ACCREDITATION

Ralston Public School District has achieved AdvancED district accreditation.

BOARD OF EDUCATION POLICIES

Board of Education policies can be accessed on the district website: www.ralstonschools.org.

RIGHT TO HANDBOOK NOTICE

Handbooks will be available on the district and school websites. Notification of the web address and location to links will be provided to all students. In addition, any parent or student may request a printed copy of the handbook. A copy of the general rules of conduct will be posted in a conspicuous place in each school building.

COMMUNICATION

PHONE & EMAIL COMMUNICATION

To ensure effective and timely communication between our school district, staff, and school patrons, Ralston Public Schools uses a messaging platform to announce or remind our students and parents/guardians about important upcoming events. Also, it can serve as an information system to communicate student absences, school cancellations due to inclement weather, and crisis situations that may arise. Messages may come in the form of a pre-recorded phone call, text, push alert through the RPS Mobile App, and in other cases, will be accompanied by an email.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are scheduled twice a year. If additional conferences are desired, parents are encouraged to contact their child's teacher or principal. Appointments for the conference will be made at a mutually convenient time. Conferences are designed to share information between parent(s) and teachers. Parents are encouraged to attend each of the scheduled conferences.

PROGRESS REPORTS

Student progress will be formally reported to parents four times each school year. The main purpose of the reporting system is to communicate to the parent and the student, the teacher's

assessment of the student's growth and development. A child's achievement in the academic areas is based on his/her ability and performance. Achievement markings are given based on the progress the child has made as they work on those materials that are educationally appropriate for him/her.

SCHOOL PUBLICATIONS

Each building will provide a newsletter to parents with updated information specific to your child's school. School Board policies, handbooks, and curriculum information are available at each school building and online at: www.ralstonschools.org.

NOTICE OF PARENTAL RIGHTS

The Family Education Rights and Privacy Act and the Nebraska Public Records Law authorize school districts to make "directory information" available for review at the request of non-school individuals. These laws also give parents and guardians a voice in the decision-making process regarding the disclosure of directory information regarding their children.

Directory information is information from an education record of a student which would not generally be considered harmful or, if it were disclosed, an invasion of privacy. For example, an athletic program, which lists the names of team members, their heights and/or weights, and an academic program which lists the names of students receiving academic awards both contain directory information. Directory information includes the following information about a student:

- Name and grade
- Name of parent and/or guardian
- Address
- Telephone number, including the student's cell phone number
- E-mail address
- Date and place of birth
- Dates of attendance
- The image or likeness of students in pictures, videotape, film or other medium
- Major field of study
- Participation in activities and sports
- Degrees and awards received
- Social media usernames or handles
- Weight and height of members of athletic teams
- Most recent previous school attended
- Certain class work which may be published onto the Internet
- Classroom assignment and/or home room teacher
- Student ID number, user ID, or other unique personal identifier used by the student for purposes of accessing or communicating in electronic systems, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only the authorized user.

Directory information does not include a student's social security number.

Upon request, the district will provide military recruiters and institutions of higher education with the names, addresses and telephone listings of high school students unless a student's parents have notified the district that they do not want this information disclosed without their prior written consent. Any student who is 18 years of age or older should communicate to the district office if they do not want this information disclosed without their prior written consent.

The district will notify parents and guardians each year of their rights under this policy and the Family Educational Rights and Privacy Act. Parents will be given the opportunity to prevent the release of this directory information by filing a written objection with the district.

Ralston Public Schools has defined directory information for media purposes.

Several times during the school year, local media (TV, radio, newspaper, etc.) visit Ralston schools for newsworthy items, school happenings, holidays, local interest items and interview/photograph students for newspaper articles, TV news items, and promos. Media events are considered directory information.

Ralston Public Schools has defined directory information for the use of the Web (www.ralstonschools.org).

All Ralston schools and district Internet Web pages are considered directory information. Internet Web pages (schools and districts) may contain pictures and names of students.

Internal/External use of information: Whatever choice you make, the school district will be able to use this directory information for internal school purposes and to share it with other educational institutions and professionals in accordance with law. Please refer to this student handbook referencing Parental/Guardian Access to Student Records and Routine Directory Information (Policies 5016 and 5017). If you disagree with the way directory information may be used, please complete a written objection in writing, available at 8545 Park Drive, Omaha, NE 68127. The objection should be completed by the 1st of September of the current school year.

DAY TO DAY

CLASS TREATS/GIFTS/FLOWERS/PARTY INVITATIONS

For the safety of our students, homemade food items will not be permitted. Treats for birthdays or other special occasions must be purchased from a store and must arrive in the original store container. We encourage you to consider alternative non-edible treats such as pencils, erasers, or buying a book for the classroom as ways to celebrate your child's birthday. Gifts/flowers may be delivered to the office but will be kept in the office until the end of the school day.

Party invitations that include the **entire class** can be distributed at school. Invitations that are only for select students need to be mailed by parents. The school is not permitted to provide other student information to mail or contact other families.

LOST CLOTHING

All clothing the student would normally remove while in school should be marked with the child's first and last names. If an article of clothing is lost, the student should check in the lost and found area. Periodically throughout the year, the school will donate to charitable organizations clothing placed in the lost and found area that has not been claimed.

SKATEBOARDS/SCOOTERS

Safety concerns dictate that skateboards, scooters, and similar play items are not allowed on school property.

SPORTS EQUIPMENT

Such articles as hockey sticks, gloves, mitts, bats, toys, skates, etc. should not be brought to school without prior permission from the principal.

TOYS

To help eliminate classroom disturbance, disagreements on the playground, and to prevent loss or breakage, toys should not be brought to school. An exception to this rule will be made if the toy is to be used in “show and tell” and has been approved by the teacher. In this case the toy should be brought to school in a sack or book bag and taken out only for the purpose of and during classroom “show and tell” time. **The student and his/her parents assume liability for any personal items brought to school.**

STUDENT FEES, FINES AND CHARGES

The District’s general policy is to provide for instruction in accordance with the Nebraska State Constitution. The district offers some activities, programs, and services that extend beyond the minimum level of constitutionally-required free instruction and as such may require additional expenditures that are properly borne by students as a separate charge. Such charges shall be kept to a minimum to maintain the activity, program or service. Students qualifying under part 3 of this policy may receive a fee waiver. No fees, materials, specialized or non-specialized attire, or equipment shall be required of students except as expressly permitted.

PART ONE:

The District’s general policy is to provide for instruction in accordance with the Nebraska State Constitution. The district offers some activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction and as such may require additional expenditures that are properly borne by students as a separate charge. Such charges shall be kept to a minimum to maintain the activity, program or service. Students qualifying under part 3 of this policy may receive a fee waiver. No fees, materials, specialized or non-specialized attire, or equipment shall be required of students except as expressly permitted below.

Extracurricular activities and spectator events: A fee will be charged for participation in extracurricular activities and to spectators of extracurricular activities. Each school building shall annually submit its extracurricular fee list to the District for approval and publication in that school’s handbook.

1. Fees may be charged for participation in extracurricular activities. Extracurricular activities are those activities or organizations where student participation is voluntary and does not count toward graduation or advancement between grades.
2. Schools may require students to furnish specialized equipment and attire, or pay a reasonable fee for use of district owned equipment and attire, for participation in extracurricular activities including such activities as extracurricular music.
3. Clubs, teams and organizations for which there may be a fee required for participation may also, as a club, team or organization, decide to make purchases, and may fundraise and/or seek donations according to District policy to assist in the funding of such purchases, which may include, but are not limited to, apparel and trips. The decision of an organization to require members to participate in fundraising or otherwise fund purchases is not a fee charged by the District.
4. Fees may be charged for admission to activities and events which occur at the facilities of Ralston Public Schools and for transportation to and from activities and events which occur at other schools, when those activities do not count toward graduation or advancement between grades and when student participation is voluntary.
5. A school may sell an activity ticket that admits students to activities and events that do not count toward graduation or advancement between grades.
6. Field trip fees may only be charged if participation by the student is voluntary and it does not relate to the required curriculum or if the field trip occurs after school hours and does not count toward school attendance.

Materials for course project: The District authorizes the operation of school stores in which students may purchase food, beverages and personal or consumable items. A school store need not have a permanent physical presence and may provide order forms for students to voluntarily purchase items from the school or another vendor. School stores may stock required personal and consumable items and make such items available to students for voluntary purchase. Schools may not require students to purchase an item directly from the school store.

Clothing: In addition to school guidelines about general appropriateness of attire, school buildings may require students to furnish and wear non-specialized clothing meeting general guidelines for the specified courses and activities, if the guidelines are reasonably related to the course. Each school's clothing guidelines shall be submitted to the District for approval and publication in the student handbook.

Musical Instruments: Students who take an elective band course shall be required to supply their own instrument or rent an instrument, except those students who qualify under part 3 of this policy. For those students qualifying under part 3 the district shall not be required to provide for the use of a particular type of musical instrument for any student. The District shall supply the music for such courses.

1. Personal supplies related to musical instruments including, but not limited to, items such as reeds, cork lubricant, pipe cleaners, cleaning cloths and other supplies of general upkeep and considered personal consumable items shall be the responsibility of the student.
2. Schools may require students to furnish their own musical instruments, stands, music and specialized attire for participation in extracurricular music organizations and activities.

Lost or damaged school property: A school may require a student to reimburse the school district for repair or replacement of school district property, which is entrusted to the student and is lost or damaged, as well as property of the district damaged through the acts of a student.

The Board of Education authorizes assessment of fines for damaged, lost or overdue books purchased by the district and loaned to students free of charge.

Donations: The District may request donations of money, materials, equipment or attire to help defray costs of educational programs. The request for donations will clearly indicate the request as a donation and not a requirement.

Yearbook: Students may be charged for the purchase of a yearbook.

Food: Students may be charged a fee for the purchase of breakfast and/or lunch. Students may be charged for the cost of food, beverages, and the like that students purchase from a school store, a vending machine, a booster club or similar sources. Students may be required to bring money or food for field trip lunches and similar activities.

Student files and records: Fees may be charged for copies of student files or records. Parents of students have the right to inspect and review the student's files or records without the payment of a fee, and no fee shall be charged to search for or retrieve any student's files or records.

PART TWO:

Student Fee Fund: Fees that are charged to students pursuant to PART ONE, shall be deposited into the Student Fee Fund and expended for the purpose for which they were collected from students.

PART THREE:

Waiver of Student Fees: Fees that are charged pursuant to PART ONE, subsections A and C shall be waived for students who qualify for participation in the free or reduced-price lunch program under United States Department of Agriculture child nutrition programs. Actual participation in the free and reduced-price lunch program is not required to qualify for waivers in this section. All students shall be provided forms at the beginning of each school year, upon enrollment in the District, or at the request of the student, which provide the necessary information and permit the District to use this information to determine eligibility for fee waiver. Criteria for fee waiver will be the same as the criteria for participation in the free and reduced-lunch program. Application forms for fee waivers are available from each building principal. Once the school district has received a student's completed fee waiver application form, and has verified the student's eligibility, waiver of the fee shall be granted for the student. The district is not obligated to provide any particular type or quality of equipment or other material to eligible students.

CODE OF CONDUCT & DISCIPLINE

STUDENT CONDUCT

Bullying Prohibited. Bullying disrupts a school's ability to educate students, threatens public safety by creating an atmosphere in which such behavior can escalate into violence.

Bullying Prevention and Education. Students and parents are expected to immediately inform teachers or administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities, which educate students about bullying and bullying prevention.

Bullying Defined. Bullying means any intentionally hostile or offensive verbal, written, graphic, demonstrative, electronic, or physical act that has the purpose of exerting domination over another student through the act of intimidating, frightening, oppressing, or adversely controlling the student, and that is disruptive of the educational process, or any ongoing pattern of physical,

verbal, written, graphic, demonstrative, or electronic abuse, on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or his or her designee, or at school-sponsored activities or school-sponsored athletic events. This may include, but is not limited to, verbal, graphic, written, or electronic activities such as name-calling, taunting, blackmailing, inciting to fight, terrorizing, or physical or demonstrative activities such as poking, blocking or impeding, following, hair pulling, mock hitting motions, intentionally bumping, tripping, and damaging clothing.

Sexual Harassment. Sexual harassment is defined as any unwelcome act of a sexual nature. It may include, but is not limited to, unwelcome sexual advances, requests for sexual favors, and verbal or non-verbal sexual comments or physical conduct of a sexual nature. Any offenses that meet the definition of sexual harassment may result in suspension or potential reassignment based on the severity of the incident. Legal authorities may be contacted.

GENERAL CONDUCT OF STUDENTS

Students are expected to conduct themselves in an orderly, dignified, and respectful manner at all times. This applies to student interactions with other students, staff members, and visitors. Violence will not be tolerated. Any such actions on the part of students will result in immediate consequences, as outlined in school board policy and/or Nebraska statutes. Consequences may include student exclusion, suspension and/or expulsion. (See Appendix) Student discipline shall conform to the general rules of conduct that are stated in the Board approved handbooks. (Policy 5035)

Principles and General Procedures: It is the philosophy of the School District of Ralston that appropriate behavior is of great importance in schoolwork, and that all feasible means should be employed to help each student develop skills in self-discipline. Students are expected to follow school and classroom rules, and to be courteous to all of their associates. Such learning may call for control of student conduct by adults.

Any Ralston student is subject to disciplinary procedures for inappropriate actions that take place at his/her building of attendance or any other district building and/or school related activity or for any other action prohibited by state statute.

Students may be kept after school at the discretion of a staff member. In such cases, every effort will be made to notify the parents. If a parent cannot be reached, the student will be allowed to leave, but may be kept before or after school on another day after parent notification. If two students are involved in an act of misconduct, the school is not permitted to share the consequences of another student with the other parties parents/guardians.

DRESS CODE

The school dress code is based on the principle that student dress is the responsibility of each student's parents/guardians. For this reason, we feel that many of the restrictions on dress code and grooming should originate with the parent/guardian rather than with the school administration.

The dress code should allow for individualism and meet the current trend of changing styles. However, when a style becomes extreme, the matter will be discussed with the student. Students wearing clothing that is deemed inappropriate may be sent home or have proper clothing delivered by a parent or wear clothing stored in the office for dress code violations. Students who refuse to comply will face disciplinary action.

1. Appearances which are disruptive, according to the staff, will not be allowed. Students may be referred to administration for final approval. Automatically included in this category are -
 - a. Any clothing that is offensive or distracting to the learning environment. (Clothing with vulgar, obscene, profane, suggestive or otherwise inappropriate drawings or slogans)
 - b. Sagging pants.
 - c. Pajama pants.
 - d. Bare midriffs.
 - e. Upper body articles that do not cover the body from both shoulders to the waist. Shirt straps must be approximately one inch or wider.
 - f. Other head coverings that are not related to an individual's religious/cultural beliefs. Those items are to be kept IN LOCKERS during the day from 7:55 am to 3:14 pm. Bandana printed items may not be worn or displayed.
2. Coats are generally not needed in school and should not be worn in class unless a teacher determines coats are needed.
 - a. What is NOT allowed? Any coat that is generally worn as an OUTSIDE coat for warmth is not allowed. Not allowed are heavy overcoats, ski jackets, rain wear, or any lined jackets.
 - b. What IS allowed? One layer cotton lining inside a windbreaker, unlined windbreaker, and pullover or zippered sweatshirts are acceptable for indoor wear.
 - c. Sweatshirts with hoods are allowed but the **hoods must be down at all times** during the school day.

ILLEGAL SUBSTANCES

State law and Board of Education policy strictly prohibits students from having tobacco products, alcoholic beverages or drugs at school. Violation of this policy will result in appropriate disciplinary action, and may cause the student to be suspended or expelled from school.

TOBACCO & VAPING

The use or possession of any tobacco products, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems, alternative nicotine products, or any other such look-alike or imitation product, is not permitted on school property at any time (Policy 3016).

The student will not be able to participate in any practices or contests during any suspension, and cannot practice, attend, or participate in any events the day of the possession or use.

As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations (“makeup work”). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school’s alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, not to exceed an additional 48 hours, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school and shall document such effort in writing. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.
4. Students who are short-term suspended must be given the opportunity to complete classwork and homework missed during the period of suspension, including but not limited to examinations or other forms of student work showing academic progress.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Weapons and/or Firearms

No student may possess, handle, or transmit any weapon while on school grounds, in a school vehicle, or at any school activity or event off school grounds except as permitted by this policy. **Definition of Weapon.** The term “weapon” means any object, device, instrument, material, or substance which is capable of causing injury in the manner it is used or intended to be used.

Firearms. No student may bring, possess, handle or transmit a firearm on school grounds, in a school owned vehicle, or at a school activity or event off school grounds, except as permitted by this policy. **Definition of Firearm.** The term “firearm, as defined in 18 U.S.C. 921, means any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or firearm silencer, or any destructive device (excluding an antique firearm).

Exceptions Regarding Firearms and Weapons. The only exceptions for a student to bring or possess a weapon, including a firearm, are as follows:

1. The issuance of firearms to or possession of firearms by members of the Reserve Officers Training Corps when training or
2. Firearms which may lawfully be possessed by the person receiving instruction under the immediate supervision of an adult instructor who may lawfully possess firearms.

Consequences - Firearm. Any student who brings a firearm, as that term is defined in 18 United States Code 921, to school will be expelled from school for one calendar year. The superintendent of schools and the board of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Consequences – Weapon. State law and this policy provide that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a weapon, other than a firearm, on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be suspended on a long-term basis, mandatorily reassigned, or expelled for the remainder of the school year in which the expulsion takes effect (if the misconduct occurs during the first semester) or the remainder of the second semester, summer school, and the first semester of the following school year (if the misconduct occurs during the second semester).

Pursuant to state and federal law, school personnel are required to report to law enforcement authorities when a student brings a firearm to school.

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Expulsion

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in

effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such a board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept non duplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

Grounds for Emergency Exclusion

Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

- (a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- (b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing. The notice shall include notice of a recommended hearing examiner and an alternate hearing examiner for consideration by the parent(s) or guardian(s) if a hearing is requested.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit a request for a hearing on the proposed extension of the exclusion within one school day of receiving the notice of the proposed extension.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. The parent(s) or guardian(s) shall notify the superintendent within one school day of receiving notice of the recommended extension and proposed hearing examiner and alternate hearing examiner if the alternate hearing examiner is preferred.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within ten

school days after the initial date of exclusion; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the Superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify. The school district shall make available to testify at the hearing any employee who is a witness to the matter upon request from the parent(s) or guardian(s).

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

ACADEMICS

INSTRUCTIONAL MATERIALS AND ACTIVITIES

The District will provide access to textbooks and other curriculum materials used in Ralston schools for parental review. If any materials appear questionable to a parent / guardian, a request may be made to have the material reviewed by a panel of teachers and parents. It is Ralston Public School's intent to keep parents well informed. Parents and guardians are welcome at any assembly, counseling session, or other special educational activity. Please contact the building principal prior to the event to ensure space may be provided.

STUDENT ASSISTANCE TEAMS

When a student experiences difficulties with learning or behavior in school, the teacher will consult the student's parent(s). If the problem persists the teacher or other school personnel may also seek the advice or suggestions of other teachers. Sharing of expertise among educators whether the problem is simple or complex, often promotes desirable solutions. At each elementary school, appropriate personnel, referred to as the Student Assistance Team (S.A.T.), meet regularly to assist in providing the most desirable education opportunities for the students.

The S.A.T. usually consists of regular educators including the student's teacher, parent(s), and other personnel who may be appropriate to consider the problem at hand. Staff members who will be included on the team are general education classroom teachers, administrators and school counselors or reading specialists. Special education staff may be involved occasionally as needed. Parents will receive a notice and be involved throughout the SAT process.

The goal of the team is to share information in a problem-solving discussion. The classroom teacher will bring evidence to demonstrate the difficulty occurring within the classroom. As a team, the members will discuss possible causes for the difficulty. After a cause has been identified team members will give recommendations. The recommendations will become interventions. Once the interventions have been identified, persons responsible will be identified as well as a timeline. Generally a S.A.T. intervention will be tried for approximately 30-45 hours of intervention. This allows for accurate data collection on whether the intervention was appropriately identified and successful. At the end of approximately 30-45 hours of intervention a S.A.T. 2 meeting will occur. At this meeting results of the interventions will be shared. The team will determine if the appropriate level of success has been reached. Additional interventions may be put in place and monitored for another 30-45 hours of intervention. If the team feels that appropriate interventions have been in place and the child is not making significant progress a further recommendation for testing may be made. Parents are encouraged to participate and be involved throughout the entire S.A.T. process.

FIELD TRIPS

Students in prekindergarten through sixth grade will have the opportunity to participate in field trips throughout their educational experience. Information about specific field trips where students leave the building will be sent home to parents and guardians prior to the field trip. This includes transportation to other buildings for school-related events (e.g. concerts, orientation, etc.). Parents/guardians will sign a permission slip sent home by the teachers.

On field trips, parents are not typically able to ride the bus due to the limited amount of space on the bus. Therefore, if parents/guardians plan on attending field trips, they may be asked to provide their own transportation.

PREKINDERGARTEN

Ralston Public Schools offers prekindergarten programming in all elementary buildings. Prekindergarten Handbooks are provided to each parent/guardian over the summer before

school begins. Prekindergarten screenings are held in the spring and summer for the following school year. For information please contact the District Office at 402-331-4700.

CHILD FIND NOTICE

Ralston Public Schools has an ongoing goal of locating and identifying all children, birth through age 21, who have special needs. The district will provide any child or youth who has a disability an appropriate public education at no cost to the parents of the child. Children or youth with disabilities are those who have hearing impairments, vision impairments, behavioral disorders, deafness, blindness, health impairments, specific learning disabilities, mental disabilities, autism, or traumatic brain injuries. In addition, children and youth with any disability which substantially limits a major life activity may receive modifications to allow them access to an appropriate education (Section 504 of the Rehabilitation Act, as amended).

Ralston Public Schools requests your help in locating children and youth with disabilities who are eligible to benefit from Special Education. If you know of a child or youth who is a resident of the District, who may have a disability and is not receiving needed services, please contact the Director of Student Services, 8545 Park Drive, Ralston, NE 68127.

COMPLAINT REGARDING PRINTED MATERIALS

Patrons, students or faculty members desiring to make a complaint about any textbook, workbook, or materials used within the Ralston School system should file a written complaint with the building principal. Each building principal serves as a chairperson of a committee composed of faculty, librarian, and lay citizens who will review each complaint on an individual basis and make a decision based upon this review. All decisions are subject to review by the Superintendent of Schools. Patrons in disagreement with the decision reached by the committee and/or the Superintendent may appear before the Board of Education with their complaint.

MEALS

BREAKFAST / LUNCH PROGRAM

Each elementary school will provide a hot lunch for students in grades kindergarten through six for a nominal fee. Students are encouraged to eat at school by purchasing a hot lunch, or they may bring a sack or cold lunch.

The Ralston Public Schools use a finger scan system to provide security for your students meal account. All students are assumed to be eligible to participate in this system unless notified by the parent/guardian that they wish to exclude their student. All parents/guardians wishing to exclude their student from this program should contact their school secretary and request exclusion.

The cost for a hot lunch is \$2.60 per meal. All hot lunch trays include a carton of milk. Any student who is allergic to milk will be offered a substitute. To qualify for this substitution a written statement from a doctor stating the student is unable to drink milk must be on file in the office of the school.

Students bringing a cold lunch may purchase milk for \$.50 or juice for \$.50. Carbonated/soda drinks with cold lunches are discouraged.

All Ralston elementary schools offer breakfast. The cost is \$1.55. Parents are strongly encouraged to use the online lunch payment option and to maintain a positive balance in the student's account. For information on how to sign up for and use this option please visit the school's website and click on the "Online Lunch Payment" button.

Any parent wishing to eat with their child will follow the school visitation policy outlined in the Student/Parent Handbook. Anyone planning to eat at school should call the school office by 8:30 a.m. to be included in that day's lunch count. Adult meals cost \$2.50 for breakfast and \$3.25 for lunch.

A free and reduced price lunch program is available for those qualifying. The cost is \$.40 for a reduced lunch and \$.30 for a reduced breakfast. Application forms for this program were mailed in August to the parents/guardians of students enrolled in the school district. Additional forms are also available in the school office.

COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable by severe weather conditions or by the mental or physical illness of the student or a child whom the student is parenting

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to re-enroll in this school district until the beginning of the following school year unless otherwise required by law.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excessive Absenteeism

When a student receives 5 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance. When a student is absent more than twenty days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may/must file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer shall file a report with the appropriate county attorney.

LEAVING BEFORE THE END OF THE DAY

Students leaving school early must be signed out by a parent/guardian. Students must check out of the office prior to them leaving the building. We encourage you to contact the school via written or phone communication to notify the staff of the early departure if possible.

If a student must leave school during school hours for a doctor's appointment or other valid reason please note:

- Students leaving the school prior to dismissal must report to the office before leaving the building.
- Depending upon time of day this could count as an absence.

RELEASE OF STUDENT TO NON-CUSTODIAL PARENT

As specified in current law, **the school may release a student to a non-custodial parent** unless a court order specifically barring such a release has been filed in the school office. A current, original court document must be brought to the school office for copying. The non-custodial parent will be required to provide a valid driver's license to confirm their identity.

Nebraska Compulsory Attendance Law

Every person residing in a school district within the State of Nebraska who has legal or actual charge or control of any child who will reach six (6) years of age prior to January 1 of the current school year and did not reach sixteen (16) years of age prior to July 16, 2005, and has not reached eighteen (18) years of age shall cause such child to attend regularly the public, private, denominational, or parochial day schools each day that such schools are open and in session except when excused by school authorities, unless such child has graduated from high school, or unless such child has reached the age of sixteen (16) and such child's parent or guardian has signed a notarized release disenrolling the child on a form provided by the school.

SCHOOL PROPERTY & STUDENT SAFETY

SAFETY

Instruction in safety practices begins in every elementary classroom the first day of school and continues throughout the year. The home and school must work together until safe living is a natural practice of the child. Parents should constantly set an example of safety for their children. You can do your part by helping your children learn the following:

The student will...

- go directly home after school.
- walk the safest route to and from school.
- look and be sure the way is clear before crossing the street.
- cross the street only at marked crossings.
- stay on the sidewalk. Avoid lawns, vacant lots, etc.
- walk on the left side of the street if there are no sidewalks.
- observe and obey traffic rules.
- get in and out of the car on the curbside.
- make safe choices when crossing the street and in the parking lot.
- observe the rules of good bicycle riding.
- cross railroad tracks at proper places and make safe choices while near the tracks.
- leave items on the ground that belong on the ground.
- refuse all gifts, invitations or rides from strangers.
- obey general safety rules.

SAFETY DRILLS

Students and staff will practice routine safety drills. During a fire drill all people in the building are required to leave.

During tornado drills all students will receive instructions concerning safe areas of the building and precautions to be followed during a tornado.

BICYCLE RULES

All bicycles must be placed in the bicycle rack immediately upon arrival at school. No riding is permitted on school grounds. Bicycles must be chained and padlocked to the bicycle rack. **The school assumes no responsibility for theft or vandalism that occurs to bicycles.**

INCLEMENT WEATHER - SCHOOL CLOSING/CONSIDERATIONS

When the Superintendent or his representative deems it necessary to close school for all or part of the day, notice will be provided through the Blackboard calling system and local radio and television stations. When school is dismissed during the school day, parents may pick up their students or they will be sent home by regular means (bus or walk). Be sure to communicate to your building's office if your contact or emergency information changes.

As a general guideline students will participate in outdoor activities unless the **wind chill is 10° F or below**, above 95 degrees Fahrenheit, or precipitation necessitates students remaining indoors. The building principal may restrict outside activity when inclement weather is present in concern for the health and safety of students and staff.) The Safety Patrol may not be on duty in the case of extreme weather conditions.

ANIMALS ON SCHOOL GROUNDS

Animals are not allowed in school district buildings or on school district property without the written permission of the superintendent except as provided in this policy. See Board Policy 3046 regarding Service Animals and Therapy Dogs for more information.

MEDICAL

HEALTH SERVICES AND REGULATIONS

A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

- Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.
- When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used. The person picking up the student must do so **within one hour of being contacted.**
- If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents expense, and the student will be transported to the nearest hospital.
- Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

Please review your child's records to make sure your child has obtained the needed immunizations prior to enrollment. Please check with your child's physician or contact the Douglas County Health Department for information on immunization clinics that are available (444-7213). You may also contact the school nurse if you have questions regarding the law or need assistance in getting your child's immunizations.

Nebraska School Law dictates that your child will not be able to enroll unless dates of immunizations are provided to the school at the time of enrollment.

FIRST AID

The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents.

IMMUNIZATIONS

Nebraska School Law (79.217-223) requires that all students be immunized against diphtheria, pertussis, tetanus, poliomyelitis, measles, rubella, mumps, Hepatitis B, and 2 doses or year of infection for Varicella **PRIOR TO ENROLLMENT**. Affidavits for religious or medical reasons are available in the school office.

All students will need to have on file at least 3 DTP, 3 Polio, and 2 doses of MMR (Measles, Mumps, and Rubella) immunizations; 3 doses of pediatric hepatitis B vaccine, or, if the alternate hepatitis B vaccination schedule is used, 2 doses of a licensed adult hepatitis B vaccine specified for adolescents 11-15 years of age, 2 doses or year of infection for varicella (chicken pox).

Kindergarten, seventh grade and all out-of-state transfer students are required to have dates on file for the following immunizations: 3 DTP, 3 Polio, 2 MMR, 3 Hepatitis B, 2 doses or year of infection for varicella (chicken pox). 7th Graders are required to have an additional Tdap booster (contains Pertussis booster).

MEDICATION

Administering Medication to Students

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication
 - a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
 - b. Parents/guardians must sign an Authorization for Medication form provided by the school.
 - c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.
2. Nonprescription/over the counter medication.
 - a. Parents/guardians must provide a physician's written authorization for the administration of the medication. These included, but are not limited to, pain relievers, cold medicine, allergy medicine, etc.
 - b. Parents/guardians must sign an Authorization for Medication form provided by the school.
 - c. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will be kept in the Health Office.
 - d. The container must be labeled with the child's name and with directions for provision or administration of the medication.

All medications must be brought into the Health Office by an adult. If a student rides the bus, an adult can hand the medication to the bus driver, who can then give it to a staff member at the school dropoff.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication left over, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

PHYSICAL EXAMINATIONS

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

CHRONIC CONDITIONS

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

COMMUNICABLE DISEASES

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

SUMMARY OF COMMUNICABLE DISEASES AND CONTAGIOUS CONDITIONS

Fever

Children will be sent home if they have a fever of 100 degrees or higher. Children must be fever free for 24 hours prior to returning to school with no medication given.

Vomiting

Children will be sent home if they vomit due to illness. Children must be free from vomiting for 24 hours prior to returning to school.

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles) Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from physician or phone call from doctor's office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. Eggs must be removed prior to the child returning to school. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

1. Parents/Guardians will be provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district upon request.

Copies of the most recent tests used in the district will be available for parent review. Parents wishing to review statewide NSCAS assessments will be provided with sample questions and a copy of a practice test, but will not be provided with copies of the actual assessment due to testing security. Ralston Public Schools district website address is www.ralstonschools.org. Some of the services provided include school and teacher websites, Board of Education, calendars, community connections, enrollment, handbooks, lunch menus, online lunch payment, student services, & instructional resources.

GOOGLE APPS FOR EDUCATION. Ralston Public Schools actively uses Google Apps for Education(GAFE). The applications that students have access to include gmail, calendars, and drive. All students grades 3-12 have an email account. Each account is password protected. All students K-12 have a drive account. The drive app includes the ability to create documents, spreadsheets, presentations, and drawings. GAFE gives all our students equal access to the same products. The only requirement for the student is internet access.

R-KIDS. All Ralston schools offer the R-KIDS (Ralston Knowledge, Information, Data Site) online grading. This site will encourage greater communication between the school, teacher, student, and parent. Grades are a way for students, teachers and parents to communicate the progress and achievement level of each student. An on-line grading system enhances this communication and creates a more efficient way for parents and students to monitor their progress in school. Teachers will post grades in a timely manner, based upon the assignment and the teacher's schedule. Parents are encouraged to monitor their child's progress by checking the system weekly. Please note that some classes may not have graded assignments each week. When a student is missing an assignment/assessment, the incomplete box will be checked. Once the work is made up, the grade will be entered and the late box will be checked.

What is an Acceptable Usage Policy? An acceptable use policy (AUP),is a set of rules applied by the owner or manager of a network, website or large computer system that restrict the ways in which the network, website or system may be used. AUP documents are written for corporations,

businesses, universities, schools, internet service providers, and website owners, often to reduce the potential for legal action that may be taken by a user, and often with little prospect of enforcement. See reverse side for Ralston's AUP.

RALSTON'S ACCEPTABLE USE POLICY

The use of school-owned technology, including computers, whether stand-alone, as a part of a local area network, or as part of a wide area network such as the Internet, is a privilege, not a right, and must be consistent with and driven by the educational objectives of the Ralston School District.

The Ralston School District exercises exclusive control over all school-owned technology, and students should not expect privacy regarding their use of any such equipment or network because school property is subject to search and inspection at any time by school officials. This search and inspection includes, but is not limited to, electronic mail, Internet access, file storage and transfer. Students are responsible for whatever is contained in computer files assigned to them.

Students using computers connected to the Internet, an international computer network, are able to access computers and people all over the world. The Ralston School District does not condone student access to any unsuitable materials which exist on the Internet. The Ralston School District recognizes that it cannot control the information on other computer systems and that it may not be physically possible to screen out all such inappropriate information and materials. All student Internet activities are subject to being monitored.

The Ralston School District makes no warranties of any kind, whether expressed or implied, for the technological services it provides. The District will not be responsible for any damages a user suffers. This includes loss of data.

Technology will be supplied for student use on an "as is, as available" basis. The availability of on-line resources does not indicate endorsement of their contents by the Ralston School District. The District specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.

The purchase of services or merchandise through the Internet, including the use of credit cards by students through District technological services is prohibited. The Ralston School District shall not be liable for any costs arising out of such transactions.

The Ralston School District will not be responsible for any liability or expense the user may incur in connection with the use of District technology. The user agrees to indemnify (hold harmless) the Ralston School District for any expenses, including attorney's fees, arising out of the use of District technology in violation of this agreement.

It is the responsibility of the parents/guardians to establish and convey the standards that their child should follow. In support of parents/guardians, the Ralston School District will enforce the minimum appropriate technology use standards set in the Technology Procedures (Code of Ethics for Technology).

ON-LINE GRADING SITE

R-KIDS (Ralston Knowledge, Information, Data Site) on-line grading enhances communication between the school, teacher, student, and parent. It also creates a more efficient way for parents and students to monitor their progress in school. Teachers post grades in a timely manner and parents are encouraged to monitor their child's progress by checking the system weekly. R-KIDS is available for all students in grades kindergarten through twelve. Parents can register for R-KIDS by visiting Ralston Public Schools website at www.ralstonschools.org.

CELL PHONES

Cell phones are not to be used during school and may be confiscated if the cell phone is causing a disruption. Students will be expected to follow the building cell phone security expectations that may include phones being kept in a designated place in the classroom or the office during school hours.

The computer system is owned by the school district. As with any school property, any electronic files on the system are subject to search and inspection at any time.
 - ii. The school district uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.

POLICY 3059: AUDIO & VIDEO RECORDING

Students and their parents or guardians should assume that any class in which students are enrolled may be recorded by the school district or other students for legitimate educational purposes. Recordings permitted pursuant to this policy may only be used by students for personal academic purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy “recording” includes still photographs, video, audio, and other similar data captured in any medium.

Secret Recordings. No person is permitted to make surreptitious recordings on school grounds unless authorized by the superintendent.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings when such recordings are deemed necessary or appropriate by an authorized representative of the district. The district will not maintain recordings unless the recording is purposefully copied and saved. Any recording not copied and maintained separately may only be accessible by the authorized representative for a limited time. Recordings made by the district may be destroyed by an authorized representative at any time unless retention is required by law.

Recordings Made by Parents/Guardians and Patrons. Parents/guardians and patrons may make recordings of school activities in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child’s classroom activities or recess. Parents may record meetings with administrators or staff, including meetings related to a student’s IEP or 504 plan, if prior notices is given to school administration. Violation of this policy will result in immediate termination of any meeting that is being recorded and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Staff. Staff members may make recordings of classroom instruction, student behavior or performance, and school activities without prior administrative approval only for legitimate educational purposes. Staff members may not make secret recordings while on duty, even if those recordings do not violate state or federal criminal or privacy laws. Staff members who violate this provision may be subject to consequences up to termination for classified staff and cancellation of contract for certificated staff.

Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student’s education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (e.g., AngelSense) must be approved by the student’s education team or administration. Students remain subject to all other district policies and rules. In no event shall recordings be taken or

made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

POLICIES & PROCEDURES

POLICY 5022 INVESTIGATIONS, ARRESTS & OTHER STUDENT CONTACT BY LAW ENFORCEMENT OR HEALTH & HUMAN SERVICES

The school district and its administrators and staff desire to maintain a positive working relationship with law enforcement officers and other representatives of governmental bodies in the discharge of their duties. However, this desire must be balanced against other equally important factors such as a student's legal rights, ensuring that a student's time spent in school is for education, and acknowledging that the school stands *in loco parentis* to the students.

"Law enforcement officer" means police officers, county sheriffs, state patrolmen, Health and Human Service workers, Child Protective Services workers, Office of Juvenile Services workers, probation officers, U.S. Immigration and Customs Enforcement (ICE) agents, Federal Bureau of Investigations agents, or any other government investigatory workers.

"Parent" means the biological or adoptive mother or father, guardian, responsible relative, or any other person who has claimed legal or actual charge or control of the student pursuant to Nebraska law or Title 92 Nebraska Administrative Code Chapter 19.

Law enforcement officers are encouraged whenever possible to talk to a student away from the school before or after school hours so as to cause as little disruption as possible to the student's education.

Law enforcement officers may be called to the school at the request of school administration, or they may initiate contact with the school for their own purposes. Contact between the school and law enforcement officers on matters involving students shall be made through the office of the superintendent or building principal and the law enforcement officer. All reasonable attempts should be made to avoid embarrassing the student before his or her teachers and peers, and to avoid disrupting the student's and school's education program. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.

School staff shall promptly notify the superintendent when a student is questioned, arrested, or removed from school grounds by law enforcement officers.

School Related Criminal Activity. This section applies to alleged or suspected criminal activity that occurs on school grounds; in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event.

Law enforcement officers will be allowed to contact and question students at school regarding school related criminal activity as provided below.

The building principal must be notified before a student may be questioned in school or taken from a classroom by law enforcement. The building principal should request identification of the officers, their affiliation with the identified law enforcement agency, and whether their purpose is to interview, interrogate, or take custody of the student.

The building principal will make reasonable attempts to contact a student's parent for their consent and/or presence before the student is interviewed. In the event that a parent cannot be contacted after reasonable attempts, the student will be questioned only if the law enforcement officer identifies emergency circumstances requiring immediate questioning. A building principal or designee shall be present for such questioning. The student will be brought to a private room and the contact will be made out of sight of others as much as practicable.

If the student is suspected of criminal activity, it is the responsibility of the law enforcement officer to advise a student of his or her rights against self-incrimination.

If at any time the district's representative believes that the questioning is being conducted in an inappropriate manner and clearly contrary to the rights of the student, then the representative shall request that the law enforcement activities cease. The building principal will also make another attempt to contact the student's parents.

The building principal shall document steps taken to notify parents, summarize the law enforcement activities, identify the actions taken by the District on behalf of the student, and any further contacts with law enforcement officers.

Non-School Related Criminal Activity. Law enforcement officials may not question students at school unless parental consent is obtained or the law enforcement authorities have a warrant or court order.

Taking a Student into Custody. Law enforcement officers seeking custody of a student must contact the superintendent or building principal. The principal will request the arresting law enforcement officer to provide a copy of the arrest warrant, written parental consent, court order, or other document giving authority to take the student into legal custody. If there is no document presented, the principal should obtain the officer's name, badge number identifying the law enforcement agency, date, time, the reason for the arrest, and the place to which the student is reportedly being taken. Whenever practicable, the arrest or release of the student should be conducted in a location and in a manner that minimizes observation by others.

When a law enforcement officer removes a student from the school, the building principal will take immediate steps to notify the parent about the student's removal and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse.

Child Abuse and Neglect. When law enforcement officers seek to investigate reports of alleged child neglect or abuse regarding a student, the building principal shall obtain a proper identification from the authorities or officials. If a student interview is conducted on school grounds, the building principal or designee and such other school personnel as appropriate shall observe the interview.

If the law enforcement officer decides to remove the student from school, school officials shall provide the law enforcement authorities with the address and telephone number of the student's parent or guardian. The principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign a statement certifying that the child is being removed from school premises because he or she is believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of NEB. REV. STAT. § 79-294.

Student Records. Student records will be shared with law enforcement officers only as allowed by state and federal law.

NOTICE OF NON-DISCRIMINATION

The school district does not discriminate on the basis of race, color, national origin, religion, marital status, sex, pregnancy, gender identity, gender expression, sexual orientation, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The school district prohibits sex discrimination in any education program or activity in any education program or activity that it operates.

Students who believe that they have been the subject of unlawful discrimination or harassment due to their disability, or that have other related concerns or questions, should contact the following Section 504 Coordinator: Melissa Stolley at 402-898-3451, mstolley@ralstonschools.org or in person at school.

Students who believe that they have been the subject of unlawful discrimination or harassment due to their sex, or that have other related concerns or questions, should contact the following Title IX Coordinator: Dr. Mike Rupprecht at 402-898-3483, mrupprecht@ralstonschools.org, 8545 Park Drive, Ralston NE 68127 or in person at school. The School District's specific Notice of Nondiscrimination on the Basis of Sex may be accessed at the following link: https://www.ralstonschools.org/site/handlers/filedownload.ashx?moduleinstanceid=1169&dataid=9780&FileName=3053_-_Nondiscrimination.pdf.

Students who believe that they have been the subject of unlawful discrimination or harassment due to their race, color, or national origin, or that have other related concerns or questions, should contact the following Title VI Coordinator: Dr. Mike Rupprecht at 402-898-3483, mrupprecht@ralstonschools.org, 8545 Park Drive, Ralston NE 68127 or in person at school.

Students who believe that they have been the subject of any other unlawful discrimination or harassment should contact the building principal at 402-898-3501 (phone number), ryan_pivonka@ralstonschools.org or in person at school. Students may report discrimination or harassment to any staff member who will then forward it on to the appropriate coordinator or administrator. The staff member will follow school district policies to respond to the report.

For additional prohibited discrimination and related information, please review school district Policy 3053 – Nondiscrimination.

PARENT CONCERN PROCEDURES

The policy of the Ralston School District is to solve problems at the level at which they occur. If a parent has a concern about anything that has happened at school, they should contact the person who has the most information about the matter. In most instances this will be the student's classroom teacher. Parents/guardians are encouraged to work with building principals to bring about resolution(s).

When a concern relates to a special area (such as physical education, music, art or media) that teacher should be contacted. If, after conferencing with the teacher, a satisfactory solution has not been reached, the principal of the building should then be contacted.

RECORDS AVAILABLE FOR REVIEW

Parents/guardians may review their child's files and records at any time. The building principal is responsible for maintaining and protecting the privacy of such files. Outside agencies, such as, but not limited to, physicians, probation officers, psychologists, child guidance clinics, and other reputable agencies who are working with the child, may access these files with parental/guardian consent or by court order. (Policy 5016)

Schools are required to provide information concerning the progress and activities of a student to the custodial and non-custodial parent equally, unless restricted by court order. If a restriction is to apply, a copy of the certified court order outlining the rights and restrictions must be placed on file in the school office. A copy of the school's files or records concerning a student will be provided at no charge, upon request, to any public or private school to which the student transfers. The building principal may authorize a total charge of \$1.00 for copies of student records that are not being mailed to another school district for transfer purposes.

GRIEVANCE PROCEDURE FOR DISCRIMINATION CLAIMS

Grievances, complaints, and communications should be initiated and processed in the following manner. This procedure is to be followed for any and/or all alleged acts of discrimination.

1. If a student has a grievance or complaint, the person should present the matter to the building principal in an effort to resolve the problem informally. The grievance or problem should be signed and dated by the building principal.
2. If the principal has the authority to resolve the problem it will be done as quickly as possible. If the principal does not have the authority it shall be reported to the superintendent in a timely manner.
3. Within 10 days, if the principal has not resolved the grievance, the aggrieved party may provide a written, signed, and dated copy of the grievance to the superintendent.
4. Within 10 days of the superintendent's decision, the aggrieved party may provide a written, signed, and dated copy of the grievance to the president of the board of education. The superintendent may also provide a copy of the grievance to the president of the board of education if the superintendent believes the problem is policy and not administration.
5. The Board of Education shall make an investigation, either as a board or as a committee, and shall provide the aggrieved party an opportunity to appear before the full board in person, either privately or accompanied by legal counsel, with the right to present facts and witnesses in full hearing. At the conclusion of the investigation, the Board of Education shall, within 30 calendar days, render its determination in writing.

COMPLAINT PROCEDURE

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant

- should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.
 - a. Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b. Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.
 - c. Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d. Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted at any time during the complaint procedure to the applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
 3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:
 - a. Determine whether the complainant has discussed the matter with the respondent.
 - i. If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.
 - ii. If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
 - b. Strongly encourage the complainant to reduce his or her concerns to writing.
 - c. Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:
 - i. All relevant details of the complaint;
 - ii. All witnesses and documents which the complainant believes support the complaint;
 - iii. The action or solution which the complainant seeks.
 - d. Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.
 4. If either the complainant or the respondent is not satisfied with the decision he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply:
 - a. The appeal must be in writing.
 - b. This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.
 - c. For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.

- d. The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.
5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:
- a. When the complaint is about a board policy, not implementation of the policy
 - b. When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
 - c. When the board is required by law, policy, or contract to hear a complaint or appeal.

If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.

- d. This appeal must be in writing.
 - e. This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated his/her decision to the complainant.
 - f. This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.
 - g. The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint involves discrimination or harassment allegations against the Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.
 - h. There is no appeal from any decision of the board unless authorized by law.
6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:
- a. Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.
 - b. Determine whether the complainant has discussed the matter with the superintendent.

- i. If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.
- ii. If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
- c. Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.
- d. Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.
- e. Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided to a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

- a. without a good faith intention to attempt to resolve the issues raised;
- b. for the purpose of adding administrative burden;
- c. at a volume unreasonable to expect satisfactory resolution; or
- d. for purposes inconsistent with the efficient operations of the district

NOTICE TO PARENTS - PROFESSIONAL QUALIFICATIONS

As a parent of a student in Ralston you have the right to know the professional qualifications of the classroom teacher who instructs your child or if there will be a change in staff for more than four weeks of student contact days. Under the Every Student Succeeds Act, federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information about which you have the right to know:

- *Whether the Nebraska Department of Education (NDE) licensed or endorsed your student's teacher for the grades and subjects taught.*
- *Whether NDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.*

Please contact the Executive Director of Human Resources if you would like to receive any of this information at 402-331-4700.

TESTING POLICY

The Ralston School District follows the required state guidelines for standardized testing. The Board of Education shall receive an annual written report consisting of the results of all components of the school system performance program including, but not limited to, standardized norm-referenced assessments, criterion-referenced assessments, student performance, school system demographics, financial information, follow-up studies of graduates, and learning climate surveys. These reports shall be made available to all patrons of the district. (Policies IL and ILC)

Title IX Policy

Nondiscrimination. The school district does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates including in admission and employment. Inquiries about Title IX may be referred to the school district's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights, or both. The school

district's Title IX Coordinator may be contacted at Title IX Coordinator, 8545 Park Drive, Ralston, NE, or by email at mrupprecht@ralstonschools.org, or via phone at 402-331- 4700 The school district's nondiscrimination policy and grievance procedures are included this policy, or can be accessed at: https://www.ralstonschools.org/site/handlers/filedownload.ashx?moduleinstanceid=1169&dataid=9780&FileName=3053_-_Nondiscrimination.pdf. To report information about conduct that may constitute sex discrimination or make a complaint of sex discrimination under Title IX, please contact the Title IX Coordinator.

Retaliation Prohibited. Retaliation, including peer retaliation, is prohibited in the school district's education program or activity. If the school district has information about conduct that reasonably may constitute retaliation under Title IX, it may be required to treat it as an allegation of sex discrimination. Upon receiving a complaint alleging retaliation, the school district will initiate its grievance procedures or informal resolution process.

Definitions. As used in this policy, the following terms are defined as follows:

Complainant means an employee, a student, or a parent, guardian, or other individual with the legal right to act on behalf of a complainant who is alleged to have been subjected to conduct that could constitute sex discrimination, including sex-based harassment; or any other person who may have been subjected to sex discrimination when that person was participating or attempting to participate in the school district's education program or activity.

Complaint means an oral or written request to the school district that objectively can be understood as a request for the school district to investigate and make a determination about alleged sex discrimination under Title IX.

Consent for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. School district officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

Respondent means a person who is alleged to have violated the school district's prohibition on sex discrimination. When a sex discrimination complaint alleges that the school district's policy or practice discriminates on the basis of sex, the school district is not considered a respondent.

Sex-based harassment prohibited by this part is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex that is:

Quid pro quo harassment. An employee, agent, or other person authorized by the school district to provide an aid, benefit, or service under the school district's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct;

Hostile environment harassment. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the school district's education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:

- The degree to which the conduct affected the complainant's ability to access the school district's education program or activity;
- The type, frequency, and duration of the conduct;

- The parties' ages, roles within the school district's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;
- The location of the conduct and the context in which the conduct occurred; and
- Other sex-based harassment in the school district's education program or activity.

Domestic violence meaning felony or misdemeanor crimes committed by a person who:

- Is a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction of the school district, or a person similarly situated to a spouse of the victim;

Response to Sex-based Harassment.

All Employees. All school district employees must notify the Title IX Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination, including sex-based harassment under Title IX.

Title IX Coordinator. The school district will designate and authorize at least one employee as the school district's "Title IX Coordinator," to coordinate the school district's efforts to comply with its responsibilities under Title IX and this policy. The superintendent or Title IX Coordinator is authorized to delegate specific duties to one or more designees.

For conduct that could constitute sex-based harassment, the Title IX Coordinator must take the following actions:

- Offer and coordinate supportive measures for the complainant and for the respondent;
- Notify the complainant or the individual who reported the conduct of the grievance procedures and, if appropriate, the informal resolution process.
- Take other appropriate steps to avoid the recurrence of sex discrimination and restore or maintain equal access to the school district's programs and activities.

Supportive Measures. The school district will provide supportive measures, as appropriate, in cases involving sex-based harassment. These measures may include but are not limited to: counseling; extending deadlines; increased supervision; no-contact directives; leaves of absence; changes in class, work, or activities, regardless of whether there is a comparable alternative; and training and education programs related to sex-based harassment. Supportive measures may be continued, modified, or discontinued at the conclusion of any grievance process. Supportive measures will not be disclosed to anyone other than the person to whom they apply and others, including school officials, who need to know the supportive measures to implement them.

Requests to Modify Supportive Measures. A complainant or respondent may request modification or reversal of the school district's decision to provide, deny, change, or terminate supportive measures applicable to them. Requests must be made to the Title IX Coordinator in writing, and an impartial individual will review the request.

Students with Disabilities. If the complainant or respondent is a student with a disability, the Title IX Coordinator will consult with one or more members of the student's IEP or Section 504 team to determine compliance with those laws while implementing supportive measures and all other requirements of this policy and Title IX.

Emergency Removal. The school district is authorized to remove a respondent from the school district's education program or activity on an emergency basis, provided that the school district undertakes an individualized safety and risk analysis; determines that an imminent and serious threat to the health or safety of a complainant or other persons arising from the allegations of sex discrimination justifies removal; and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

Administrative Leave. The school district is authorized to place an employee respondent on administrative leave from employment responsibilities during the pendency of the school district's grievance procedures.

Informal Resolution. The school district may offer an informal resolution process unless the complaint includes allegations that an employee engaged in sex-based harassment of a student or informal resolution would be contrary to law. Prior to initiating informal resolution, the parties will be provided with notice of the allegations. Participation in informal resolution is voluntary, and any informal resolution will include consent from the complainant and respondent,

the ability to withdraw from the process, and the right to resume the grievance process. If an agreement is reached, it precludes the parties from initiating or resuming the grievance process.

The informal resolution facilitator will not be the same person as the investigator or the decisionmaker in the school district's grievance procedures. Potential terms that may be included in an informal resolution agreement include but are not limited to restrictions on contact, restrictions on participation in programs or activities, and disciplinary sanctions.

If informal resolution is offered, the school district will maintain all evidence gathered, communications about the informal resolution process, and the agreement reached. This information will be disclosed to outside individuals only as permitted by law and if required to implement the requirements of the agreement or Title IX. If no agreement is reached, only relevant and permissible evidence received during the informal resolution process will be considered during the grievance process.

Grievance Procedures to Resolve Complaints of Sex Discrimination. Any person designated as Title IX Coordinator, investigator, or decision maker will not have a conflict of interest or bias for or against any party, generally or specifically. The decision maker may be the same person as the Title IX Coordinator or investigator.

Complaint. Complaints of sex-based harassment may only be made by a complainant; a parent, guardian, or other individual with the legal right to act on behalf of a complainant; or the Title IX Coordinator. Complaints of sex discrimination (excluding complaints of sex-based harassment) may be made by any person who was participating or attempting to participate in the school district's education program or activity at the time of the alleged sex discrimination.

Complaint by Coordinator. In the absence of a complaint made by any other individual, the Title IX Coordinator will determine whether to initiate a complaint of sex discrimination. The Title IX Coordinator must consider, at a minimum, the following factors:

- The complainant's request not to proceed with the initiation of a complaint;
- The complainant's reasonable safety concerns regarding the initiation of a Complaint;
- The risk that additional acts of sex discrimination would occur if a complaint is not initiated;
- The severity of the alleged sex discrimination, including whether the discrimination, if established, would require the removal of a respondent from campus or imposition of another disciplinary sanction to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee of the school district;
- The scope of the alleged sex discrimination, including information suggesting a pattern, ongoing sex discrimination, or sex discrimination alleged to have impacted multiple individuals;
- The availability of evidence to assist a decisionmaker in determining whether sex discrimination occurred; and
- Whether the school district could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

If the Title IX Coordinator initiates a complaint, they will notify the complainant prior to doing so and address reasonable concerns about the complainant's safety or the safety of others, including by providing supportive measures.

Consolidation of Complaints. The school district may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances. When more than one complainant or more than one respondent is involved, references in this section to a party, complainant, or respondent include the plural, as applicable.

Basic Procedures. This grievance procedure is governed by the following basic requirements:

- A respondent is presumed not responsible for the alleged sex discrimination until a determination is made at the conclusion of the grievance procedure;
- The school district will treat the complainant and respondent equitably throughout the grievance process;
- The school district will take reasonable steps to protect the privacy of individuals participating in the grievance process in a manner that does not restrict the parties from obtaining and presenting evidence, speaking to witnesses, consulting with family members or advisors, or otherwise participating in the grievance process;
- The District will use the following timelines for each complaint, but the Title IX Coordinator or designee may extend them as needed:

Major Stage	Target Duration (calendar days)
Completion of the school district’s decision whether to dismiss or investigate a complaint of sex discrimination	1-15
Investigation	1-30
Determination	1-30
Appeal	1-20

Notice of Allegations. Upon initiation of the grievance procedure, the school district will provide notice of the allegations to the parties whose identities are known. The notice will include a copy of this policy; the parties involved in the incident(s); the conduct alleged to constitute sex discrimination; and the date(s) and location(s) of the alleged incident(s), if available. Retaliation is prohibited.

If the school district decides to investigate additional allegations of sex discrimination that are not included in the initial notice, the school district will provide notice of the additional allegations to the parties.

Complaint Investigation. The burden is on the school district to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred. The individual investigating and deciding the complaint will:

- Provide an equal opportunity for the parties to present fact witnesses and relevant and permissible evidence;
- Objectively review all evidence gathered through the investigation and determine what evidence is relevant and permissible;
- Provide each party with an accurate description of the relevant and permissible evidence, and upon request, copies of this evidence;
- Provide the parties a reasonable opportunity to respond to the evidence;

- Use a process that enables the decision maker to question parties and witnesses to adequately assess a party's or witness's credibility, but credibility will not be based upon any individual's status as a complainant, respondent, or witness; and
- Take reasonable steps to prevent and address the parties' unauthorized disclosure of information and evidence obtained solely through the grievance procedures. For purposes of this paragraph, disclosures of such information and evidence for purposes of administrative proceedings or litigation related to the complaint of sex discrimination are authorized.

Relevant and Permissible Evidence. The school district will consider relevant and permissible evidence. Relevant evidence is evidence related to the allegations of sex discrimination under investigation as part of the grievance procedure. Questions are relevant when they seek evidence that may aid in showing whether the alleged sex discrimination occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged sex discrimination occurred.

Generally relevant evidence is permissible, but does not include:

- Evidence that is protected under a privilege as recognized by Federal or State law;
- A party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional in connection with the provision of treatment to the party or witness unless the school district obtains that party's or witness's voluntary, written consent for use in this grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless that evidence is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude a determination that sexbased harassment occurred.

Determining Whether Sex Discrimination Occurred. The school district will:

- Use the preponderance of the evidence standard of proof, that it is more likely than not, to determine whether sex discrimination occurred;
- Use only relevant and permissible evidence to reach a determination;
- Notify the parties in writing of the determination whether sex discrimination occurred, including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal, if applicable;
- If there is a determination that sex discrimination occurred, coordinate and provide remedies to restore equal access, coordinate the imposition of any disciplinary sanctions on a respondent, including notification to the complainant of any such disciplinary sanctions, and require the Title IX Coordinator to take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur;
- Not discipline a party, witness, or others participating in a school district's grievance procedures for making a false statement or for engaging in consensual sexual conduct based solely on the school district's determination whether sex discrimination occurred.

Dismissal of a Complaint. A complaint of sex discrimination made through the grievance procedure may be dismissed for any of the following reasons:

- The school district is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in the school district's education program or activity and is not employed by the school district;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Title IX Coordinator declines to initiate a complaint, and the school district determines

that without the complainant's withdrawn allegations, the remaining alleged conduct would not constitute sex discrimination even if proven;

- The school district determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Before dismissing the complaint under this paragraph, the school district must make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the school district will promptly notify the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then the school district must also notify the respondent of the dismissal and the basis for the dismissal promptly following notification to the complainant, or simultaneously if notification is in writing.

The school district will notify the complainant that a dismissal may be appealed and provide the complainant with an opportunity to appeal the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then the school district must also notify the respondent that the dismissal may be appealed on the bases set out in this policy. Upon the dismissal of a complaint, at a minimum, the school district will:

- Offer supportive measures to the complainant, and offer supportive measures to the respondent if the respondent has been notified of the complaint;
- Require its Title IX Coordinator to take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within the school district's education program or activity.

Appeal. The school district will provide the parties the opportunity to appeal the decision-maker's written determination or a dismissal of a complaint, on the grounds identified below. The school district will implement appeal procedures equally for the parties, including a reasonable and equal opportunity to make a statement in support of or challenging the outcome being appealed. Appeals under Title IX, like other comparable proceedings, will be handled consistent with the school district's general complaint policy.

Time for Appeal. Appeals may only be initiated by submitting a written Notice of Appeal to the superintendent within three (3) calendar days of the party's receipt of (1) the written determination of whether sex discrimination occurred from which the appeal is taken, or (2) the written dismissal of the complaint from which the appeal is taken.

Notice of Appeal Filed By Party. The Notice of Appeal must include (a) the name of the party or parties appealing, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from the following subsection) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy and Title IX.

Appeals of Dismissals. If a dismissal is appealed, the school district will provide notice of the allegations to the complainant and respondent if not provided previously.

Appeal Decision. The decision maker for the appeal will be an individual who did not take part in the investigation, determination, and/or decision to dismiss the complaint. The appeal decision maker will notify the parties of the result of the appeal and the rationale for the result.

Disciplinary Sanctions and Remedies. If it is determined that sex-based harassment occurred, the school district may impose disciplinary sanctions that may include suspension, expulsion, mandatory reassignment, adverse employment action up to and including termination, or any other actions regarding student behavior that are

reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation.

Superintendent Authorized to Contract. The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the school district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

Recordkeeping. The school district will maintain the following documents for a period of at least seven years:

- For each complaint of sex discrimination, records documenting the informal resolution process or grievance procedures and the outcome.
- Records documenting the actions the school district took to meet its obligations under Title IX for any allegation of sex discrimination.

All materials used to provide training as required by this policy. The school district will make these training materials available upon request for inspection by members of the public.
