.

## Academic Standards

Participation in extracurricular school activities is encouraged and desirable for all students. At the same time, the primary mission and responsibility for each student is to establish a firm academic foundation. A student participating in extracurricular school activities shows evidence of sincere effort towards scholastic achievement. To be eligible for participation in extracurricular activities, students must:

- Demonstrate the ability to balance academics with extracurricular participation. **A student is ineligible to participate in extracurricular activity contests or performances for the following academic reasons:**
  - *If they have an F grade in one of their classes*
- Office staff will do grade checks. Students are ineligible until grades have been improved and a new grade check is completed by administration.

### Relationships Between Parents and Coaches/Sponsors

Both parenting and coaching are very difficult vocations. By establishing an understanding between coaches and parents, both are better able to accept the actions of the other and provide a more positive experience for everyone. Parents have the right to know the expectations placed on them and their children. Coaches and sponsors have the right to know that if parents have a concern, they will discuss it with the coach at the appropriate time and place.

### Conflict Resolution

In the event you have a concern about your student's participation on our teams and/or our programs, we ask that you use the following chain of communication to deal with the concerns:

1. First, ask your student to talk with the coach or sponsor about the concerns. This is an important life skill to teach your student and a very important first step in problem solving.

2. Second, if the issues have not been resolved by the coach or sponsor and student, then the parent/legal guardian should request a meeting with the coach or sponsor outside of class time, practice time, or event time. The coach or sponsor may request that the student attend this meeting.
3. Third, if these two steps have not succeeded, then the parent/legal guardian may request a meeting with the activities director at the school. The student and coach/sponsor will also be included in this meeting.
4. Fourth, if resolution has not been achieved, the parent/legal guardian and student may request a meeting with the principal, in which the coach or sponsor, parent, student, and assistant principal will attend. We hope the concerns can be addressed at the site level.
5. Topics that will not be discussed at any of these meetings will be playing time, game strategies, playing level, starters, student selections on teams, and comparison of students' skills. We as an administration believe it is the responsibility and right of the coaches and sponsors to determine the members of the team, the time and/or role earned by each student during each game and event, and to determine the strategies used during a game or event.

***“Team selection” and “playing time” decisions are the responsibility of the individual coach or sponsor of the activity.*** Consistent, however, with the purpose of the activities program, the coaches and sponsors shall follow the following established guidelines for team selection and playing time decisions, along with such other guidelines as each individual coach and sponsor may develop which are not inconsistent with these established guidelines:

- **School Representative** - Student participants must demonstrate that they can and will represent themselves and their school in a manner that reflects the development of high ideals and appropriate values, which shall include good citizenship in the school and in the community.
- **Success** - Student participants must demonstrate that they can make the activity program more successful, both from a standpoint of competitive success and success in promoting a positive school spirit. Characteristics for purposes of these criteria include the student's: (1) talent or skill, (2) desire to improve the student's own skills or talents as well as those of others in the activity, and (3) attitude of respect towards teammates, the coach, the school, and the community.

#### **Parent/Guardian Role in Communicating with Children**

- Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed in them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.
- Try your best to be completely honest about your child's athletic ability, competitive attitude, sportsmanship and actual skill level.
- Be helpful but don't coach them. It's tough not to, but it is a lot tougher for the child to be flooded with advice and critical instruction.
- Teach them to enjoy the thrill of competition, to be “out there trying,” to be working to improve their skills and attitudes. Help them develop the feeling for competing, for trying hard, for having fun.
- Try not to relive your athletic life through your child in a way that creates pressure. If they are comfortable with you win or lose, then they are on their way to maximum enjoyment.
- Don't compete with the coach. If your child is receiving mixed messages from two different authority figures, they will likely become disenchanted.
- Don't compare the skill, courage, or attitude of your child with other members of the team.
- Get to know the coach(es). Then you can be assured that their philosophy, attitudes, ethics, and knowledge are such that you are happy to have your child under their leadership.
- Always remember that children tend to exaggerate, both when praised and when criticized. Temper your reaction and investigate before overreacting.

### **Parent/Guardian Role in Communicating with a Coach/Sponsor**

- *Communication you should expect from your child's coach includes:*
  - Philosophy of the coach
  - Expectations the coach has for your child
  - Locations and times of all practices and contests
  - Team requirements
  - Procedure should your child be injured
  - Discipline that results in the denial of your child's participation
- *Communication coaches expect from parents:*
  - Notification of any schedule conflicts well in advance
  - Specific concerns in regard to a coach's philosophy and/or expectations
- *Appropriate concerns to discuss with coaches:*
  - The treatment of your child, mentally, and physically
  - Ways to help your child improve
  - Concerns about your child's behavior
  - Injuries or health concerns. Report injuries to the coach immediately!! Tell the coach about any health concerns that may make it necessary to limit your child's participation or require assistance of trainers. Students are sometimes unwilling to tell coaches when they are injured, so please make sure the coach is told.
- *Issues not appropriate to discuss with coaches:*
  - Playing time
  - Team strategy
  - Play calling
  - Other student-athletes

### **Good Sportsmanship—Behavior Expectations of Spectators**

Good sportsmanship is expected to be exhibited by all coaches, sponsors, students, parents and other spectators. The school can be punished by NSAA for a lack of good sportsmanship at NSAA sanctioned events. More importantly, activities are more enjoyable for the students when good sportsmanship is displayed.

### **Responsibilities of Spectators Attending Interscholastic Athletics and Other Extracurricular Activities**

- Show interest in the contest by enthusiastically cheering and applauding the performance of both teams.
- Show proper respect for opening ceremonies by standing at attention and remaining silent when the National Anthem is played.
- Understand that a ticket is a privilege to observe the contest, not a license to verbally attack others, or to be obnoxious. Maintain self-control.
- Do not "boo," stamp feet or make disrespectful remarks toward players or officials.
- Learn the rules of the game, so that you may understand and appreciate why certain situations take place.
- Know that noise makers of any kind are not proper for indoor events.
- Obey and respect officials and faculty supervisors who are responsible for keeping order. Respect the integrity and judgment of game officials.
- Stay off the playing area at all times.
- Do not disturb others by throwing material onto the playing area.
- Show respect for officials, coaches, cheerleaders, and student-athletes.
- Pay attention to the half-time program and do not disturb those who are watching.
- Respect public property by not damaging the equipment or the facility.
- Know that the school officials reserve the right to refuse attendance of individuals whose conduct is not proper.
- Refrain from the use of alcohol, tobacco, and drugs on the site of the contest.

### **Concussion Awareness** (Policy 6034)

The Nebraska Unicameral has found that concussions are one of the “most commonly reported injuries in children and adolescents who participate in sports and recreational activities and that the risk of catastrophic injury or death is significant when a concussion or brain injury is not properly evaluated and managed.”

The School District will:

1. Require all coaches and trainers to complete one of the following online courses on how to recognize the symptoms of a concussion or brain injury and how to seek proper medical treatment for a concussion or brain injury -
  - a. Heads UP Concussions in Youth Sports
  - b. Concussion in Sports—What You Need to Know
  - c. Sports Safety International
  - d. ConcussionWise
  - e. ACTive™ Athletic Concussion Training for Coaches
2. On an annual basis provide concussion and brain injury information to students and their parents or guardians prior to such students initiating practice or competition. This information will include:
  - a. The signs and symptoms of a concussion;
  - b. The risks posed by sustaining a concussion;
  - c. The actions a student should take in response to sustaining a concussion, including the notification of their coaches; and
  - d. Acknowledgement of receipt of information by both parent/guardian and the student.

A student who participates on a school athletic team must be removed from a practice or game when they are reasonably suspected of having sustained a concussion or brain injury in such practice or game after observation by a coach or a licensed healthcare professional who is professionally affiliated with or contracted by the school. The student will not be permitted to participate in any school supervised team athletic activities involving physical exertion, including practices or games, until the student:

1. has been evaluated by a licensed health care professional;
2. has received written and signed clearance to resume participation in athletic activities from the licensed health care professional; and
3. has submitted the written and signed clearance to resume participation in athletic activities to the school accompanied by written permission to resume participation from the student's parent or guardian.

If a student is reasonably suspected after observation of having sustained a concussion or brain injury and is removed from an athletic activity, the parent or guardian of the student will be notified by the school of:

1. the date and approximate time of the injury suffered by the student,
2. the signs and symptoms of a concussion or brain injury that were observed, and
3. any actions taken to treat the student.

The school district will not provide for the presence of a licensed healthcare professional at any practice or game.

School officials shall deem the signature of an individual who represents that they are a licensed healthcare professional on a written clearance to resume participation that is provided to the school to be conclusive and reliable evidence that the individual who signed the clearance is a licensed healthcare professional. The school will not take any additional or independent steps to verify the individual's qualifications.

Students who have sustained a concussion and returned to school may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. The school's "return to learn protocol" shall be the guidance provided by the Nebraska Department of Education entitled "Bridging the Gap from Concussion to the Classroom," and accompanying materials and future supplements. Nothing in this policy or the referenced protocol shall entitle a student who has sustained a concussion to an individualized plan under Section 504 of the Rehabilitation Act, although staff will refer students who have sustained a concussion for evaluation under Section 504 as appropriate.

**School Handbooks are based on Board of Education Policies - [www.RalstonSchools.org](http://www.RalstonSchools.org)**

Directory information does not include a student's social security number.

Upon request, the district will provide military recruiters and institutions of higher education with the names, addresses, and telephone numbers of high school students unless a student's parents have notified the district in writing that they do not want this information disclosed without their prior written consent. Military recruiters will be granted the same access to a student in a high school grade as is provided to postsecondary educational institutions or to prospective employers of such students.

Within 30 days prior to or following the commencement of each school year and, for a new student who enrolls after the commencement of a school year, within 30 days following such enrollment, the district will notify parents and guardians each year of their rights under this policy and the Family Educational Rights and Privacy Act. Parents will be given an opportunity to prevent the release of this directory information by filing a written objection with the district.

When a student reaches 18 years of age, the permission or consent required of and the rights accorded to the parents or guardians of such student under this policy shall only be required of and accorded to such student. Within 30 days prior to or following the commencement of each school year and, for a new student who enrolls after the commencement of a school year, within

**Parent Involvement in Education Practices** (Policy 5018)

The school district recognizes the importance of parental and guardian involvement in the education of their children. The school district will take the following steps to ensure that the rights of parents and guardians to participate in the education of their children are preserved.

1. Parents/Guardians will be provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district upon request.
  - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used.
  - b. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process.
  - c. A parental request to review specific standardized and criterion- referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. Parents wishing to review statewide NeSA assessments will be provided with sample questions and a copy of a practice test, but will not be provided with copies of the actual assessment due to testing security. In the case of other secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Parents/Guardians will be permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.
  - a. Parents/guardians are invited to make appointments with the building principal to visit classes, assemblies and other instructional activities. The principal shall give permission after determining that parental/guardian observation would not disrupt the activity. Observations that last more than 60 minutes or occur on consecutive days are typically disruptive and will not be permitted absent unusual circumstances, in the sole discretion of the building principal.
  - b. Parents/guardians may contact the building principal to request permission to attend counseling sessions in which their child is involved.
3. Parents/guardians will be permitted, within district procedures, to ask that their children be excused from school experiences that parents find objectionable.
  - a. Building principals may excuse a student from any single school experience at the parent's written request.
  - b. When appropriate, alternative experiences will be provided for the student by the school.
4. Parents/guardians will be informed through the student handbook and district policies of the manner that the district will provide access to records of students.
5. Parents/guardians will be informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
6. Parents/guardians will be informed of the circumstances under which they may opt-out of state and federal assessments.
  - a. In accordance with federal law, at the beginning of the school year, the District shall provide notice of the right to request a copy of this policy to parents/guardians of students attending schools receiving Title I funds. The District will provide a copy of this policy to a requesting parent in a timely manner.

- b. State Assessments
  - i. The District cannot approve requests to opt out of state assessments. Approval of such requests is contrary to state law.
- c. National Assessment of Educational Progress
  - i. As a condition of receiving federal funds, the District participates in the National Assessment of Educational Progress (NAEP). To help ensure that the District has a representative sample of students taking the NAEP, which will allow the District to assess the quality and effectiveness of its programming on a national level, the District strongly encourages all eligible students to participate. However, student participation in NAEP is voluntary.
  - ii. The District shall provide parents/guardians of eligible students with reasonable notice prior to the exam being administered. Parents/guardians wishing to opt their students out of the NAEP assessment must notify the district in writing at least three days prior to the exam date to ensure that the District can coordinate supervision and alternative activities for students who have opted out.
- 7. Parents/guardians will be notified of their right to remove their children from surveys prior to district participation in surveys.
  - a. The principal must approve all surveys intended to gather information from students before they are administered to students.
  - b. Students' participation in surveys is voluntary. Parents/guardians may restrict their child from participating in any survey.

**Field Trip** (Policy 6027)

The board encourages instructional staff to incorporate field trips into the curriculum. These trips should normally be conducted during the school day.

**General Conditions**

All trips must be pre-approved by the teacher's building principal. Out-of-state and overnight trips require pre-approval by the board. The superintendent and principals will develop guidelines for approval of trips and communicate those guidelines to teaching staff.

**Parental Permission**

Each student must submit a signed parental permission slip prior to being allowed to attend a field trip. A new permission slip must be submitted for each trip. Caregivers, as that term is defined in the Nebraska Strengthening Families Act, shall be permitted to sign parental permission slips.

**Supervision**

Sponsoring teachers must ensure that students are adequately supervised and chaperoned by a responsible adult at all times during field trips. Whether paid staff or volunteers, chaperones are prohibited from drinking alcoholic beverages of any kind at any time during any field trip. All chaperones must be at least 21 years of age. Any chaperone who drives students must possess a valid driver's license. Chaperones who drive students in private vehicles must possess adequate insurance coverage. Chaperones do not have any property right in or to a chaperone assignment. The school district may deny or terminate a chaperone assignment for any reason that is not unconstitutional or unlawful. The superintendent's decision shall be final.

**Student Conduct**

Students must comply with the student code of conduct, any applicable extracurricular conduct codes, and all directives by trip chaperones.

### **Parental/Guardian Access to Student Records** (Policy 5016)

The school district shall manage student records and reports as is necessary for effective administration and in compliance with the law. In general "student records" shall not include transitory communications such as e-mail, text messages, handwritten communication between school and home, and the like, and these items will not generally be maintained by the district.

For purposes of the district's compliance with state and federal law, the district "maintains" student records which are printed and kept in the student's physical file or which school district staff have intentionally saved within the official school district digital student information system that specifically identifies the student for whom those records are maintained. The school district may also use learning management systems, which deliver and manage instructional content. The school district maintains student records within its student information system but not in its learning management system. The official school district student information system is SIMS.

Each building principal will assign responsibilities for the preparation and maintenance of records and will ensure compliance with the applicable federal and state laws, regulations, and record retention schedules regarding their storage and use in the building. No "student record" or record required to be retained by the Nebraska Secretary of State's Record Retention Schedules applicable to the district will be destroyed unless it is first saved in a retrievable, digital format. This includes only records required to be kept by the applicable Retention Schedules and "student records" as defined by state and federal law, and this policy does not prohibit the district from following its record expungement procedures for all other records.

Students or their parents, guardians, teachers, counselors, or school administrators shall have access to the school's files or records maintained concerning themselves or their students. For purposes of this policy, "teachers" include paraeducators and volunteers who are providing educational services to a student on behalf of the School District. A school official may access, maintain, and use education records containing personally identifiable information (PII) when they have a legitimate educational interest in such. "School official" includes any agent, volunteer, or contractor performing an institutional service or function for which the school would otherwise use its own employees and who is under the school district's direct control with respect to their access to, maintenance of, and use of PII from student records. For example, a school official may include, but would not be limited to, a teacher or other educator, administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); school board member; volunteer; contractor or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, representative of the district's insurance providers, auditor, medical consultant, therapist, or a third-party website operator who has contracted with the school district or its agent to offer online programs for the benefit of students and/or the district; members of law enforcement acting on behalf of the school district; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing their tasks. A school official typically has a "legitimate educational interest" if the official needs to review an education record in order to fulfill a school-related professional, contractual, statutory, or regulatory responsibility. All disciplinary material shall be removed and destroyed upon the pupil's graduation or after the pupil's continuous absence from the school for a period of three years, and after authorization is given by the State Records Board pursuant to state law. Upon request, the school district will disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.

Outside agencies such as physicians, probation officers, psychologists, child guidance clinics, and other agencies concerned with child welfare who are working directly with a child may have

access to information pertaining to that child with written parental consent or upon issuance of a valid court order.

The school district shall share student data, records, and information with school districts, educational service units, learning communities, and the State Department of Education to the fullest extent practicable unless otherwise prohibited by law. Each year, the school district will notify parents and guardians of their rights under this policy and the Family Educational Rights and Privacy Act.

**Investigations, Arrests, and Other Student Contact by Law Enforcement & HHS (Policy 5022)**

The school district and its administrators and staff desire to maintain a positive working relationship with law enforcement officers and other representatives of governmental bodies in the discharge of their duties. However, this desire must be balanced against other equally important factors such as a student's legal rights, ensuring that a student's time spent in school is for education, and acknowledging that the school stands *in loco parentis* to the students.

"Law enforcement officer" means police officers, county sheriffs, state patrolmen, Health and Human Service workers, Child Protective Services workers, Office of Juvenile Services workers, probation officers, U.S. Immigration and Customs Enforcement (ICE) agents, Federal Bureau of Investigations agents, or any other government investigatory workers.

"Parent" means the biological or adoptive mother or father, guardian, responsible relative, or any other person who has claimed legal or actual charge or control of the student pursuant to Nebraska law or Title 92 Nebraska Administrative Code Chapter 19.

Law enforcement officers are encouraged whenever possible to talk to a student away from the school before or after school hours so as to cause as little disruption as possible to the student's education.

Law enforcement officers may be called to the school at the request of school administration, or they may initiate contact with the school for their own purposes. Contact between the school and law enforcement officers on matters involving students shall be made through the office of the superintendent or building principal and the law enforcement officer. All reasonable attempts should be made to avoid embarrassing the student before their teachers and peers, and to avoid disrupting the student's and school's education program. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.

School staff shall promptly notify the superintendent when a student is questioned, arrested, or removed from school grounds by law enforcement officers.

**School Related Criminal Activity**

This section applies to alleged or suspected criminal activity that occurs on school grounds; in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by their designee; or at a school-sponsored activity or athletic event.

Law enforcement officers will be allowed to contact and question students at school regarding school related criminal activity as provided below.

The building principal must be notified before a student may be questioned in school or taken from a classroom by law enforcement. The building principal should request identification of the officers, their affiliation with the identified law enforcement agency, and whether their purpose is to interview, interrogate, or take custody of the student.

The building principal will make reasonable attempts to contact a student's parent for their consent and/or presence before the student is interviewed. In the event that a parent cannot be contacted after reasonable attempts, the student will be questioned only if the law enforcement officer identifies emergency circumstances requiring immediate questioning. A building principal or designee shall be present for such questioning. The student will be brought to a private room and the contact will be made out of sight of others as much as practicable.

If the student is suspected of criminal activity, it is the responsibility of the law enforcement officer to advise a student of their rights against self-incrimination.

If at any time the district's representative believes that the questioning is being conducted in an inappropriate manner and clearly contrary to the rights of the student, then the representative shall request that the law enforcement activities cease. The building principal will also make another attempt to contact the student's parent.

The building principal shall document steps taken to notify parents, summarize the law enforcement activities, identify the actions taken by the District on behalf of the student, and any further contact with law enforcement officer.

#### **Non-School Related Criminal Activity**

Law enforcement officials may not question students at school unless parental consent is obtained or the law enforcement authorities have a warrant or court order.

#### **Taking a Student into Custody**

Law enforcement officers seeking custody of a student must contact the superintendent or building principal. The principal will request the arresting law enforcement officer to provide a copy of the arrest warrant, written parental consent, a court order, or other document giving authority to take the student into legal custody. If there is no document presented, the principal should obtain the officer's name, badge number identifying the law enforcement agency, date, time, the reason for the arrest, and the place to which the student is reportedly being taken. Whenever practicable, the arrest or release of the student should be conducted in a location and in a manner that minimizes observation by others.

When a law enforcement officer removes a student from the school, the building principal will take immediate steps to notify the parent about the student's removal and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse.

#### **Child Abuse and Neglect**

When law enforcement officers seek to investigate reports of alleged child neglect or abuse regarding a student, the building principal shall obtain a proper identification from the authorities or officials. If a student interview is conducted on school grounds, the building principal or designee and such other school personnel as appropriate shall observe the interview.

If the law enforcement officer decides to remove the student from school, school officials shall provide the law enforcement authorities with the address and telephone number of the student's parent or guardian. The principal or other school official shall, as a condition of releasing the

student to the law enforcement officer, require the officer to sign a statement certifying that the child is being removed from school premises because they are believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of Neb. Rev. Stat. § 79-294.

### **Student Records**

Student records will be shared with law enforcement officers only as allowed by state and federal law.

### **Audio and Video Recording** (Policy 5063)

Students and their parents or guardians should assume that any class in which students are enrolled may be recorded by the school district or other students for legitimate educational purposes. Recordings permitted pursuant to this policy may only be used by students for personal academic purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy “recording” includes still photographs, video, audio, and other similar data captured in any medium.

### **Recordings Made by The District**

The district may use cameras or other devices for purposes of making security, safety, or other recordings without a specific purpose or for a specific purpose when such recordings are deemed necessary or appropriate by the administration. The district will not maintain the recordings unless the recording is purposefully copied and saved, and the recordings will only be available for review for a limited time based on the district’s then-current recording capacity. The district administrators estimate that this is approximately 10 days but may change at any time.

### **Classroom Recordings by Staff**

Staff members may make audio and video recordings of classroom instruction and school activities upon authorization of the superintendent or supervising administrator.

### **Prohibited Recordings by Students**

Unless otherwise authorized by this policy or law, students are prohibited from making audio or video recordings during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event, unless the recording is made in a manner permitted by the school for members of the public. In such an instance, the students remain subject to the district’s appropriate use and student discipline policies.

For example, this policy does not prohibit students from making recordings of an athletic event for their personal use similar to a parent or other patron, subject to other applicable board policy. However, this policy generally prohibits students from using smart-speakers or other devices which actively or passively create or transmit audio or video recordings, including Google Home, Amazon Alexa, Apple HomePod, and AngelSense devices.

### **Permitted Classroom Recordings by Students**

Students may make audio or video recordings of classroom lectures or discussions:

1. For their convenience after providing notice to the classroom teacher and receiving the teacher’s permission;
2. For the benefit of another student who is absent after providing notice to the classroom teacher and receiving the teacher’s permission;
3. If recording is necessary to accommodate the student’s disability and is required by the student’s Individualized Education Plan (IEP) or Section 504 Plan.

Staff may revoke permission to record if the recording distracts from or disrupts the classroom environment, unless the recording is necessary to accommodate a student’s disability.

### **Permitted Non-classroom Recordings**

Students may make audio or video recordings otherwise prohibited by this policy outside the classroom only with the permission of a teacher or school administrator, provided that such recordings otherwise comply with any applicable state and federal laws and district policy. In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

### **USDA Notice of Non-Discrimination (Policy 3053)**

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. mail:  
U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410; or
2. Fax: (833) 256-1665 or (202) 690-7442; or

### **Title IX Policy** (Board Policy 3057)

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

#### **1. Title IX Coordinator**

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator**." The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator

receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. **Definitions.** As used in this policy, the following terms are defined as follows

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

- 2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
- 2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- 2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- 2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- 2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.
- 2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law
- 2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent
- 2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—
  - 2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - 2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - 2.6.4.2.1. The length of the relationship.
    - 2.6.4.2.2. The type of relationship.
    - 2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.
- 2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- 2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
  - 2.6.6.1. fear for his or her safety or the safety of others; or
  - 2.6.6.2. suffer substantial emotional distress.

**2.7. Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

**3. Discrimination Not Involving Sexual Harassment.**

**3.1. General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

**3.2. Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

3.2.3. Deny any person any such aid, benefit, or service;

3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;

3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;

3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;

3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

**3.3. Complaint Procedure.** All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district's general complaint procedure, Board Policy 2006.

**4. Response to Sexual Harassment**

**4.1. Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District's Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

**4.2. General Response to Sexual Harassment.** When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

**4.3. Emergency Removal.** Nothing in this policy precludes the district from removing a respondent from the district’s education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

**4.4. Administrative Leave.** Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

**4.5. General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

**5. Grievance Process for Formal Complaints of Sexual Harassment.**

**5.1. General Requirements.**

**5.1.1. Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district’s education program or activity. Remedies may include the same individualized services described in subsection 2.7 as “supportive measures”; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

**5.1.2. Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person’s status as a complainant, respondent, or witness.

**5.1.3. Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or

bias for or against complainants or respondents generally or an individual complainant or respondent.

5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.

5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.

5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:

5.1.4.2.1. The definition of sexual harassment in subsection 2.6;

5.1.4.2.2. The scope of the district's education program or activity;

5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and

5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.

5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.

5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.

5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.

5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

## 5.2. **Notice of Allegations.**

5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:

5.2.1.1. A copy of this policy.

5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

## 5.3. **Dismissal of Formal Complaint.**

5.3.1. The district will investigate the allegations in a formal complaint.

5.3.2. **Mandatory Dismissals.** The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint:

5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;

5.3.2.2. Did not occur in the district's education program or activity; or

5.3.2.3. Did not occur against a person in the United States.

5.3.3. **Discretionary Dismissals.** The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

5.3.3.2. The respondent is no longer enrolled in or employed by the district; or

5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

**5.4. Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

**5.5. Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);

5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;

5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;

5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;

5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether

obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and

5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

**5.6. Exchange of Written Questions.** After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

**5.7. Determination Regarding Responsibility**

5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).

5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:

5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;

5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

5.7.2.3. Findings of fact supporting the determination;

5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;

5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and

5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.

5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an

appeal is not filed, the date on which an appeal would no longer be considered timely.

5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.8. **Appeals.** The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.

5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:

5.8.2.1. Procedural irregularity that affected the outcome of the matter;

5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

5.8.3. As to all appeals, the district will:

5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;

5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.

5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome

5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and

5.8.3.6. Provide the written decision simultaneously to both parties.

5.9. quality that may result in a chorus or choruses of one or predominantly one sex.

5.10. **Classes and Extracurricular Activities.** The district may provide non-vocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

6. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

**6.1. Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

**6.2. Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

**7. Certain Different Treatment on the Basis of Sex Permitted.** Nothing herein shall be construed to prohibit the district from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the district may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

**8. Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

**8.1. Specific Circumstances.**

8.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.

8.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

**9. Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

**10. Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

**11. Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

**12. Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106,

then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

### **Compulsory Attendance and Excessive Absenteeism** (Policy 5001)

#### **Required Attendance**

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

#### **Mandatory Attendance Age**

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

#### **Exceptions**

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

#### **Discontinuing Enrollment – 5 Year Old Students**

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to re-enroll in this school district until the beginning of the following school year unless otherwise required by law.

#### **Discontinuing Enrollment – 16 and 17 Year Old Students**

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

#### **Attendance Officer**

Each building principal is designated as an attendance officer for the district. Each building principal, at their discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

### **Excessive Absenteeism**

When a student receives five (5) absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance.

### **Reporting Excessive Absenteeism**

The building administrator shall report to the county attorney of the county in which the student resides when the school has documented the efforts made that the collaborative plan to reduce barriers identified to improve regular attendance has not been successful and that the child has been absent more than 20 days per year.

### **Pregnant and Parenting Students (Policy 5008)**

Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs.

- I. Accommodations Regarding Attendance and Participation
  - A. Generally - Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan will include:
    1. The provision of online courses if the student cannot regularly attend classes;
    2. The arrangement of meeting times with teachers;
    3. The identification of child care providers that meet statutory requirements for quality and care if the student has not identified appropriate child care; and
    4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators, which will include, but not be limited to, the modification of attendance policies.
  - B. Students with Disabilities - For students with disabilities who have an IEP or Section 504 plan, the administrators, student's parents or guardians, and student if appropriate will collaborate with the student's educational team to coordinate accommodations consistent with state and federal law. As permitted by law, students may be entitled to accommodations as a result of pregnancy.
- II. Accommodations Regarding Lactation and Breastfeeding
  - A. Accommodations
    1. In order to accommodate lactating and breastfeeding students, the district will provide reasonable opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public.
    2. Students who wish or need to express breast milk on a regular schedule will work with school administrators to create a schedule which accommodates the student's needs while facilitating education to the maximum extent possible.
    3. The district will provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.
  - B. Educational Process - In order to prevent interference with the educational process, no student shall express breast milk within school classrooms or buses. Nothing in this policy limits the authority of the administration to impose consequences consistent with the Student Discipline Act and other state and federal law.

## **Absence Procedures**

Good school attendance and punctuality are important and closely related to success in school.

- When a student is to be absent from school, a parent or guardian must notify the attendance secretary. The attendance secretary is available at 7:00 a.m. To help us ensure student safety, please call 402-331-4701 before 8:30 a.m. If the school has not received a call, the school shall call the parent/guardian to verify the student's whereabouts. Parents/guardians are expected to call each day that the student is to be absent from school, unless other arrangements have been made.
- Following an absence, a student must report to the office with a note from home explaining the reason for the absence, if the parents did not previously call the attendance secretary.
- Students may not leave school at any time before dismissal without prior parental permission.
- Calls to remove a student from school due to illness during the school day must come from the nurse's office (not personal cell phone or classroom phone).
- Please arrange for absences for reasons other than illness and family emergencies as far in advance as possible. If a student is on a school-sponsored trip, the absence is considered an activity and does not count against their absent total or their perfect attendance. If the student is going with parents, it is a permissible absence, though it will count towards their number of absences for the year. In either case, students are required to get assignments in advance and complete as much as possible in advance. Students may or may not be excused from school to participate in trips sponsored by outside organizations.
- Students are expected to be in their classrooms and in their seats when the tardy bell rings.

## **Unexcused Absences**

Students can gain the most from their education if they attend classes on a regular basis. All absences must be with the permission of parents and the proper school officials. If a student is absent without being properly excused, it can be considered a truancy. A truancy is defined as follows: After leaving home, a student does not attend school, does not attend a class, overtly refuses to attend school, or leaves school after arrival without permission of school officials.

## **Habitual Truancy/Notification**

Habitual truancy is defined as excessive absences or tardies, which inhibit a child's ability to be successful in their education. Excessive absences are best resolved when the parents/guardians, school, physicians, and the community work together.

Parents/guardians are asked to notify and work with building administrators or assignees regarding reasons for absences and any extended or recurring illnesses or family emergencies involved. Illnesses of 3 days or more will require a doctor's note. If illness continues to be a reason for absences, a form will be given to the parents or mailed to the doctor's office to be completed by the student's physician. School authorized or sponsored activities, trips, and all suspensions and expulsions that may result in absence from classes are not counted as absences from school for truancy purposes.

A student who is absent 5 days or the hourly equivalent per quarter will be reported to the building administrator.

The building administrator is required to render all services in the school district's power to compel the student to attend school including:

- One or more meetings with the parent/guardian and child, if necessary, to report and attempt to solve the truancy problem.

- Educational counseling provided by the school counselor or student assistance team.
- Educational evaluation and specific efforts by the school to help remedy any condition diagnosed.
- Investigation by review of records and documented interventions by the school social worker. If the school social worker determines further review is needed, they will meet with appropriate school personnel, the parent/guardian, and child to discuss the need for interventions and/or referral to appropriate community services.

Upon accumulation of 10 recorded absences, a form letter will be sent to the parent/guardian of the child notifying them of the school attendance policy and the Nebraska Compulsory Attendance Law.

Upon accumulation of 15 recorded absences, a form letter will be sent to the parent/guardian of the child notifying them of the school attendance policy, the compulsory attendance law, and the school's requirement to notify the county attorney after 20 school absences are reported.

A student who reaches 20 absences (**regardless of whether any of the absences were excused**) will be referred to the Douglas County Attorney's Office as habitually truant as required by law (79-209).

The Ralston Board of Education authorizes the Ralston School District to render all services in its power to compel a child who has accumulated five days of unexcused absences per quarter, or the hourly equivalent, to attend some school, which the person having control of the child shall designate, in an attempt to remediate the child's truant behavior.

### **Leaving School Early**

To ensure the safety of our students, we are requiring that when a student is being picked up by you, the parent/guardian, or anyone else, that proper I.D. be shown. The person picking up the student must be on the Family Information Sheet. If the person is not on the information sheet, we will not allow the student to leave the school with this individual.

### **Student Bullying** (Policy 5054)

**Definition of Bullying.** The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The District's administrators are authorized to use both of these definitions to determine whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

**Bullying Prohibited.** Students are prohibited from engaging in any form of bullying behavior.

**Reporting Bullying.** Students who experience or observe bullying behavior must immediately report what happened to a teacher or administrator. Students can use the district's anonymous platform safe2help located at [www.Safe2helpNE.org](http://www.Safe2helpNE.org) or at 531-299-7233 to make this report. Students may always confer with their parents or guardians about bullying they experience or witness, but the students must also ultimately report the situation to a teacher or administrator.

**Bullying Investigations.** School district staff will investigate allegations of bullying using the same practices and procedures that the district observes for student disciplinary matters. In no circumstance will school district staff be deliberately indifferent to allegations of bullying.

**Disciplinary Consequences.** The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or their designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district's day-to-day operations, or the education process, regardless of where the student is at the time of engaging in bullying behavior, may be subject to discipline to the extent permitted by law.

**Bullying Based on Protected Class Status.** Bullying based on protected class status is unique and may require additional investigation. The appropriate district staff member or coordinator will promptly investigate bullying complaints that violate the district's anti-discrimination policies.

**Support for Students Who Have Experienced Bullying.** Regardless of where the bullying occurred, the district will consider whether victims of bullying are suffering an adverse educational impact and, if appropriate, will refer those students to the district's student assistance team or other resources as appropriate.

**Bullying Prevention and Education.** Students and parents are encouraged to inform teachers or administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities which educate students about bullying, bullying prevention and digital citizenship.

**Policy Review.** The school district shall review this policy annually.

#### **Student Discipline** (Policy 5035)

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

**Makeup Work for Suspended Students**

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations (“makeup work”). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school’s alternative program for expelled students in order to complete classwork or homework.

**Short-Term Suspension**

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, not to exceed an additional 48 hours, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school and shall document such effort in writing. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.
4. Students who are short-term suspended must be given the opportunity to complete classwork and homework missed during the period of suspension, including but not limited to examinations, as provided herein.

**Emergency Exclusion**

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

**Weapons and/or Firearms**

Students may be disciplined for the possession of weapons and/or firearms pursuant to the board's separate policy on weapons and firearms or state law.

**Long-Term Suspension**

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

## **Expulsion**

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.
2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students, or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept non duplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

2. The violation results in child abuse;
3. It is a violation of the Nebraska Criminal Code that the administration believes cannot be adequately addressed solely by discipline from the school district;
4. It is a violation of the Nebraska Criminal Code that endangers the health and welfare of staff or students;

6. The report is required or requested by law enforcement or the county attorney.

### **Student Conduct**

Ralston Middle School will incorporate into its discipline policy a combination of the following:

- Detentions
- Parent Contact
- In-school Suspension (I.S.S.)
- Out of School Suspension (O.S.S.)

Based on the decision of the RMS staff and administration and the severity/seriousness of the incident students may be assigned the appropriate penalties above or other consequences, as necessary.

### **Tardy Procedures**

Being on time is an important life skill that all students need to learn and model to become successful in current and future endeavors. Because we believe strongly in this life skill, we fully expect students to arrive at their classrooms on time and ready to learn. We have a general discipline continuum that will be followed for students who are chronically late to class. Remedies may include but are not limited to detention, in-school suspensions, and/or loss of privileges.

### **Restricted Lunch Assignment**

If you are assigned to restricted lunch you are to:

- Check into the office to determine placement for your lunch detention.
- Be responsible for cleaning up your area when you are done with lunch.
- If behavior during lunch detention does not meet expectations, or if students do not take the responsibility to serve these detentions, additional detentions will be assigned.
- Be present for the assigned number of days. Absences will not count for days assigned.

### **In-Service Days**

At the decision of the administration, students may be assigned to In-service Days or student vacation days for the following misconduct:

1. Truancies or chronic tardiness to classes.
2. Vandalism/Stealing.
3. Fighting.
4. Cheating/Missing work
5. Gross disrespect toward school officials/employees.
6. Threatening or intimidation of other students/school officials. This includes sexual, verbal, or physical harassment.
7. Behavior that seriously interferes with classroom instruction or other activities associated with school.

This time affords students an opportunity to serve discipline obligations, attend school full time, and take advantage of the educational opportunities regular school attendance affords. It also gives students an opportunity to complete work usually done at home. All school rules apply to students while attending these days. In-Service Days begin at 8:00 a.m.

### **In-School Suspension**

At the discretion of the administration, a student may be assigned to in-school suspension if they have violated a major rule or are continually disruptive in class. Students are disciplined through isolation from the regular class atmosphere, restricted periods of silence, and strict observance of other rules. Failure to comply with the following guidelines could result in additional time assigned to in-school suspension or out-of-school suspension.

#### **Guidelines for In-School Suspension**

- Students are to be responsible for bringing all needed materials.
- Students will be given a work schedule to structure their day.
- Students are to complete all assignments given to them by their teachers.
- Students may be required to complete a suspension-learning packet, which will be related to the offense for which they were assigned in-school suspension, or the student may be required to complete a think sheet.
- An in-school suspension day begins at 8:00 a.m. and concludes at 3:24 p.m.

### **Grounds for Emergency Exclusion (Policy 6031)**

Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law.

1. If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
2. If the student's conduct presents a clear threat to the physical safety of themselves, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

### **Extension of Exclusion**

Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

### **Notification of Student's Parent(s) or Guardian(s)**

### **Opportunity to Request a Hearing**

The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

### **Failure to Request a Hearing**

If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

**Appointment and Qualifications of a Hearing Examiner**

If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

**Hearing Examiner's Notice to Parent(s) or Guardian(s)**

The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

**Continued Exclusion**

If a hearing is requested, the principal may determine in their sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

**Examination of Student's Records and Affidavits**

Prior to the hearing, the student and their parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

**Attendance at Hearing**

The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

**Student's Witness(es)**

The student and their parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

**Right to Know Issues and Nature of Testimony**

The student and their parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

**Presence of Student and Witnesses at the Hearing**

The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in their own defense and may be questioned on such testimony, but may choose not to testify.

**Sworn or Affirmed Testimony**

The principal or their designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

**Hearing Examiner's Report and Recommendations**

The hearing examiner shall prepare a report of their findings and recommendations, and forward the report to the superintendent.

### **Superintendent's Decision**

The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. They shall have the decision delivered or sent by registered or certified mail to the student, the student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

### **District Drug Policy**

The School District of Ralston is concerned about the academic growth and the personal welfare of every person associated with the schools. The misuse of alcohol, marijuana, or other chemicals can seriously interfere with one's health. This is essentially true of teenagers since adolescence is a period of rapid change and important personality integration. The inappropriate use of alcohol and other chemicals can not only hinder academic achievement but also affect physical health and even block personal growth.

It shall be the policy of the School District of Ralston to take positive action through education, counseling, parental involvement, medical referral, and police referral in the handling of incidents in the school involving the possession, sale, and/or use of behavior affecting substances. These substances shall include, but are not limited to, marijuana, LSD, glue, alcohol, barbiturates, and other controlled chemical substances.

Inspection of school district property for the location of drugs, narcotics, liquor, weapons, poisons, and missing properties are matters relating to health and safety and may be regarded as reasonable purposes for such inspection by school personnel.

### **Drug and Chemical Use**

When a student is found using, possessing, or under the influence of alcohol, marijuana, drug paraphernalia, or other illegal drugs, the following disciplinary actions will be taken -

1. The police will be contacted in all cases of possession of suspected illegal drugs and/or alcoholic beverages.
2. The student will be suspended from school for up to five days pending recommendation from their parent(s) to meet with the administration of Ralston Middle School. Additional disciplinary action may be invoked if the student participates in extracurricular activities or athletics.
3. Repeat occurrences of illegal drug or alcohol abuse will lead to expulsion proceedings.

### **Use of Tobacco Products (Policy 3016)**

The use or possession of any tobacco products, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time.

### **Investigations, Arrests, and Other Student Contact by Law Enforcement and Health and Human Services (Policy 5022)**

Investigations and Arrests by Police or Other Law Enforcement Officers Police or other law enforcement officers may be called to the school at the request of school administration, or may initiate contact with the school in connection with a criminal investigation. The school district shall not allow law enforcement officers access to students to conduct an investigation during school hours unless the officers are investigating charges that the student has been the victim of abuse or neglect. Contact between the school and law enforcement authorities on matters involving students shall be made through the office of the superintendent or principal and the law enforcement officer.

Law enforcement officers may talk to a student away from the school before or after school hours, and they should be encouraged to do so. Law enforcement officers shall be allowed to conduct an interview at the school only when the interview is conducted at the request of the school or when

they can show that special circumstances exist. This determination should be made by the appropriate building principal or superintendent. Law enforcement officers should be permitted to interview students on school grounds only after providing the superintendent or appropriate building principal with a statement in writing that the law enforcement officer has reason to believe and does believe that the student is the victim of child abuse or neglect perpetrated by the child's parent(s) or some other member of the child's immediate family or household, and that the law enforcement official wishes to interview the student regarding such abuse or neglect.

Throughout this process, all attempts should be made to avoid embarrassing the student before their teachers and peers, and to avoid disrupting the student's and school's education program.

1. Law enforcement officers should be permitted to take custody of a student if they possess an arrest warrant or if they otherwise assert a lawful basis for doing so. Whenever possible, the arrest or release of the student should be conducted in the building principal's office and out of the view of other students. When a principal or other school official releases a minor student to a law enforcement officer for the purpose of removing the minor from the school premises, they shall take immediate steps to notify the parent, guardian, or other responsible adult regarding the release of the minor to the officer and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse. If the law enforcement officer indicates that the child is being taken into custody because the child is the victim of suspected child abuse, the principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign the statement appended hereto certifying that the child is being removed from school premises because they are believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of NEB. REV. STAT. § 79294.
2. Law enforcement personnel shall not be allowed to roam about the school until the student is found, and shall remain in the administration office while school personnel seek the student. A district employed SRO may move about the building as needed.
3. If possible, the education program of the student should not be disrupted to allow for police questioning of the student during class time.
4. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.
5. If law enforcement officers are to be allowed to question a student under the age of 18, the principal or school official shall make a reasonable attempt to notify the child's parents before questioning begins, except in cases of suspected child abuse or child neglect involving the parent or other family member. The parents should be given the opportunity to come to the school prior to the questioning.
6. If the parents are notified and are able to attend, they should be allowed to be present at the interview. The principal or designee should be present at the interview, but should not take part in any questioning. The principal or designee should remain a neutral observer at all times.
7. School representatives may search lockers, personal belongings, and cars that students drive to school when there is reasonable cause to do so. This includes, but is not limited to, clothes, book bags, purses, books, and gym bags.
8. The district superintendent or designee may authorize the use of trained sniffer dogs for detection of illegal drugs, explosives and/or contraband at any time.
9. The district superintendent or designee may authorize the use of preliminary breath tests (or alcohol sensors) on school property.

#### **Use of Sniffer Dogs (Policy 3045)**

The board of education finds that the possession of illegal drugs and other contraband on school grounds is unlawful, is disruptive of the educational process, is harmful to students and staff, and is contrary to the interests of the school district. Accordingly, to minimize the presence of these

items on school grounds, the administration is authorized to use sniffer dogs according to the protocol set forth in this policy.

#### **Protocol for Use of Sniffer Dogs**

1. The superintendent, or the building principal with the superintendent's permission, may initiate the use of specially trained sniffer dogs to conduct an inspection.
2. The administration will contact the canine provider and/or the appropriate law enforcement agency to schedule the use of a sniffer dog or dogs. The administration shall require an assurance from the provider that any sniffer dogs to be used in the school have been properly trained, and may request evidence of the training and/or certification of the dogs. In no event will the school district authorize a sniffer dog to sniff any person.
3. The superintendent or if designated by the superintendent, the building principal, and law enforcement representatives or canine provider will confer regarding the specific plan of areas to be inspected. The plan may involve any or all school building facilities, vehicles in the school parking lot, or other areas where students and staff vehicles are parked on school property during or after school hours.
4. If the inspection is scheduled for a day when school is in session, students and staff will be informed over the public address system, and will be directed to remain in their rooms until given further directions.
5. During the inspection, administrators may assign personnel to designated areas as deemed appropriate to assist in the smooth handling of the inspection.
6. After the inspection is finished, students and staff will be notified over the public address system, and will be thanked for their cooperation.
7. If the sniffer dog alerts, the alert will constitute reasonable cause for the administration to conduct a search of the property. If the sniffer dog alerts on a vehicle on school grounds, the owner will be required to unlock the vehicle doors and trunk for further inspection of the interior of the vehicle. If the owner refuses to unlock the vehicle, the matter will be turned over to law enforcement authorities. The owner will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law. This may include discipline for the refusal to obey an administrative directive.
8. Any illegal drugs or contraband found on school grounds, whether in a desk, locker, vehicle, or any other place on school grounds, will be confiscated and turned over to law enforcement authorities. A student's parents will be contacted. The individual will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law.
9. At the conclusion of the inspection, school officials will confer with the canine provider and/or any law enforcement authorities who were involved in the inspection to review the results of the inspection. The administration may authorize any follow-up inspections or other action deemed appropriate.

#### **Notice to students and staff**

Students and staff shall be informed of the District's policy regarding the use of sniffer dogs as soon as practicable after the adoption of this policy. Thereafter, students and staff shall be informed of the policy at the beginning of the school year. By this policy and/or via the provision in the student or staff handbook, students and staff are specifically notified that:

**Confiscation of Firearms**

Administrative and teaching personnel are statutorily authorized, without a warrant, to confiscate any firearm possessed in violation of this policy. By statute, any firearm that is confiscated by school personnel shall be delivered to a peace officer as soon as practicable. Such firearms are subject to being destroyed by law enforcement authorities.

### **Health Services at School**

**Medical.** A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.

When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used. **The person picking up the student must do so within one hour of being contacted.**

If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents' expense, and the student will be transported to the nearest hospital.

Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

**First Aid.** The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents.

Students who suffer from a significant illness which has an actual or expected duration of six months or more may be eligible for accommodations and support under Section 504 of the Rehabilitation Act or under the Individuals with Disabilities in Education Act. The school will provide accommodations to students who are returning to school after a prolonged absence due to illness, including pediatric cancer, through a 504 plan or an IEP, as appropriate. The student's plan will include informal or formal accommodations, modifications of curriculum and monitoring by medical or academic staff as determined by the student's IEP team or 504 committee. Parents and staff will engage in ongoing communication about the needs of a student who is facing these circumstances.

Parents must complete emergency information for each child enrolled in the district. The information should list the family physician's name, where parents or a responsible adult can be located, and any necessary emergency instructions.

### **Immunizations (Board Policy 5010)**

In compliance with Nebraska Law 79-217, each student wishing to enroll in the school district is required to be immunized against measles, mumps, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis and varicella (chicken pox) prior to enrollment. Any student who does not comply with this policy shall not be permitted to continue attending school.

The district is not responsible for the cost of such immunizations.

Exceptions to this policy are listed below:

- a. Provisional Enrollment: Students who meet the statutory requirements for provisional enrollment shall be allowed to attend school for thirty days without the necessary immunizations.
- b. Immunization shall not be required if the student's parent or guardian submits one of the following to the superintendent of schools:
  - i. A statement signed by a medical professional stating that the required immunization would be injurious to the health and well-being of the student or any member of the student's household.
  - ii. An affidavit signed by the student or a legally authorized representative of the student, stating that the immunization conflicts with the student's religious beliefs.
- c. Students who are excepted from the immunization requirement may be excluded from school in the event of an outbreak of any contagious disease in the school population.

#### **Medication of Students (Board Policy 5024)**

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication
  - a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
  - b. Parents/guardians must sign an Authorization for Medication form provided by the school.
  - c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.
2. Nonprescription/over the counter medication. Parents/guardians must provide a physician's written authorization for the administration of the medication. These included, but are not limited to, pain relievers, cold medicine, allergy medicine, etc..
  - a. Parents/guardians must sign an Authorization for Medication form provided by the school.
  - b. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will be kept in the Health Office.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication left over, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

### **Physical Examination**

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

### **Chronic Conditions**

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

### **Communicable Diseases**

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

### **Summary of Communicable Diseases and Contagious Conditions**

#### **Fever**

Children will be sent home if they have a fever of 100 degrees or higher. Children must be fever free for one full school day prior to returning to school.

#### **Vomiting**

Children will be sent home if they vomit due to illness. Children must be free from vomiting for one full school day prior to returning to school.

#### **Chicken Pox** - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

#### **Measles** - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned

not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

**Mumps** - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

**Rubella** - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)

Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

**Impetigo, Scabies, and Ringworm**

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from physician or phone call from doctor's office indicating that the condition is under treatment and no longer considered contagious.

**Pediculosis** - (Head lice)

To be excluded when live vermin are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. Eggs must be removed prior to the child returning to school. All family members and close contacts that attend school may be inspected by the nurse.

**Pinkeye**

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

**Fifth Disease**

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

**Animals at School** (Policy 3046)

Animals are not allowed in school district buildings or on school district property without the written permission of the superintendent except as provided in this policy. See Board Policy 3046 regarding Service Animals and Therapy Dogs for more information.

**Lunch Program** (Policy 5038)

The superintendent shall be the administrator of the school lunch program which shall be run in accordance with state and federal guidelines.

**General Information**

- You may bring or purchase your breakfast or lunch.
- Parents may wish to assure their child of a well balanced diet. If this is the case you can have your child's card coded. This code will alert the lunch help, and only a balanced meal can be purchased.
- We have an automated system for students to use in purchasing their breakfast or lunch.
- Federal School Food Service guidelines do not permit bringing food into the building for groups of students at serving time.

- Students who received free or reduced meals last year will qualify automatically the first week. However, the parents of those students must fill out a new application form and return it to the office in order to continue receiving free or reduced meals.
- All students will be given application forms and guidelines. Students will be notified if they are eligible.

### **Identimetrics Finger Scanning**

The Ralston Public Schools use a finger scan system to provide security for your students meal account. All students are assumed to be eligible to participate in this system unless notified by the parent/guardian that they wish to exclude their student. All parents/guardians wishing to exclude their student from this program should contact their school secretary and request exclusion.

## Chromebook Essentials

### Receiving Your Chromebook

1. Parent/Guardian Orientation  
All parents/guardians are expected to attend registration and sign the *Ralston Public Schools Student Chromebook Agreement* before a device will be issued to their student.
2. Distribution  
Students will receive their Chromebook and related peripherals within the first two weeks of school. Students and parents/guardians will need to sign the *Ralston Public Schools Student Chromebook Agreement* Receipt before receiving their Chromebook.
3. Transfer/New Student Distribution  
All transfers/new students will be able to pick up their Chromebook from the school media center/technology office. **Students and parents/guardians will need to sign the *Ralston Public Schools Student Chromebook Agreement* Receipt before receiving their Chromebook.**

### Returning Your Chromebook

1. End of Year  
Students returning to the district the next school year, will retain their Chromebook and all issued peripherals over the summer unless parents elect to return their student's device for the summer.
2. Transferring/Withdrawing Students  
Students who transfer out of or withdraw from the Ralston Public Schools must turn in their Chromebook and related peripherals to the media center/technology office on or before their last day of attendance. Failure to turn in the Chromebook will result in the student being charged the full replacement cost. Unpaid fines and fees of students leaving the Ralston Public Schools must be paid prior to disenrollment from the district. The district may also file a report of stolen property with the Police Department.

### RPS Chromebook Coverage Program

Ralston Public Schools offers the opportunity to participate in the optional RPS Chromebook Coverage Program designed to protect students and families from full financial responsibility for device repairs and/or replacement. The cost is \$20.00/\$10.00\* (\*reduced for students who qualify for Free/Reduced Lunch Program) annually for each Chromebook and it covers the summer months if parents/students elect to keep the Chromebook over the summer.

**Payment must be submitted by September 1st in order to participate in this program. After this date, a student's device will not be eligible for the RPS Chromebook Coverage Program.** Students enrolling at RPS throughout the school year will have three weeks to submit payment in order to participate in the RPS Chromebook Coverage Program. If a student withdraws from Ralston Public Schools and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated. **Premiums are non-refundable.**

The program covers devices assigned to the student against accidental damage and/or loss. Damaged, lost, or stolen devices should be reported immediately according to the process described during orientation. Ralston Public Schools will require that a police report be

submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school code of conduct.

Total value of repairs or device replacement will be determined by RPS. The program will pay the amount of damage or replacement per the schedule of repairs listed below. Damage as a result of gross negligence or purposeful damage will not be covered under the RPS Computing Device Coverage Program. Parents/Guardians are responsible for 100% of damages due to gross negligence. The district reserves the right to discontinue participation for students with unusually high numbers of claims. Such discontinuation will be effective 30 days after notification to the student and parent/guardian.

### **Training**

Students will receive training to address care and usage of the Chromebook as well as usage of their Google (@ralstonschools.org) account. Digital Citizenship training will also be provided to address respectful, responsible, and ethical use of the internet and digital tools.

## **Taking Care of Your Chromebook**

Students are responsible for the general care of the Chromebook which they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the school media center/technology office. If a loaner Chromebook is needed, one will be issued to the student until their Chromebook can be repaired or replaced.

### **General Precautions**

- No food or drink should be next to your Chromebook.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Students should never carry their Chromebook while the screen is open.
- Chromebooks should not be used or stored near pets.
- Chromebooks should not be used with the power cord plugged in when the cord may be a tripping hazard.
- Chromebooks must remain free of any writing, drawing, stickers, or labels.
- Chromebooks, not being used for an extended period of time, should be shut down in order to conserve battery life.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Heavy objects should never be placed on top of Chromebooks.
- Do not expose your Chromebook to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the Chromebook.
- Always bring your Chromebook to room temperature prior to turning it on.

### **Device Protection**

### **Carrying Chromebooks**

- Always transport Chromebooks with care.
- Never lift Chromebooks by their screen.
- Never carry Chromebooks with the screen open.

### **Screen Care**

- The Chromebook screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure.
- Do not put pressure on the top of a Chromebook when it is closed.
- Do not store a Chromebook with the screen open.
- Do not place anything in the protective case that will press against the cover.
- Make sure there is nothing on the keyboard before closing the lid (e.g. pens, pencils, or disks).
- Only clean the screen with a soft, dry microfiber cloth or anti-static cloth. Do not clean screens with products containing ammonia or alcohol.

## Using Your Chromebook

Students are expected to bring a fully charged Chromebook to school every day and bring their Chromebook to all classes unless specifically advised not to do so by their teacher.

### If a Student Does not Bring His/Her Chromebook to School

- Loaner devices may be available for students failing to bring their device to school.
- A student borrowing a Chromebook will be responsible for any damage to or loss of the issued device.
- School personnel will document the number of times a loaner is issued to each student for not having his/her own Chromebook at school and will send reports to administration for students who have excessive occurrences during the school year.
- Staff will treat such occurrences as insubordination offenses, which may result in disciplinary action.
- If a loaner is not turned in at the end of the day, an administrator will be contacted and will work on retrieving the loaner.

### Charging Chromebooks

- Chromebooks must be brought to school each day with a full charge.
- Students should charge their Chromebooks at home every evening.

### Personalizing the Chromebook

- Chromebooks must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of the Ralston Public Schools. Spot checks for compliance will be done by administration, teachers, and technology support staff at any time.
- Students may add appropriate music, photos, and videos to their Chromebook. Personalized media are subject to inspection and must follow the Ralston Public Schools Internet Safety and Acceptable Use Policy.

### Sound

- Sound should be muted at all times unless permission is obtained from a teacher.
- Headphones may be used at the discretion of the teachers.

### Printing

- Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate.
- Students may set up their home printers with the Google Cloud Print solution to print from their Chromebooks at home. Information about Google Cloud Print can be obtained here: <http://www.google.com/cloudprint/learn/>.

### Logging into a Chromebook

- Students will log into their Chromebook using their school-issued Google (@ralstonschools.org) account.

- Students should never share their account passwords with others. In the event of a compromised account the Ralston Public Schools Technology Department reserves the right to disable your account.
- The student assigned to the Chromebook should be the only individual logging in to and using the device.

### **Using Your Chromebook Outside of School**

- Students are encouraged to use their Chromebook at home and other locations outside of school.
- A WiFi Internet connection will be necessary for the majority of Chromebook use; however, some applications can be used while not connected to the Internet. Students are bound by the Ralston Public Schools Acceptable Use Policy, Administrative Procedures, acceptable use agreement, and all other guidelines in this document wherever they use their Chromebook. Please note that some internet providers DO NOT work with Chromebook.

## **Operating System and Security**

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the district.

### **No Expectation of Privacy**

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for district-related or personal purposes, other than as specifically provided by law. The district may, without prior notice or consent, log, supervise, access, deny access to, view, monitor, and record use of the Chromebook at any time for any reason related to the operation of the district. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

### **Monitoring Software**

Teachers, school administrators, and the technology department staff may use monitoring software that allows them to view the screens and activity on Chromebook.

### **Updates**

The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebook.

### **Virus Protection**

Chromebook uses the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot. There is no need for additional virus protection.

### **Content Filter**

The district utilizes an Internet content filter that is in compliance with the federally mandated Children’s Internet Protection Act (CIPA). All Chromebooks are filtered for inappropriate content and pass through the District’s filtering appliance when connected to the Internet regardless of the physical location (e.g., school, home, public WiFi). If a website is blocked in school, then it will be blocked out of school. If an educationally valuable site is blocked, students should contact school personnel, who in turn, will submit a helpdesk ticket to request the site be unblocked. Ralston Public Schools makes every effort to filter web content through its comprehensive web filter; however, it is essential students and parents understand that students will be held accountable for using technology according to District policies.

### **Inspection**

Students may be asked to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school.

## Software on Chromebooks

These services are primarily intended for educational and business use and are subject to monitoring at any time. Although RPS does not routinely check communications or files, it has the right to review, audit, and disclose all matters sent over or stored on the system. As a result, members of the RPS community should recognize that there is no reasonable expectation of privacy when using the computer system.

### **Respecting and Protecting Intellectual Properties**
