

Ralston High School

Graduation Requirements and
Registration Information

2024-2025

GRADUATION REQUIREMENTS

In addition to successful completion of the courses below, students are required to complete 10 hours of Service for Others for each year of attendance at RHS prior to being awarded a Ralston High School graduation diploma.

Program	Course Specifics for RPS Graduation Requirements for Class of 2025 & Prior	Credits	Course Specifics for RPS Graduation Requirements for Class of 2026 & Beyond	Credits	College Preparation Requirements beyond RPS Graduation Requirements
English (EN)	English 1 English 2 English 3 Composition	35	English 1 English 2	40	recommend 40 total credits
Oral Communications (OC)	Speech Introduction to Mass Communications Debate	5			
Social Studies (SS)	World Civilization U.S. History or AP U.S. History American Government	30	World Civilization U.S. History or AP U.S. History American Government	30	recommend 40 credits
Mathematics (MA)	Minimum of 10 at or above Algebra 1	30	Minimum of 10 at or above Algebra 1	30	recommend at least Algebra II completion recommend 40 total credits
Science (SC)	Biology Chemistry 1 or Honors Chemistry Physics 1 or Honors Physics	30	Biology Chemistry 1 or Chemistry 1 AR Physics 1 or Physics 1 AR	30	recommend 40 credits
Physical Education(PE)	Health & Wellness Fitness & Swim Foundations	20	Health & Wellness Fitness & Swim Foundations	20	
Fine Arts (FA)		10		10	
Career Education (CE)	College & Career Readiness Personal Finance	25	College & Career Readiness or Capstone Participation Personal Finance	20	
Elective (EL)		55		60	recommend 20 hours in the same World Language
				240	Minimum Credits Required

12th GRADE RECOMMENDED ACADEMIC PLAN

Students are expected to enroll for 80 hours of credit per year, the equivalent of 4 classes per day.

Students must earn 60 credits per year to remain on track toward graduation.

* = College Prep program

Empty fields must be filled with courses of choice that meet graduation requirements and post-secondary planning goals.

Advanced Placement (AP): The Advanced Placement Program provides college level coursework in various subject areas to motivate and challenge high school students. Through these courses and their corresponding AP exams, students can earn college credit or placement while still in high school. Students may take any AP test available, regardless of courses completed/course title. AP courses are weighted for the purpose of calculating GPA's.

Honors/Pre-AP: Classes labeled as Honors or Pre-AP are designed for students planning to attend four-year colleges. These classes are offered in nearly every content area. These courses are demanding, so students should expect to spend time during summer and/or winter break preparing for the course.

Class Rank: Class Rank will be determined by the weighted Grade Point Average (GPA) of students and will be utilized by RHS for the purpose of graduation recognition and honors. GPA's are placed in a high-to-low numerical order, resulting in a ranking of all students for that grade. Marked Point Average Rank is a high-to-low listing of students' weighted GPA multiplied by total mark points attempted. ACT Rank (ACRS: Academic Class Ranking System) is a high-to-low listing of students' ACT score + unweighted GPA x 9 + (earned credits/semesters). Weighted GPA Rank (SCRS: Scholastic Class Ranking System) is a listing of students' weighted GPA in a high-to-low numerical order. Weighted GPA is computed by dividing a student's total mark points by the number of credits attempted.

Course Change Policy: Because of the time spent with the Individual Learning Plans and the focus spent on planning for a career, there are only a few ways a schedule will be changed after students' registrations are received: if there is an irresolvable conflict caused by the master schedule; if there was an "F" in the specific curriculum area on the previous report card; or if a student picks up an approved class from Metro, UNO, or an internship. **Any other requests need to be directed to the counseling department prior to August 1.**

After August 1, consideration will be given only to students who are academically misplaced. In rare circumstances during the semester, parents may wish to drop their son/daughter from a class against the counselor and/or administration's educational recommendations. These students will be dropped with a "WF" for the course grade. There will be a 2 day window at the start of each term to make necessary adjustments to schedules.

Credit: Points earned toward graduation requirements for successfully meeting course objectives. Credit is awarded at the conclusion of each term as a result of earning a grade of D or higher. Credit is not awarded for repeating a course for which credit has already been earned unless otherwise noted.

Dual Credit: Several courses in this guide may earn students simultaneous credit in high school and at a postsecondary institution, depending on staff qualifications. In order to earn the credit, the student needs to work with his/her counselor, have a 2.8 GPA, and pay the enrollment fee for the college credit. Dual credit courses offered at RHS are weighted for the purpose of calculating GPA's. Other courses offered at accredited colleges and universities that are not offered at RHS may receive dual credit. **Credit for these courses must be pre-approved by the high school administration.**

Grade Point Average (GPA): Most courses are graded on an A-F basis. Some courses are graded on a satisfactory/unsatisfactory (pass/fail) basis. A grade of "F" or unsatisfactory/fail in a course means there have been no credits earned for that course. The Ralston High School Mark Point Table is shown below and an example of how a student's Grade Point Average (GPA) can be determined for a single semester.

Individual Learning Plan (ILP): Students will create a 4-year graduation plan prior to entering RHS and review that plan as part of their registration process each year during a meeting with their counselor. That meeting is referred to as an ILP meeting.

MARKED POINT AVERAGE (MPA) RANK

Marked Point Average (MPA) Rank (official RHS GPA system): MPA is a weighted GPA, computed by dividing a student's total weighted mark points by the number of credits attempted.

MARK POINT TABLE

Grade Earned	Unweighted Class	Weighted AP/AR Class
A	4 Mark Points	5 Mark Points
B	3 Mark Points	4 Mark Points
C	2 Mark Points	3 Mark Points
D	1 Mark Point	2 Mark Points
F	0 Mark Points	0 Mark Points

For further information, please refer to the RHS Student Handbook or see your counselor.

EXAMPLE: DETERMINING A STUDENT'S GRADE POINT AVERAGE

Course	Grade	Credits	Mark Point Value	Mark Points
Spanish 3	B	5	times 3	equals 15
US History	C+	5	times 2	equals 10
Geometry	C+	5	times 2	equals 10
Biology	B	5	times 3	equals 15
English 2 AR	A-	5	times 5	equals 25
Total Credits	Earned	25	Total Mark Points	75
	Attempted	25		

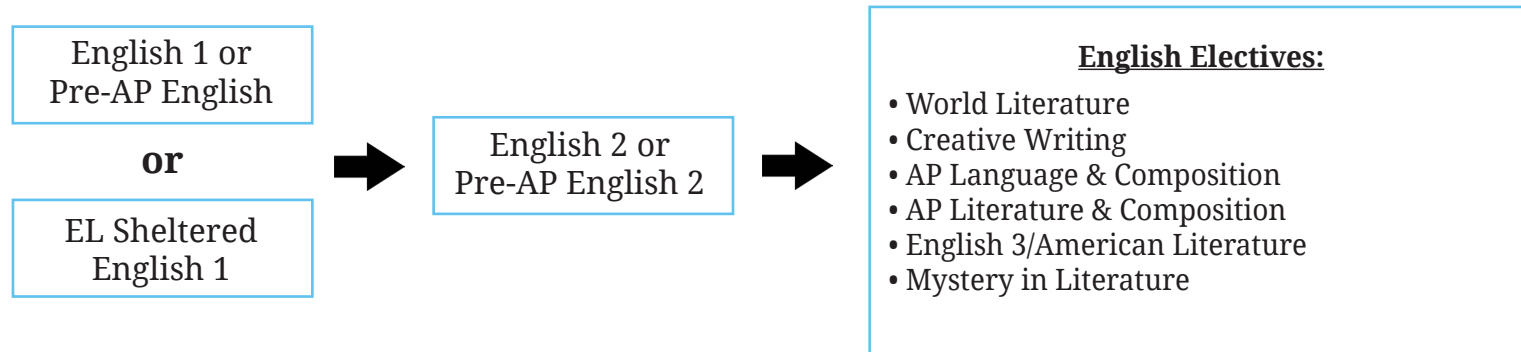

75 Mark Points divided by 25 Credits Attempted = 3.00 GPA
