Dear Ralston High School Students:

We are excited to welcome you to the **2022-2023** school year at Ralston High School! With a new school year comes new opportunities: to learn, grow, challenge yourself, and be your best self. Ralston High School prides itself on its many programs and offerings- both academic and extracurricular. We are a large, class-B high school in the middle of a vibrant metropolitan area. We strive to provide robust opportunities for our students while maintaining a smaller school environment where students are known by staff and feel connected to the greater school community.

Over the past years, Ralston students have excelled in every facet of our school. We have produced National Merit Finalists and state champions. Our graduates have garnered millions of dollars in scholarships through academics, athletics, and their talents in the arts. Students have earned countless hours of college credit through coursework at Ralston High School. Our alumni are prepared for their futures. We are proud of our academies and apprenticeship programs, where students graduate with the necessary skills to immediately enter the workforce in a skilled trade.

These opportunities are available to *ALL* of our students. As we begin the new school year, I challenge you to immerse yourself in the comprehensive high school experience that Ralston offers. Take advantage of the specialty programs and offerings. Get involved in our extensive extracurricular activities. There is a transactional element to high school; the more you put into it, the more you get out of it.

All students have the right to learn in the best possible learning atmosphere, and this is our focus every day. In order to provide the best school climate possible, certain rules and regulations are necessary. You will find the rules and regulations are reasonable, fair, and for the benefit of all students. Ralston High School is committed to providing every student the opportunity to reach their potential in a respectful and safe environment.

Students and parents are required to read this handbook carefully. It outlines the basic policies and regulations of Ralston Public Schools and Ralston High School. At times it may become necessary for the school administration to modify regulations under certain circumstances where adjustments are needed.

At Ralston High School, your voice matters. We want to hear from you. Please feel free to stop by the high school offices to address questions or concerns you may have, or to share your ideas on how we can make Ralston even better. We are eager to get to know each of you. Our number one goal is for each individual student to succeed at Ralston High School in each endeavor they choose to take on.

At Ralston High School we are proud of our rich traditions of excellence and pride, and excited about what our future holds! It's a great day to be a Ralston Ram.

Sincerely,

Dr. Ryan Pivonka

HISTORY OF RHS

High school in Ralston had its beginning in September of 1953, with an enrollment of 110 students in grades 9-12 and a faculty of nine members. Because the building was not yet completed, seven classes were held in the Maywood Elementary School until midway through the first year. Dedication of the former high school, located at 82nd and Lakeview, was held on February 28, 1954. At that time, only the first floor of the west wing and the gymnasium were completed. The former high school now serves as Ralston Middle School. In 1968 the high school moved to its present location at 90th & Park Drive. The first senior class of 1954 had a membership of 16. Current enrollment is approximately 1000. Renovation construction began in 2002 and finished in 2005 on the latest renovation project.

Board of Education policies can be accessed at the school building office and on the district website: www.ralstonschools.org.

None of the district's handbooks create a "contract" between the school district, staff members, parents or students. If any information contained in any handbook conflicts with board policy or state statute, the policy or statute will govern.

GRADING SYSTEM AND REPORTS

Ralston High School will operate an extended learning time schedule that consists of terms and semesters. It is important that students and parents understand the difference.

Quarter - consists of a 9-week period of instruction, and is used for progress monitoring only. Progress reports will be generated at the end of quarters 1 and 3.

Semester - consists of two, 18-week terms. A class that meets every other day is worth 10 credits and will last for a full year. There will be 5 credits awarded for a passing grade at the end of each semester.

The following is an explanation of Ralston High School's grading system:

A - Superior	92 - 100%	D - Below Average	67 - 75%
B - Above Average	84 - 91%	F - Failure	66% and Below
C - Average	76 - 83%	Inc. - Work to be made up	

Incomplete work must be completed within one week of the end of the term unless an administrator approves more time. No incomplete grades may be given at the end of the second semester/term 4.

Running grades, progress reports and end-of-term/semester report cards are always available by accessing the **R-KIDS electronic gradebook at www2.esu3.org/dws/rhighschool**; therefore, mailings of these documents will no longer be automatically made. Parents may call to request a printed report card at the end of a given semester. Parents should check the RHS homepage for dates that progress and end-of-term/semester report cards are available and are urged to contact teachers whenever necessary. Mid-term progress reports will be available at the door during Parent-Teacher Conferences in terms 1, 2, and 3. Grades on end-of-term report cards become part of the permanent record.

Transcripts

Official transcripts of student records will be sent to requested institutions electronically and are issued at the request of the student or student's parent/guardian. There may be a nominal fee associated with such requests, depending on the requesting college or agency. Requests take

time to process, so please make your requests well ahead of any deadlines. Please contact a counselor for details on requesting official transcripts.

GRADE POINT AND MARK POINT AVERAGES

Below is the Ralston High School Mark Point Average Table and an example of how Mark Point Average (MPA) can be determined for a single semester.

<u>Adv'd Rank Classes</u>	<u>Grade Earned</u>	<u>Unranked Classes</u>
5 mark points	A	4 mark points
4 mark points	B	3 mark points
3 mark points	C	2 mark points
2 mark points	D	1 mark point
0 mark points	F	0 mark points
Not computed	Pass/Fail	Not computed

EXAMPLE: Determining a Student's Grade Point Average

<u>Course</u>	<u>Grade</u>	<u>Credits</u>	<u>Mark Pt Value</u>	<u>Mark Points</u>
Spanish 3	B	5	times 3	equals 15
Psych/Soc	C+	5	times 2	equals 10
Geometry	C	5	times 2	equals 10
Biology	B	5	times 3	equals 15
Honors Eng 2 AR	A-	5	times 5	equals 25
Edgenuity	P	<u>3</u>	(Not computed in MPA)	
Total Credits Earned		28	Total Mark Points	75
75 total Mark Points ÷		25 Credits Attempted	=	3.00 GPA

CLASS RANK

Class Rank will be determined by the weighted Grade Point Average of students and will be utilized by RHS for the purpose of graduation recognition and honors. GPA's are placed in a high-to-low numerical order, resulting in a ranking of all students for that grade level. Combined Rank is a high-to-low listing of a student's weighted GPA multiplied by total mark points attempted. ACT Rank (ACRS: Academic Class Ranking System) is a high-to-low listing of a student's ACT score + unweighted GPA x 9 + (earned credits/semester). Weighted GPA Rank (SCRS: Scholastic Class Ranking System) is a listing of a student's weighted GPA in a high-to-low numerical order. Weighted GPA is computed by dividing a student's total mark points by the number of credits attempted.

ACADEMIC HONORS AND LETTERS

Physical awards that recognize academic achievement will be based on a student's current school year GPA for terms 1-3. For students to be eligible for such recognition, they must have earned 45 credits through Term 3 of the current school year and have a minimum of a C or higher in all of their courses. Pass/Fail classes will not count toward the 45 credits.

- Merit Roll Certificate Terms 1-3 GPA 3.00 - 3.49
- Honor Roll Letter/Pin Terms 1-3 GPA 3.50 - 3.99
- Roll of Distinction Letter/Pin Terms 1-3 GPA 4.00 and above

SENIOR HONORS AND RECOGNITION

Grade Point Averages used to determine honors recognition at commencement are based on grades at the end of 7 semesters of academic work.

Honors and recognition are reserved for students in their 4th year of high school or early graduates, as approved by the principal.

Valedictorian

The student(s) ranked first in the District Class Rank System and the student(s) ranked first in the Mark Point Average Rank System will be recognized as valedictorians and invited to speak at commencement. If a valedictorian declines this opportunity, it will be extended to the next

highest-ranking student in that system. The class may also select a spokesperson to speak at commencement.

Senior Achievement Awards

Seniors will be awarded honor cords based on the Cumulative Grade Point Average after 7 semesters of academic work: 4.0 to 4.19 = white cord; 4.20 to 4.39 = silver cord; 4.40 and above = gold cord.

300 Club

Two hundred and forty credits are required to graduate. Graduates accumulating 300 or more credits will be recognized at graduation.

Community Service Excellence

Students earning one hundred or more hours of Community Service by April 15 of their final term will be recognized at graduation.

CTE Program of Study Completer

Three or more prescribed courses in a career pathway as set by The Nebraska Department of Education.

ATTENDANCE EXPECTATIONS AND PROCEDURES

COMPULSORY / REQUIRED ATTENDANCE AND EXCESSIVE ABSENTEEISM / TRUANCY

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy. ([Board Policy 5001](#))

ATTENDANCE CLASSIFICATIONS

Ralston High School recognizes the importance of consistent attendance in order for students to be successful. Ralston High School utilizes a block schedule and missing a day of school means that students lose approximately 1½ hours of instruction per class. In addition to the state requirements, when a student reaches ten (10) absences (excused or unexcused) an attendance letter will be mailed home to parents.

Those students who are hospitalized or who suffer from debilitating illness and are under a doctor's care and ordered not to attend school are encouraged to provide the attendance secretary with written documentation from their healthcare provider to that effect.

Absences from class due to suspension are not considered part of the absence limitations. Students who are participating in or attending school-sponsored activities are considered present at school, and class absences incurred as a result of participation in or attendance at school activities do not count toward stated limits.

Activity/Athletic Absence

School sponsored activities are those where a student is on an official roster or participation list. Students engaged in school sponsored activities will be counted present at school. Completed permission forms must be turned into the sponsor one day prior to the activity.

Activity/Athletic Participation

Please refer to the Athletic/Activities section found later in the student handbook regarding participation in practices and/or performances when there is an absence during the day (see the Activity and Athletics sections starting on page 49).

Appointments During the School Day

Parents/Guardians must call the attendance line in advance if their student needs to leave during the school day for an appointment. Written notes will not be accepted. In order to minimize classroom disruptions and expedite the student's release from class, such a call should

be made with **at least one hour's advance notice** of the time the student needs to sign out to leave the building. In order for the absence to be excused the student must provide medical documentation or other information to document the appointment. The attendance line is available 24 hours a day with voice mail in English and Spanish at 402-763-4100.

College Visits for Seniors

Seniors are urged to visit colleges during vacations or teacher instructional prep days. Parents/Guardians of seniors who wish to visit a college on days when school is in session must call in advance to inform the school in order to be excused. Contact should also be made with students' teachers so arrangements can be made in advance for collecting and completing homework during such an absence. See "Make up work due to absence" for further information.

Discontinuing Enrollment - 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

(<https://www.education.ne.gov/aded/pdfs/NebraskaWithdrawalFromMandatoryAttendanceForm.pdf>) (Board Policy 5001)

Lunch Skips

A "lunch skip" is when a student who is not a senior with off-campus lunch privileges leaves the building without a parent or guardian physically coming into the attendance office and signing them out. Students who skip lunch may have consequences/interventions assigned such as car/bag searches, loss of privileges, detention(s), support group, suspension, up to mandatory reassignment from Ralston High School.

Students who have permission to leave campus for lunch (seniors with open lunch or those with *pre-arranged* appointments/parent pick-up) are expected to be on time for class following the lunch period.

Prearranged / Extended Absences

Parents/Guardians must call the attendance office in advance of a planned extended absence from school, or as soon as possible in an emergency situation. Written notes will not be accepted. The attendance line is available 24 hours a day with voice mail in English and Spanish at 402-763-4100. Contact should also be made with students' teachers so arrangements can be made in advance for collecting and completing homework during such an absence. See "Make up work due to absence" for further information.

Students who need to miss the last 3 days of any term need to have administrative pre-approval in order to make up any missed final exam.

State Meet and Tournament Absences

Students wishing to attend a state meet or tournament must have a parent/guardian call and give permission unless otherwise directed. Students are expected to keep up with any class assignments missed and are responsible for making arrangements with their teachers in advance for collecting and completing homework for such absences. See "Make up work due to absence" for further information.

Unexcused Absences/Class Skip

Students are expected to attend all of their classes each day unless excused by a parent/guardian or the student is on a school-sponsored activity. Students who miss class unexcused (class skip) will be subject to consequences/interventions such as car/bag searches, loss of privileges, homeroom intervention, detention(s), suspension, loss of class credit, up to mandatory reassignment from Ralston High School.

REPORTING ABSENCES

When a student is absent from school, a parent or guardian of that student must call the school attendance number (402-763-4100) by 8:30 a.m. on the day of the absence. **Failure to call will result in the absence being recorded as unexcused. The absence will remain unexcused unless the parent/guardian calls the school by 3:00 p.m. of the school day following the day the absence occurred. NOTES WILL NOT BE ACCEPTED.** Messages can be left 24 hours a day on voice mail.

TARDY PROCEDURES

Punctuality is a life skill valued by employers and society at large. In order to minimize disruptions to learning and to help students learn lifelong skills, Ralston High School expects students to be on time for school and on time for individual classes.

1. Students who are tardy to class will be marked accordingly by the teacher in attendance.
2. Any student who is more than 20 minutes late to a class period will be required to check in with the attendance office to receive an office pass to class.
3. Parents will receive frequent communication as students accumulate tardies to classes.
4. Tardies to classes will be handled in the following way
 - Each time the student is tardy the teacher will conference and problem solve with the student. Teachers may assign consequences.
 - Parent/Guardian listed as the primary contact will receive an email alert informing them of the tardy.
 - Consequences may include loss of privileges, detention(s), suspension, and/or mandatory reassignment from Ralston High School will be assigned to students who accumulate multiple tardies to classes within a term.

SKIPPED DETENTION

Students who miss an assigned detention may earn additional consequences up to and including mandatory reassignment from Ralston High School.

Such actions may include, but need not be limited to, counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other consequence authorized by law. Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or their parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be

determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what they are accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.

Such action may be modified or terminated by the school district at any time during the expulsion period.
2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion

In the event it is appropriate to consider the extension of an emergency exclusion (exclusion) of a student for more than five school days. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for five school days on an emergency basis. Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.

The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in their sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and their parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and their parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify.

Sworn or Affirmed Testimony. The principal or their designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of their findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. They shall have the decision delivered or sent by registered or certified mail to the student, the student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

DISCIPLINE FOR OFF-CAMPUS BEHAVIOR

Students are not allowed to have headphones in their ears during class time, as it distracts from learning and teaching. Students will be required to keep phones turned off and in backpacks or turned into the phone holder in the classroom upon entering. Students may not keep phones on their desks or on their laps. Phones can be used inappropriately as tools for cheating, and this ensures all students have a fair and equitable experience.** The following rules will govern the use of electronic devices at the high school:

1. Students must follow the school electronic policy as stated above. Staff may confiscate electronic devices and or headphones if students fail to comply with those expectations. Students who refuse to turn their electronic devices over to the teacher will be sent to the administrator's office and a parent will be contacted.
2. Electronic devices may be used before and after school, during lunch, and during passing periods.
3. Electronic devices may NOT be used in the theater, when guest speakers are presenting, during school assemblies or other times as announced.

4. Students must discontinue use of any electronic device when so instructed by any staff member at any time during the school day;
5. Electronic devices that are confiscated by staff will be returned to the student at the end of the class period.
6. The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct. Any student found to be in possession of obscene, pornographic, lewd, or otherwise illegal images or photographs will be promptly referred to law enforcement and/or other state or federal agencies, which may result in arrest, criminal prosecution and possible inclusion on sex offender registries.

EXPECTATIONS OF COMPLIANCE

It is the expectation that all students follow the explicit directives of the school staff. Any student who willfully disregards directives is subject to disciplinary action.

It is also the expectation that students will engage respectfully and answer direct questions from staff members. Students who fail to properly identify themselves to staff members when asked are demonstrating noncompliance.

Students who ignore directives or are non-compliant will be subject to consequences up to and including mandatory reassignment from Ralston High School.

FIGHTING

Fighting (verbal or physical) or instigating a fight will not be tolerated. Being involved in a fight may result in consequences up to and including reassignment/expulsion and legal authorities being involved.

FIRE AND DISASTER DRILLS

We at Ralston High School take the safety and security of our students and staff very seriously. As a result, we have instituted a safety plan that we feel will be very beneficial in the event that an emergency situation would occur at any of our schools. Included below, you will find a web link for the safety system referred to as the Standard Response Protocol or SRP. The SRP system has been incorporated into several school districts in the Omaha Metro area. Currently all Sarpy County schools have implemented some form of SRP into their current safety plans as well as some Douglas County schools.

At RHS we will practice evacuation drills, sheltering in place drills, and lockdown/lockout drills over the course of the school year. We provide this information to you so you have knowledge of our plan and have an idea of how our school will respond in the case of an emergency.

We also have included a listing of our reunification site in case we would need to evacuate RHS. While we hope that these plans will not have to be used, we will continue as a school to prepare as best we can for an emergency event.

Reunification Plan for Ralston High School

In the event of an emergency that would require the evacuation, RHS students and staff would report to the reunification sites listed below. If an emergency were to occur we would attempt to communicate with our parents through the use of our mass call/email/text program to provide updates along with instructions on how best to help us navigate the emergency. We will need to account for each student during the time of reunification, please prepare yourself mentally that there will be a check-out procedure for each student that we will run as efficiently as possible. While we hope that we will never have to use this reunification plan, we feel that preparation is the key to best managing an emergency event.

BULLYING (Policy 5054)

Definition of Bullying. The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The District's administrators are authorized to use both of these definitions to determine whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

Bullying Prohibited. Students are prohibited from engaging in any form of bullying behavior.

Disciplinary Consequences. The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or their designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district's day-to-day operations, or the education process, regardless of where the student is at the time of engaging in bullying behavior, may be subject to discipline to the extent permitted by law.

Sexual Discrimination and Sexual Harassment of Students ([Policy 5026](#))

- I. Sex Discrimination
 - A. The district prohibits discrimination on the basis of sex in any educational program or activity except when it is necessary to accomplish a specific purpose that does not impinge upon essential equality or fairness in the treatment of students or employees. Employees are required to comply with this policy as well as with Title IX of the Education Amendments of 1972 and the regulations of the U.S. Department of Education as applicable to this district.
 - B. Any individual who believes they are being discriminated against on the basis of race, color, national origin, sex (including pregnancy), gender identity, gender expression, sexual orientation, religion, marital status, disability, age or any other classification protected by applicable local, state, or federal laws may seek relief by filing a complaint pursuant to the board's complaint policy or contacting the district's Title IX coordinator.
- II. Sexual Harassment

The board of education unequivocally prohibits sexual harassment of its students, even when the affected student does not complain to the faculty or the administration.
 - B. Sexual harassment is a form of misconduct that wrongfully deprives students of their dignity and the opportunity to study and be in an environment free from unwelcome sexual overtones. Sexual harassment includes all unwelcome sexual advances, requests for sexual favors and other such verbal or physical misconduct. Sexual harassment means:
 - C. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical misconduct of a sexual nature constitutes sexual harassment when such conduct has the purpose or effect of unreasonably interfering with an individual's educational opportunities or creates an intimidating, hostile or offensive learning environment.
 - D. A student who feels they have been sexually harassed should directly inform the offending student that the conduct or communication is offensive and must stop. If the student does not wish to communicate directly with the offending student, or if direct communication has been ineffective, the student should report the conduct or communication to the Title IX coordinator or to a teacher, principal or counselor with whom they feel comfortable.
 - E. Retaliation against students who make good faith reports of sexual harassment is prohibited.
- III. Disciplinary Decisions

- A. A decision to take disciplinary action under this policy may be based on the statements of a complaining student, statements, observations of educators, or any other credible evidence.

- C. Any student who sexually harasses another student will be subject to discipline up to and including expulsion, depending on the severity of the misconduct, as established in the district's student discipline policy.

HEALTH SERVICES AND REGULATIONS

MEDICAL

A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

-Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.

-When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used. The person picking up the student must do so **within one hour of being contacted.**

-If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents' expense, and the student will be transported to the nearest hospital.

-Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

FIRST AID

The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents.

IMMUNIZATIONS

Nebraska School Law (79.217-223) requires that all students be immunized against diphtheria, pertussis, tetanus, poliomyelitis, measles, rubella, mumps, Hepatitis B, and 2 doses or year of infection for Varicella **PRIOR TO ENROLLMENT**. Affidavits for religious or medical reasons are available in the school office.

All students will need to have on file at least 3 DTP, 3 Polio, and 2 doses of MMR (Measles, Mumps, and Rubella) immunizations; 3 doses of pediatric hepatitis B vaccine, or, if the alternate hepatitis B vaccination schedule is used, 2 doses of a licensed adult hepatitis B vaccine specified for adolescents 11-15 years of age, 2 doses or year of infection for varicella (chickenpox).

Kindergarten, seventh grade and all out-of-state transfer students are required to have dates on file for the following immunizations: 3 DTP, 3 Polio, 2 MMR, 3 Hepatitis B, 2 doses or year of infection for varicella (chickenpox). 7th Graders are required to have an additional Tdap booster (contains Pertussis booster).

Please review your child's records to make sure your child has obtained the needed immunizations prior to enrollment. Please check with your child's physician or contact the Douglas County Health Department for information on immunization clinics that are available (444-7213). You may also contact the school nurse if you have questions regarding the law or need assistance in getting your child's immunizations.

Nebraska School Law dictates that your child will not be able to enroll unless dates of immunizations are provided to the school at the time of enrollment.

MEDICATION

Administering Medication to Students

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.

2. Nonprescription/over-the-counter medication.

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication. These include, but are not limited to, pain relievers, cold medicine, allergy medicine, etc..
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will be kept in the Health Office.
- d. The container must be labeled with the child's name and with directions for provision or administration of the medication.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication leftover, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

PHYSICAL EXAMINATIONS

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is an objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

CHRONIC CONDITIONS

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

COMMUNICABLE DISEASES

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

SUMMARY OF COMMUNICABLE DISEASES AND CONTAGIOUS CONDITIONS

Fever

Children will be sent home if they have a fever of 100 degrees or higher. Children must be fever free for 24 hours prior to returning to school with no medication given.

Vomiting

Children will be sent home if they vomit due to illness. Children must be free from vomiting for 24 hours prior to returning to school.

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned not to send children back to school too soon as complications such as ear infections leading to

hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)

Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from the physician or phone call from the doctor's office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin and/or eggs are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. Eggs must be removed prior to the child returning to school. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

DUE TO COVID-19, THERE MAY BE CHANGES TO CURRENT PRACTICES AS WE GET CLOSER TO THE UPCOMING SCHOOL YEAR.

HOMEROOM

Each student will be assigned to a Homeroom led by a certified teacher. All students are expected to report to Homeroom. The homeroom groups will meet regularly once a week for activities that include, but are not limited to: character development and career planning curriculum, team-building activities, "housekeeping" activities such as announcements and voting (class officers, dance royalty, etc.), and registration for the following year's courses. Attendance is required for homeroom as it would be for any other scheduled class and consequences assigned accordingly for tardies and/or failure to attend.

IDENTIFICATION CARDS

All Ralston High School students will be issued an ID Card. The unaltered ID card will be used for student identification, activity card status, lunchroom account use, library use, and other

general purposes at school and school events. These pictured cards will be issued at no cost. All ID Cards are the property of RHS and are kept by the student until the end of the school year.

All students must have the ID Card in their immediate possession when they are in school or at school events. This may include hanging from a lanyard worn around the neck, in a purse or wallet, or in the student planner or notebook. Students must present their ID when requested to do so by a staff member. Students without an unaltered ID Card or students refusing to show an ID Card to a staff member may be referred to the office for administrative disciplinary action.

Students will be expected to show their ID at the security camera when requesting access to secured doors during the school day. Students will also be expected to use their ID in the cafeteria. Those who fail to carry their ID card when entering the cafeteria will be expected to wait at the end of the line and utilize a specified checkout station so identity can be verified prior to funds being charged. Students who have their ID will be allowed to access the serving area first and scan their cards at checkout stations for faster service.

Lost cards should be reported to the main office and a replacement will be issued for a charge of \$5.00. New lanyards can be purchased for \$1.00.

3. Juniors must have 20 hours of approved community service turned in by mid October; Seniors, 30 hours.
4. Student must acquire validation of outstanding leadership and character on forms filled out by adult leaders.

PARKING

Students are allowed to park in the East parking lot in designated areas with a parking permit. Students are **NOT** allowed to park in the staff lot or other non-designated areas around the building.

To secure a permit for a parking space, students must show a driver's license, complete an application, and purchase a permit for \$5.00. The parking permit must be visible from the aisle. The car will be ticketed if parked in a non-designated area and if the permit is not displayed. Failure to pay fines within one month may result in the parking privilege being revoked. The permit is valid only for the vehicle for which it is issued. Disregarding parking areas or willful reckless driving may result in ticketing, towing, or loss of parking privileges.

Students should keep cars locked at all times. The school cannot assume any liability for damage or theft to vehicles parked on school property.

PASSES

Passes are issued to students by staff at their discretion. In order to obtain a pass from a teacher, students must turn their phone into the phone holder or to the teacher. This ensures students are not meeting friends in the restroom for unintended purposes. Passes are only for the intended destination (i.e. bathroom, nurse, counselor, office). Passes may be restricted based on misuse or repeated rule violations. Students found in the hallway without a valid pass from a staff member or in an unauthorized or unapproved area will be subject to disciplinary action as determined by the administration.

PERSONAL PROPERTY, STUDENTS

The school does not assume responsibility for lost or stolen personal property. A report may be filed with the school resource officer.

PHYSICAL EDUCATION, MEDICAL EXCUSES

Any student who must be excused from physical education classes for a day must secure a medical excuse form from the school nurse prior to the period to be missed. Parent/Guardian permission must be given. The student must attend the class period, but need not follow the rigorous activities for the day. Students who miss physical education classes in such fashion may lose points and/or be expected to make up the missed time.

PLAGIARISM

Plagiarism is a form of copying another's work and using it as one's own. Plagiarism shall be considered an academic offense in any Ralston High School class. Any student found guilty of plagiarism shall be penalized. Penalties may include a failing grade for the assignment and other appropriate consequences.

Examples of plagiarism:

- Copying and pasting a passage of text unchanged from an internet or online resource without citing the source.
- Copying slides from another student's PowerPoint and including them in your project.
- Copying pictures from Google Images and inserting those into your paper or project without citing the source (photographer's credit or location where the picture was found).
- Copying word-for-word from a printed resource (encyclopedia, magazine, etc.) and claiming it as your own.
- Copying an idea or format for a story or poem and claiming it as your own.

POSSESSION OR USE OF TOBACCO PRODUCTS

The use or possession of any tobacco products, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time (Policy 3016).

Any student caught in violation of this policy may be assigned consequences up to and including mandatory reassignment from Ralston High School. Additional disciplinary action may be invoked for students involved in extracurricular activities or athletics (refer to the activities/athletic portion of the handbook).

POSSESSION OR USE OF ALCOHOL AND/OR OTHER DRUGS (Policy 5035)

When a student is found using, possessing or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-alikes either at school or at school related functions, whether they take place during the school day or at sporting events, dances, plays, intramurals, or retreats held outside the school day, on or off campus, the following disciplinary actions may be taken and law enforcement notified.

1. **Sanctions on School Grounds or at School Events**
 - a. **First Offense**. Suspension from school for 5-19 days. Parents/Guardians, at their own expense, may choose to enroll their student in a District approved drug/alcohol education program. Legal authorities will be contacted. (79-293 Reissue 1996)
 - b. **Second Offense**. Mandatory reassignment/expulsion. Legal authorities shall be contacted. (79-267(6), 293 Reissue 1996).

POSTERS, SIGNS and PUBLICATIONS

A sponsor and an administrator must approve all posters, signs and publications before they can be displayed or distributed. Display areas are provided. ONLY painter's tape may be used to hang posters in the building.

R-KIDS

RKIDS is the school management portal for student information. Parents will be provided a username and password for their student's RKids account. Parents are encouraged to monitor their student's progress. Parent may contact the main office to set up an RKIDS account to access students' grades, assignments, and attendance.

RESTROOM EXPECTATIONS

Stalls are for single use only and may not be occupied by more than one person at a time. In order to ensure safety and proper use of the restrooms, there is a maximum of 6 people in a restroom, with the understanding that others need to use the facility, which should not be used for eating, drinking, or socializing. Food and drink are NOT permitted in the bathroom. Cell phone usage is not permitted in the restroom.

SCHEDULE CHANGE AND WITHDRAWAL FROM CLASS

Due to the time spent with the Individual Learning Plans and the focus spent on planning for a career, along with the commitments to hiring and resources being based on students' course requests, there are only a few ways a schedule will be changed: if there is an irresolvable conflict caused by the master schedule; if there was an "F" in the specific curriculum area on the previous report card; if a student picks up an approved class from Metro, UNO, or an internship; if the student is scheduled into a course for which credit was previously earned; if a course has been scheduled out of sequence (ex. French 2 before French 1); if a Senior is missing a class required for graduation. These changes *should* be made in advance of the start of the term, but must otherwise be made within the first TWO DAYS of the term.

Students' schedules will not be changed to secure a late start/early release or to leave early for work; to request a specific teacher; drop a semester/year long course prior to completion; to request a specific lunch period; to match a friend's schedule; drop a course that was requested to improve GPA and/or take a different course to raise GPA; drop a course to sign up for an online class instead; or drop a course that was requested because the student no longer "needs" the credit or has "lost interest" (students are encouraged to take a full load of classes to earn more than the minimum 240 credits required for graduation). Any requests for such schedule changes need to be directed to the counseling department prior to August 1.

After the second day of class, consideration will be given only to students who are academically misplaced. In rare circumstances during a term, a parent may wish to withdraw

their student from a class against the educational recommendations of the high school counseling staff and administration. These students will be dropped with a “WF” for the term that counts against the student’s grade point average.

Please note: Seniors must be enrolled in 3 out of 4 class periods per day (plus Homeroom) in order to be eligible for many commencement honors, scholarships, college admission and or varsity athletic participation. It is ultimately the student and parent/guardian’s responsibility to ensure the student is enrolled in and participating in the number of courses required for these purposes.

SECURITY AND SAFETY

The Ralston High School administration and staff take building security very seriously. To ensure that our building is as safe as possible, the following behaviors and actions will not be tolerated:

- Propping open external doors
- Letting people into the building by opening a door - all students who arrive after the start of the school day, as well as all visitors to the building, are expected to enter through the front security entrance. Any student who lets another person (whether it be a student or visitor) into the building by bypassing this system is in direct violation and will face disciplinary action
- Using non-approved exits from the building for open campus privileges
- Concealing or restricting one's appearance with hoods, non-medical face coverings, etc
- Students who are in unsupervised areas that are not intended to be occupied
- Other behaviors or actions that could potentially compromise the integrity of the building's safety

Violations could result in consequences up to and including mandatory reassignment from Ralston High School.

SIXTH GRADE OUTDOOR EDUCATION COUNSELOR

Students may be ineligible to participate in the Outdoor Education experience if, during the present or previous semester, they were suspended. Attendance and academics must be in good standing.

SKATEBOARDS

Skateboards are not permitted in the building. Students who bring skateboards to school will be required to check them into the office or store them in their locker immediately upon arrival. Skateboards are not allowed to be ridden outside on the sidewalk or in the parking lot.

TELEPHONES

There is a dedicated phone for student use in the counseling office.

TESTING POLICY OF RALSTON PUBLIC SCHOOLS (Policy 6004)

Ralston Public School follows the required state guidelines for standardized testing. The Board of Education shall receive an annual written report consisting of the results of all components of the school system performance program including, but not limited to, standardized norm-referenced assessments, criterion-referenced assessments, student performance, school system demographics, financial information, follow-up studies of graduates, and learning climate surveys. These reports shall be made available to all patrons of the district.

Copies of the most recent standardized and criterion-referenced tests used in the district will be available for parental/guardian review. Requests should be made to the building principal. In the case of secure tests, such as the ACT, parents/guardians must contact the publisher.

1. Parents/guardians may obtain individual test results of their child by contacting the teacher or building principal.
2. Building principals will excuse a student from specific tests through a written request by the student's parents/guardians when they object on political, moral, or religious grounds.

Parents may opt their student(s) out of mandated assessments. To opt out of a state mandated assessment a parent/guardian must provide a written notification to the school principal prior to the beginning of the assessment window.

THEFT

Any theft or attempted theft of school, student, or school employee property that occurs on school grounds or at a school activity may result in consequences including, but not limited to suspension and/or recommendation for reassignment or expulsion. Legal authorities will be contacted.

TRANSFER OR WITHDRAWAL FROM SCHOOL

If a student moves to another city, transfers to another school, or withdraws, they must obtain a withdrawal slip from the office. All textbooks and other materials belonging to the school must be checked in and fees paid before the student is released. School files or records concerning a student will be provided at no charge, upon request of the principal, to any public or private school to which the student transfers.

VENDING MACHINES

Vending machines are placed in the building for students' convenience. **Ralston High School is not responsible** in any way for the machines' malfunctions. Students are expected to dispose of containers and wrappers in the waste receptacles provided. There are no refunds given on machine malfunctions.

Students who are not assigned for intervention will be in extensions or study halls. Students must attend WIN time.

ACTIVITIES AND ATHLETICS

Extracurricular Activity Philosophy

Extracurricular activity programs enrich the curriculum of the school by making available a wide variety of activities in which a student can participate. Extracurricular activity programs are considered an integral part of the school's program of education that provide experiences that will help students physically, mentally and emotionally.

The element of competition and winning, though it exists, is controlled to the point it does not determine the nature or success of the program. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. Students are stimulated to want to win and excel, but the principles of good sportsmanship prevail at all times to enhance the educational values of contests. Participation in activities, both as a competitor and as a student spectator, is an integral part of the students' educational experiences. Such participation is a privilege that carries with it responsibilities to the school, team, student body, community and the students themselves. In their play and their conduct, students are representing all of these groups. Such experiences contribute to the knowledge, skill and emotional patterns that they possess, thereby making them better individuals and citizens. Students who participate in extracurricular activities are subject to the rules, regulations, and stipulations in the entire student handbook. Students who violate the student handbook and/or the law of the state of Nebraska are subject to consequences up to and including not being allowed to participate in extracurricular activities.

All students who participate in extracurricular activities must purchase a Student Activity Ticket. These cards are not transferable and refunds will not be made. Students abusing the use of these cards may lose their privileges. Lost cards should be reported to the office and a new one will be issued for a charge of \$5.00. The cost of a card is \$50.00 per year. The \$50 activity fee can be waived for students who are on the free and/or reduced lunch program. Students who wish to waive this fee must have the proper paperwork on file in the Principal's office.

STUDENT ELIGIBILITY

Ralston High School adheres to the policies of the Nebraska State Activities Association (NSAA) in relation to student eligibility for NSAA sanctioned sports and activities. Those requirements are listed below with references to where the requirement can be found in the NSAA activity by laws.

In order to represent a Nebraska High School in interscholastic activities competition, a student must abide by the eligibility rules of the Nebraska School Activities Association. A summary of the major rules is given below. Contact the principal or activities director for an explanation of the complete rule.

2.2.1 Student must be a bonafide student of their member school and have not graduated from any high school. 2.2.2 After a student's initial enrollment in grade nine, they shall be ineligible after eight semesters of school membership beginning with their enrollment in grade nine. 2.3 Student is ineligible if nineteen years of age before August 1 of the current school year. (Students in grades 7 or 8 may participate on a high school team if they were 15 years of age prior to August 1 of the current school year.) 2.4.1 Student must be enrolled in some high school on or before the eleventh school day of the current semester. 2.5.1 Student must be continually enrolled in at least twenty credit hours per semester and regular in attendance, in accordance with the school's attendance policy at the school they wish to represent in interscholastic competition. 2.5.2 Student must have been enrolled and received twenty hours of credit in school the immediate preceding semester. 2.6.2.1 Guardianship does not fulfill the definition of a legal parent. If a guardian has been appointed for a student, the student is eligible in the school district where their legal parent(s) have their domicile. Individual situations involving guardianship may be submitted to the Executive Director for review and a ruling. 2.6.3 A student entering grade nine for the first time after being promoted from grade eight of a two-year junior high, or a three-year middle school, or entering a high school for the first time after being promoted to grade ten from a three-year junior high school is eligible. After a student makes an initial choice of high schools, any subsequent transfer, unless there has been a change of domicile by their parents, shall render the

student ineligible for ninety school days. If a student has participated on a high school team at any level as a seventh, eighth, or ninth grade student, they have established their eligibility at the high school where they participated. If the student elects to attend another high school upon entering ninth or tenth grade, they shall be ineligible for ninety school days. Student eligibility related to domicile can be attained in the following manners: 2.6.9.1 If the change in domicile by the parents occurs during a school year, the student may remain at the school they are attending and be eligible until the end of the school year or transfer to a high school located in the school district where the parents established their domicile and be eligible. 2.6.9.2 If the domicile is changed during the summer months and the student is in grade twelve and the student has attended the high school for two or more years, the student may remain at the high school they have been attending and retain eligibility. 2.6.9.3 If a student elects to remain at the high school where they initially enrolled after being promoted from grade eight of a middle or junior high school, or grade nine of a junior high school, they are eligible at that school, or are eligible at a high school located within the school district in which the parents established their domicile. 2.6.10 If the legal parents of a student change their domicile from one school district that has a high school to another school district that has a high school, the student shall be eligible immediately in the school district where the parents established their domicile. 2.7.7 Nebraska transfer students whose name appears on the NSAA transfer list prior to May 1 shall be eligible immediately in the fall. Those students whose name does NOT appear on the NSAA transfer list prior to May 1 shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines. 2.7.8 Nebraska transfer students must have signed and delivered all forms necessary to make such a transfer to the school in which they intend to enroll for the 2023-24 school year prior to May 1, 2023; for the student to be eligible. The school to which the transfer is being made must have notified the NSAA office via an NSAA online transfer form, no later than May 1, 2023. The student would become ineligible for ninety school days the next fall if the student were to change their mind and decide not to transfer. If such student were to transfer to the new school, but later decides to return to their former district before 90 school days have elapsed, such student will be ineligible in the former district for 90 school days, with the ineligibility period commencing at the start of the fall semester. Those students who did not have their enrollment forms signed, delivered and accepted prior to May 1, 2023, shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines. 3.5 / 3.1 Once the season of a sport begins, a student shall participate in practices and compete only in athletic contests/meets in that sport, which are scheduled by their school. Any other competition will render the student ineligible for a portion of, or all of, the season in the sport. The season of a sport begins with the first date of practice as permitted by NSAA rules. 3.5.1 During the season of a particular sport, athletes participating in that sport for a high school may attend, but may not physically take part, either as an individual or as a member of a team, in the sport activity in which instruction is being offered in the clinic, camp or school. *(Refer to 3.5.1.1 for exceptions in Swimming & Diving.) 3.6 A student shall not participate on an all-star team while a high school undergraduate. 3.7 A student must maintain their amateur status.

Further explanation of NSAA eligibility rules can be found at nsaahome.org. Parents/guardians and students can also contact the AD office at Ralston High School for clarification of any NSAA by-laws.

RISK OF INJURY WARNING

The purpose of this WARNING is to bring to your attention the existence of potential dangers associated with athletic and activity participation. Participation in any sport and/or activity may involve injury of some type. The severity of such injury can range from minor cuts, bruises, sprains, and muscle strains to more serious injuries to the body, bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck, and spinal cord. On rare occasions, injuries can be so severe as to result in total disability, paralysis, or death. Even with the best coaching, the use of the best protective equipment and the strict observance of guidelines, injuries are still a possibility.

It is understood that if an Inhaler/EpiPen needs to be accessible, it will be the student's responsibility to provide a separate Inhaler/EpiPen which will be kept with the coach's first aid supplies or training staff until the end of that sports season.

Academics and Activities

Students who are involved in NSAA sports and/or activities are subject to academic participation rules. In addition to requirements by the NSAA, Ralston High School has established the following academic and behavior requirements for students involved in NSAA sports and activities (Other clubs and activities may also adopt these rules for participation).

Grade reports are received by the AD office every Thursday night. Students who are currently in an NSAA sport or activity will be notified on Friday that they are failing one class and have the option of attending an activities study hall on Wednesday morning and/or Friday after school (coaches and sponsors can require students to attend).

Students who are failing any two classes will be notified that they are on academic probation and are required to attend at least one study hall each week until they are passing all classes (Coaches and sponsors can require students to attend both study halls).

Students who are failing any two classes for two weeks will be notified that they are ineligible starting on Wednesday of the following week to participate in any contests or events until the student is passing at least one of those classes. Once the student satisfies the AD or their designee that they are not failing more than one class the student is immediately eligible. The failing classes do not have to be the same classes. For example, if a student is failing math and science one week, and then government and science the next week, they still fall under the rule for failing two classes for two weeks.

Students who are failing any three classes at the time of any grade report will be notified that they are ineligible starting the Wednesday of the following week unless they satisfy the AD or their designee that they are passing at least two of those three classes.

Coaches will be aware of student attendance. Students who skip (absent unexcused) a class or classes cannot practice or participate in any event that same day. Students who have excessive unexcused absences or tardies are subject to team discipline by the coach/sponsor and may also be subject to discipline from the AD office that includes but is not limited to attending the activities study hall, being held out of practice(s), and/or not being allowed to participate in games or events.

All students who participate in activities and or sports are subject to the student handbook. Any office referrals or other disciplinary action during the school day can also affect a student's status with the team or activity that the student participates in.

Students who are declared ineligible for academic or attendance reasons will be notified as will their parent or guardian.

CODE OF CONDUCT

The Code of Conduct applies to all extracurricular activities. Extracurricular activities means student activities or organizations which are supervised or administered by the school district which do not count toward graduation or grade advancement and in which participation is not otherwise required by the school.

Extracurricular activities include but are not limited to: all sports, cheerleading, dance team, vocal music, band, speech, drama, FCCLA, Spanish Club, Art Club, Student Council, National Honor Society, DECA, HOSA, Green Club, Math Club, French Club, ACADEC, Key Club, class officers,

FCA, Color Guard, Thespians, Robotics and other school sponsored organizations and activities. The Code of Conduct also applies to participation in school sponsored activities such as school dances and royalty for such activities.

A participant means a student who participates in, has participated in, or will participate in an extracurricular activity.

When: The Code of Conduct rules apply to conduct which occurs at any time during the school year, and also includes the time frame which begins with the official starting day of the fall sport season established by the NSAA and extends to the last day of the spring sport season established by the NSAA, whether or not the student is a participant in an activity at the time of such conduct.

The rules also apply when a student is participating or scheduled to participate in an extracurricular activity that is held outside the school year or the NSAA season. For example, if an FBLA or FCCLA student plans to participate in a conference in July and commits a Code of Conduct infraction in June, the student may be suspended from participating in the conference. Conduct during the summer months may also affect a student's participation under the team selection and playing time guidelines.

Where: The Code of Conduct rules apply regardless of whether the conduct occurs on and off school grounds. If the conduct occurs on school grounds, at a school function or event, or in a school vehicle, the student may also be subject to further discipline under the general student code of conduct. A student who is suspended or expelled from school shall not be permitted to participate in activities during the period of the suspension or expulsion, and may also receive an extended activity suspension. Students who are under an expulsion that continues into the next school year will not be allowed to participate in summer workouts and/or other activities connected to the school during the summer months.

Grounds for Extracurricular Activity Discipline. Students who participate in extracurricular activities are expected to demonstrate cooperation, patience, pride, character, self respect, self-discipline, teamwork, sportsmanship, and respect for authority. The following conduct rules have been established to be reasonably necessary to aid students, further school purposes, and prevent interference with the educational process. Such conduct constitutes grounds for suspension from participation in extracurricular activities and grounds for other restrictions or disciplinary measures related to extracurricular activity participation:

1. Willfully disobeying any reasonable written or oral request of a school staff member, or the voicing of disrespect to those in authority.
2. Use of violence, force, coercion, threat, intimidation, harassment or similar conduct in a manner that constitutes a substantial interference with school or extracurricular activity purposes or making any communication that a reasonable person would interpret as a serious expression of an intent to harm or cause injury to another.
3. Willfully causing or attempting to cause substantial damage to property, stealing or attempting to steal property, repeated damage or theft involving property or setting or attempting to set a fire of any magnitude.
4. Causing or attempting to cause personal injury to any person, including a school employee, school volunteer, or student. Personal injury caused by accident, self-defense, or other action undertaken on the reasonable belief that it was necessary to protect another person shall not constitute a violation.
5. Threatening or intimidating any student for the purpose of, or with the intent of, obtaining money or anything of value from a student or making a threat which causes or may be expected to cause a disruption to school operations.

6. Knowingly possessing, handling, or transmitting any object or material that is ordinarily or generally considered a weapon or that has the appearance of a weapon, or bringing or possessing any explosive device, including fireworks, on school grounds or at a school function or event, or in a manner that is unlawful or contrary to school activity rules.
7. Selling, using, possessing or dispensing alcohol, tobacco, narcotics, drugs, a controlled substance, or an inhalant; being under the influence of any of the above; possession of drug paraphernalia, or the selling, using, possessing, or dispensing of an imitation controlled substance as defined in section 28-401 of the Nebraska statutes, or material represented to be alcohol, narcotics, drugs, a controlled substance or inhalant. Use of a controlled substance in the manner prescribed for the student by the student's physician is not a violation. (Note: Refer to "Drug and Alcohol Violations" for further information).
8. Public indecency.
9. Sexual assault or attempting to sexually assault any person. Engaging in sexual conduct, even if consensual, on school grounds or at a school function or event.
10. Engaging in bullying, which includes any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or a school employee's designee, or at school-sponsored activities or school-sponsored athletic events;
11. Engaging in any activity forbidden by law which constitutes a danger to other students, interferes with school purposes or an extracurricular activity, or reflects a lack of high ideals.
12. Repeated violation of any of the school rules.
13. Truancy or failure to attend assigned classes or assigned activities; or tardiness to school, assigned classes or assigned activities.
14. The use of language, written or oral, or conduct, including gestures, which is profane or abusive to a school employee, school volunteer, or student. Profane or abusive language or conduct includes, but is not limited to, that which is commonly understood and intended to be derogatory toward a group or individual based upon race, gender, national origin, or religion.
15. Dressing or grooming in a manner which is dangerous to the student's health and safety or a danger to the health and safety of others or repeated violations of dress and grooming standards; dressing, grooming, or engaging in speech that is lewd or indecent, vulgar or plainly offensive; dressing, grooming, or engaging in speech that school officials reasonably conclude will materially and substantially disrupt the work and discipline of the school or of an extracurricular activity; dressing, grooming, or engaging in speech that a reasonable observer would interpret as advocating illegal drug use.
16. Willfully violating the behavioral expectations for those students riding Ralston Public School buses or vehicles used for activity purposes.
17. Failure to report for the activity at the beginning of the season. Reporting for one activity may count as reporting on time if there is a change in activity within the season approved by the coach or the supervisor.
18. Failure to participate in regularly scheduled classes on the day of an extracurricular activity or event.

19. Failure to attend scheduled practices and meetings. If circumstances arise to prevent the participant's attendance, the validity of the reason will be determined by the coach or sponsor. Every reasonable effort should be made to notify the coach or sponsor prior to any missed practice or meeting.

20. All other reasonable rules or regulations adopted by the coach or sponsor of an extracurricular activity shall be followed, provided that participants shall be advised by the coach or sponsor of such rules and regulations by written handouts or posting on bulletin boards prior to the violation of the rule or regulation.

21. Failure to comply with any rule established by the Nebraska School Activities Association, including, but not limited to, the rules relating to eligibility.

All terms used in the Code of Conduct have a less strict meaning than under criminal law and are subject to reasonable interpretation by school officials.

REGULAR SCHOOL ATTENDANCE

Students who participate in clubs, activities, and athletics are expected to have a good attendance record at school. Unexcused absences from school and classes, and/or excessive tardies, and/or lunch skips may lead to consequences in relation to participation in extracurricular activities. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation, and possible removal from the team or activity. The previous list is not all-inclusive and are in addition to the policies of the coach or sponsor. Decisions on consequences will be made by the activities director in consultation with the coach or sponsor. A parent/guardian will be informed of decisions regarding consequences related to extracurricular activities.

Students are expected to attend practices, meetings, events, and other activities related to their particular extracurricular activity. Each coach and sponsor will have attendance policies and participants are subject to those policies.

ABSENCE AND ACTIVITY PARTICIPATION

Students may not participate in a school activity or practice unless they have been in attendance for periods 3, 4, and 5 unless excused in advance for that school day by a parent and/or approved by an administrator. Some students may have "free periods" and those do not count against attendance in regard to activities. Any student unexcused for any part of the school day who is also a member of an extracurricular activity, club, or team will not be allowed to participate in the activity, club, or team performance or practice with their team that day without approval from an administrator.

ACTIVITIES, CONFLICT IN SCHEDULING

If a student is involved in 2 different school activities and if each activity has an event scheduled for the same time, then the student must choose the event in which to participate. This decision should be made after the student has consulted parents/guardians and the sponsors involved.

If one of the events is a state or district event, the student may be expected to participate in the state or district event.

BEHAVIOR IN SCHOOL

Students who participate in clubs, activities, and athletics, are expected to behave in school. Any student suspended from school is prohibited from participating in or attending any extracurricular activity or practice until the suspension is over. The student is also subject to additional consequences in relation to extracurricular activities. The participant may also be subject to consequences of the coach or sponsor per their expectations.

Poor behavior at school can lead to consequences in relation to extracurricular activities. Poor behavior may be just a single event or a series of events where a student has accumulated a number of referrals and/or demerits. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation for a specific period, removal from the team or activity, and/or suspension from attending or participating in extracurricular activities for up to one year. The previous list is not all-inclusive and is in addition to the policies of the coach or sponsor. Decisions on consequences will be made by the activities director, in consultation with the high school administration and the coach or sponsor. A parent/guardian will be informed of decisions regarding consequences related to extracurricular activities.

Students who participate in extracurricular activities are subject to the stipulations in the entire student handbook when participating in or attending any school event.

BEHAVIOR AT EXTRACURRICULAR EVENTS

Student participants in extracurricular activities are expected to follow the ideals of being respectful, being responsible, and being safe at all home and away events. Students and/or participants are expected to display good sportsmanship and respect opponents, officials, fans, and all participants. Students are subject to stipulations in the entire student handbook while participating or attending school events at home or away. Violation of any part of the student handbook may result in school consequences determined by the administration and/or consequences related to activities.

DRESS FOR EVENTS

Student participants in extracurricular activities are expected to dress appropriately when traveling to and from away events. In addition to being subject to the student dress code in the student handbook, participants are subject to the dress and grooming expectations of the head coach or sponsor. The same stipulations apply to home events.

TEAM PICTURES

Team and individual pictures are taken by a professional photographer and students, parents, and/or guardians can make the appropriate arrangements for purchase (generally an order form is given to the students). The photo sessions are scheduled between the coach or sponsor and the photographer. Students not in attendance the day of the scheduled photo shoot will not appear in the pictures.

SOCIAL MEDIA

Ralston High School recognizes the importance and power of social media. There are many ways social media can enhance the experience of participants in extracurricular activities. Ralston High School encourages the positive use of social media to promote students and activities.

The misuse of social media by students who participate in extracurricular activities is subject to consequences. Examples of misuse of social media include but are not limited to the following list.

1. Making profane or disparaging remarks about another student or students, a staff member, a sponsor or coach, or someone in the community.
2. Bullying another student or students, a staff member, a sponsor or coach, or someone in the community.
3. Use of language that is profane, sexist, racist, or otherwise disparaging to a certain group of people.
4. Sending out inappropriate pictures.
5. Use of social media for purposes that are in violation of the law.
6. Any other use of social media that a reasonable person could consider harmful to someone or to a group of people.

If it is brought to the attention of the AD office that there has been misuse of social media by a participant in extracurricular activities, an investigation will ensue and decisions will be made regarding consequences in consultation with the head coach or sponsor and the high school administrative team. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation, and removal from the team or activity. The previous list is not all-inclusive and are in addition to the policies of the coach or sponsor. A parent or guardian will be informed of any decision affecting a student's participation in extracurricular activities.

TOBACCO, VAPING

Per school board policy, Ralston High School is a smoke free campus. The use or possession of tobacco or vaping products by any student on campus or at any school event home or away is prohibited. The offending participant will visit with an administrator for school consequences. The student will not be able to participate in any practices or contests during any suspension, and cannot practice, attend, or participate in any event the day of the possession or use. Any student who receives consequences for vaping, tobacco use or having materials associated with vaping and/or tobacco at school or at a school event will not be allowed to practice or participate in any activities during the time period of school consequences and will be suspended for one contest and/or event in each activity the student is currently participating in. Any event missed during the school consequences will count toward the 1 event suspension. If a student is not currently in any activity the consequence will take place during the students next activity. Once the suspension is announced, the student cannot join an activity in order to fulfill the requirements of the suspension. If there are not enough competitions or events left for a student to fulfill the suspension requirement then the suspension carries over to the next season and/or activity. If a student is vaping and it is found that the vaping included the use of drugs the student is subject to the school and activity drug and alcohol procedures.

POSSESSION OR USE OF ALCOHOL AND/OR OTHER DRUGS

Student participants in extracurricular activities are subject to the student handbook and to the tobacco, drug, and alcohol policy contained therein. Students who participate in extracurricular activities are also subject to the athletic and activities portion of the handbook.

Any student who is participating in or plans to participate in any extracurricular activity and has been cited by the police for or found through investigation by school administration to have been using, in possession of, and/or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-a-likes either at school or at school sponsored functions, whether they take place during the school day or outside the school day, on or off campus is subject to the following consequences:

Suspension from attending and participating in any RHS activity sanctioned by the NSAA for a period that equates to 30% of each activities season that the student is currently participating in. If the activity includes competitions against other schools the student is suspended from 30% of the competitions instead of 30% of the season. This suspension can be reduced to 20% of the season or 20% of competitions if the student self-reports* and upon agreement to participate in a district approved evaluation and treatment program** at the expense of the student, parent, and/or guardian;

During the length of the suspension, the student is not allowed to attend any extracurricular activity as a spectator or participant;

If the student is out of season the consequences carries over to the next extracurricular activity in which the student participates;

If there is not enough season left to complete the suspension, the consequence carries over to the next extracurricular activity in which the student participates.

The student must complete all activities affected to the satisfaction of the sponsor or coach and activities director or the suspension starts over upon the next extracurricular activity in which the student participates;
The student may not join an activity once the suspension is announced in order to fulfill the requirements of the student's suspension.

Any student who is in an activity or activities that are not an NSAA sanctioned activity will be suspended from that activity for a period of 14 days; these 14 days must include at least 2 events or competitions. If there are not two events within the 14 day suspension the student will still be required to fulfill that part of the suspension even if the initial 14 days suspension has expired. Events do not include regular meetings. Events that qualify will be determined by the AD in conjunction with the sponsor. Students who are in an NSAA sanctioned activity and other activities will serve both suspensions.

Some activities may have additional consequences that are not listed in this handbook. Students who participate in such activities will be informed of those consequences by the activity sponsor.

Any student who participates in any extracurricular activities-and has been cited by the police for or found through investigation by school administration to have been using, in possession of, and/or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-alikes off school grounds and not at a school sponsored event at any time of the year is subject to the following consequences:
Suspension from attending and participating in any RHS activity sanctioned by the NSAA for a period that equates to 30% of each activities season that the student is currently participating in. If the activity includes competitions against other schools the student is suspended from 30% of the competitions instead of 30% of the season. This suspension can be reduced to 20% of the season or 20% of competitions if the student self-reports* and upon agreement to participate in a district approved evaluation and treatment program** at the expense of the student, parent, and/or guardian;
During the length of the suspension, the student is not allowed to attend any extracurricular activity as a spectator or participant;
If the student is out of season the consequences carries over to the next extracurricular activity in which the student participates;
If there is not enough season left to complete the suspension, the consequence carries over to the next extracurricular activity in which the student participates.
The student must complete all activities affected to the satisfaction of the sponsor or coach and activities director or the suspension starts over upon the next extracurricular activity in which the student participates;
The student may not join an activity once the suspension is announced in order to fulfill the requirements of the student's suspension.

Any student who is in an activity or activities that are not an NSAA sanctioned activity will be suspended from that activity for a period of 14 days; these 14 days must include at least 2 events or competitions. If there are not two events within the 14 day suspension the student will still be required to fulfill that part of the suspension after the 14 days are over. Events do not include regular meetings. Events that qualify will be determined by the AD in conjunction with the sponsor. Students who are in an NSAA sanctioned activity and other activities will serve both suspensions.

Some activities may have additional consequences that are not listed in this handbook. Students who participate in such activities will be informed of those consequences by the activity sponsor.

Once a student has satisfied the terms of the activity suspension from NSAA sanctioned activities, from non NSAA sanctioned activities or both, the student can resume participation. If a student is not in any activity at the time of the suspension it carries over to the next activity or activities the student participates in. A student cannot join any activity once the suspension is given as a means to satisfy the suspension.

*Self-report requires that the student report the violation within 24 hours to the student's coach/sponsor or to an administrator. If there is no school within 24 hours of the violation but there is a practice or a competition the student must report the violation to the coach/sponsor or to an administrator on duty. If there is no school, practice, or competition within 24 hours of the violation the student must self-report at the next reasonable opportunity. All students are expected to be honest and forthright with school officials. In making a self-report, the student must identify the events that took place, location of the event, what conduct the student participated in and will be required to put this information in a written statement. In the event the student has received a criminal citation, charge, or ticket, and proclaims innocence of a violation, the student will be required to self-report such offense and provide information as to why they should be found innocent, not as it relates to the criminal offense, but as it relates to the Code of Conduct.

**The student must participate in the treatment program if recommended by the evaluation. If the student does not complete any recommended treatment program the consequence reverts to the 30% of the season or competitions length of suspension.

Procedures for Extracurricular Discipline

The following procedures are established for suspensions from participation in extracurricular activities:

1. Investigation. The school official(s) considering the suspension will conduct a reasonable investigation of the facts and circumstances.
2. Meeting. Prior to commencement of the suspension, the school official considering the suspension or their designee will provide the student an opportunity to give the student's side of the story. The meeting for this purpose may be held in person or via a telephone conference or by zoom. The student will be given oral or written notice of what the student is accused of having done, an explanation of the evidence the school has and the opportunity to explain the student's version. Detail is not required where the activity participant has made a self-report or otherwise admits the conduct. Names of informants may be kept confidential where determined to be appropriate. The suspension may be imposed prior to the meeting if the meeting cannot reasonably be held before the suspension is to begin. In that case the meeting will occur as soon as reasonably practical. The student is responsible for cooperating in the scheduling of the meeting.
3. Notice Letter. Within five school days or such additional time as is reasonably necessary following the suspension, the Athletic Director or the Athletic Director's designee will send a written statement to the student and the student's parent/guardian. The statement will describe the student's conduct violation and the discipline imposed.
4. The student and parent or guardian may follow the due process procedures.

In regard to activities that include practices for competitions, the student will be allowed to practice but must meet all attendance requirements expected of every participant. Students may not attend practice during any suspension from school.

SUBSEQUENT OFFENSES

A second offense of the drug and alcohol portion of the student handbook as it related to activities will result in a one year suspension from attending and participating in activities. A third offense and the student is suspended from attending and participating in activities until the end of the student's high school career.

DUE PROCESS

Students who participate in extracurricular activities and have their participation curtailed for violation of the code of conduct, attendance, behavior, breaking the drug and/or alcohol policy, or for any other reason have due process rights. Students who are suspended from extracurricular activities will have the reasons explained to them and their parents/guardian will be contacted with an explanation. Students held out of activities for academic reasons will have their parent/guardian contacted by their coach or sponsor or the AD. Due process for activities will consist of the following process:

1. An appeal is made to the high school Principal. The Principal will inform the student and parent or guardian of the decision within 3 school days of the appeal
2. An appeal is made to the district Superintendent. The Superintendent informs the student and parent or guardian of the decision within 3 school days of the appeal.

All appeals must be in writing and within five days after the notice of consequences to the student and parent or guardian and within 5 days of subsequent decisions by school administrators.

FACILITY USAGE / ATHLETIC LOCKERS

Students may use the physical education/athletic areas after school only if a sponsor is present. Priority for facility usage will be given to organized extracurricular activities and/or classes at Ralston High School. Use of facilities should be arranged in advance through the activities director's office. No student is to be in the physical education areas or using school facilities without supervision.

Students who participate in sports will be checked out a locker and will be provided a lock for a fee of \$5. It is the athlete's responsibility to take care of the lock and locker. All clothing and equipment should be removed by the participant after each season. The Ralston School District is not responsible for lost or stolen articles or articles left in lockers after the season or school year is over. Students may not switch locks or lockers once they have been checked out without permission. Students are not to share lockers. Vandalizing or damaging school property will result in school consequences as well as consequences related to activities.

TEAM SELECTION

Head coaches and sponsors will make decisions regarding which students will be selected to participate in any given activity. The coach or sponsor will also make decisions as to what level each student will participate (freshman, reserve, junior varsity and varsity). If a coach or sponsor determines that a cut will be made, they will announce the process in advance of any tryouts. Any student who is cut from any activity will have the opportunity for an evaluation if requested. The head coach or sponsor will determine the evaluation process. Students not selected for an activity or sport will be given the opportunity to try out for another sport that season if so desired.

PLAYING TIME

The amount of playing time and/or participation in an activity is determined by the coaching staff or sponsor of that activity. Playing time and participation is determined by a number of factors and is up to the discretion of the head coach or sponsor and assistants.

EQUIPMENT AND UNIFORMS

Any equipment supplied by the school district to participants in any extracurricular activities must be returned at the end of season. Students will be issued appropriate fines for any school property not returned. Students can also be fined for the damage or loss of any equipment and/or uniforms put in their charge. All fines must be paid or equipment (including uniforms) returned before a student is allowed to participate in any other activity or, in the case of a senior, before receiving a diploma. Participants are expected to take proper care of any equipment or uniform supplied by the district.

INCLEMENT WEATHER

If school must be canceled or dismissed early because of inclement weather, practices and contests will be postponed as a rule. Occasionally, weather and road conditions clear by early afternoon, if it is determined that athletes can travel safely, a varsity practice or contest may be held with permission from the athletic director in conjunction with the Superintendent or their designee. Certified staff members are directly responsible for all students under their supervision at any school-sponsored activity. When severe weather strikes, staff members will determine what action will be in the best interest concerning safety for their students. At away events when severe weather becomes a concern, coaches/sponsors along with bus drivers will determine the best course of action to be taken. Coaches/sponsors will make every effort to keep students, school officials and parents informed of any changes or deviations from the normal routine if weather dictates that such actions are necessary.

TRANSPORTATION

The District generally will provide transportation to away events. There are occasions where students are allowed to drive. Any student who drives must have a permission slip signed by a parent or guardian on file in the activity director's office prior to the event. Students who ride with other students must also have a permission slip signed by a parent or guardian in the AD's office prior to the event. Parents wishing to pick up students from school-sponsored activities may do so at any time. However, if return transportation is being provided and the student is not returning with the school group, coaches, sponsors, or school officials must be notified. No student will be released to anyone other than their parent or guardian, or an adult designated by the parent/guardian.

INSURANCE

Ralston Public Schools provides no insurance coverage and is not responsible for any such expenses. It is the responsibility of the parents/guardians to provide adequate insurance to cover any medical expenses which may be incurred while a student is participating in a school sponsored activity. This insurance may be under a family coverage plan.

COMMUNICATION PROTOCOL

If a student and or parent has a concern the proper communication protocol will be followed:

1. Student participant meets with coach(es) to try to solve the issue;
2. If the problem still exists, the parent can email or call the coach to make an appointment for a meeting. The coach will inform the AD about the meeting and what the concern is.
3. If the student/parent still has a concern, the parent will then email or call the activities director to set up a meeting.

4. If a resolution to the issue is not obtained after meeting with the AD, the parent will call or email the Principal of the high school to meet.
5. If the situation is still not resolved, the parent can call the Central Office and request a meeting with the Superintendent or their designee.

Anonymous letters or other forms of anonymous communications involving a complaint or other issue sent to any coach or sponsor or any administrator may or may not be dealt with depending on the subject matter of the letter. Ralston Public Schools strongly discourages the use of anonymous letters, or other forms of anonymous communication to express a complaint or other issue. The AD, Principal, Superintendent or their designee will not discuss playing time and will not talk about other players on the team.

SPECTATOR EXPECTATIONS

Ralston parents, families, and fans are expected to display good sportsmanship at home and away events. Encourage our team and your athlete, respect the opponents and their fans, accept the decisions of the officials, and accept the outcome. Fans who behave in a manner inconsistent with good sportsmanship by berating officials, making disparaging comments about anyone, or engage in behavior that may put others at harm may be asked to leave the event and could be banned and barred from Ralston Public School property. All parents/guardians, families, and fans are asked to cooperate with on-site supervisors who may include Ralston administrators, staff, and/or coaches. Law enforcement will be called if deemed necessary by on-site supervisors.

ATHLETIC AWARDS

The following is a list of the different athletic and activity awards presented to the athletes at Ralston High School:

Activities Students of the Year

An award given to two students who participated in several activities over the course of their high school career. Students are nominated and selected for the award by activity sponsors. The student must not have been suspended from the school during the year of selection and must have finished each activity in good standing.

Students are nominated by head coaches and chosen by a vote of head coaches. The criteria for the athlete of the year award include being a junior or senior, displaying superior ability in athletics, and not being suspended from sports or school during the year of selection. Other possible considerations include attendance at school, behavior at school and events, character, support of Ralston High School.

Spirit Athlete Award

Students are nominated and voted on by head coaches. Nominees must be seniors and cannot have had a suspension from school or extracurricular activities during the

year of selection. Other considerations are attendance at school, behavior at school, character, and support of Ralston High School in general.

School Letters

Lettering in any school activity is based on the criteria set up by each individual head coach or sponsor. The only requirement from the AD office is that the student finish the season in good standing (the participant has not been removed from the team or quit).

Ralston Wall of Fame

Athletes recognized in the Ralston Wall of Fame must meet at least one of the following criteria:

- Win an individual or team state championship in state competition sponsored by the Nebraska Schools Activities Association;

- Be selected as activities student of the year.

Awards Night Ceremonies

At the discretion of the coaches/sponsors, an awards ceremony may be organized to recognize students for their achievements following their season. Coaches and parent representatives will pick a night, format, and location for this ceremony. Coaches will present letters, certificates, etc.

The dozen awards, athlete of the year awards, and spirit awards are given at the Senior or Underclass awards ceremonies.

NCAA CLEARINGHOUSE

The National Collegiate Athletic Association (NCAA) has established guidelines that Division I and II member schools must follow before awarding scholarships and granting eligibility to high school students who wish to compete as freshmen on college athletic teams after completion of high school. THE CLASS OF 200 MUST BE AWARE OF NCAA REGULATIONS! Student athletes who wish to participate in NCAA Division I or Division II sports MUST BE CERTIFIED by the NCAA initial-Eligibility Clearinghouse which will analyze your academic information to determine if you meet the NCAA initial eligibility requirements. The three steps for being certified are clearly explained online at www.ncaaclearinghouse.net.

Students who have questions should see a guidance office regarding items such as whether a college is a Division I or II institution in the sport in which they are interested. Students interested in participating in athletics at NCAA Division III colleges, or NAIA colleges should obtain the appropriate athletic guidelines that pertain to these institutions.

CONCUSSION AWARENESS

Pursuant to Nebraska Statute 71-9104 (The Nebraska Concussion Awareness Act) the following information is provided to students, parents, and/or guardians.

Heads Up: Concussion in High School and Middle School Sports A Fact Sheet for Parents

What is a concussion?

A concussion is a brain injury. concussions are caused by a bump, blow, or jolt to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even a “ding” or a bump on the head can be serious.

What are the signs and symptoms of concussion? You can't see a concussion. Signs and symptoms of concussion can show up right after the injury or can take days or weeks to appear. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

Signs Observed by Coaching Staff	Signs Reported by Athlete	Signs Observed by Parent(s)
Appears dazed or stunned	Headache	Appears dazed or stunned
Is confused about assignment	Nausea	Appears confused
Forgets plays	Balance problems or dizziness	Forgets known items
Is unsure of game, score, or opponent	Double or fuzzy vision	Is unsure of name, usual surroundings
Moves clumsily	Sensitive to light or noise	Moves clumsily
Answers questions slowly	feeling sluggish	Answers questions slowly
Loses consciousness	Feeling foggy or groggy	Loses consciousness
Show behavior or personality changes	Concentration of memory problems	Shows behavior or personality changes
Can't recall events prior to hit on the head	Confusion	Can't recall events prior to hit on the head
Can't recall events after the hit on the head		Can't recall events after the hit on the head

What should you do if you think your child has a concussion?

1. Seek medical attention right away. A health care professional will be able to decide how serious the concussion is and when it is safe for your teen to return to sports.
2. Keep your child out of play. Concussions take time to heal. Don't let your child return to play until a health care professional says it's OK. Athletes who return to play too soon -- when the brain is still healing -- risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
3. Tell all of your child's coaches and the school athletic trainer about any recent concussion. Coaches should know if your child had a recent concussion in ANY sport. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell them. Knowing about the concussion will allow the coach to keep your child from activities that could result in another concussion.
4. Remind your child. It's better to miss one game than the whole season.

WHEN IN DOUBT, SIT THEM OUT!

Heads Up: Concussion in High School and Middle School Sports

• A Fact Sheet for Student-Athletes

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head.
- Can change the way your brain normally works.
- Can range from mild to severe.
- Can occur during practices or games in any sport.
- Can happen even if you haven't been knocked out.
- Can be serious even if you're just "dinged" or had your "bell rung"

How can I prevent a concussion?

- It's different for every sport. But there are steps you can take to protect yourself from concussion: Follow your coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.
- Use proper sports equipment, including personal protection equipment. In order for the equipment to protect you, it must: 1. Be appropriate for the game, position, and activity. 2. Be well maintained. 3. Properly fitted. 4. Used every time you play.

How do I know if I've had a concussion?

- You can't see a concussion, but you might notice some of the symptoms right away. Pay attention to how you are feeling after any bump, blow, or jolt to the head.
- If you notice any of the symptoms, tell your parents, coach, and school athletic trainer right away.
- Other symptoms of a concussion can show up days or weeks after the injury.
- It's best to see a healthcare professional if you think you might have a concussion. An undiagnosed concussion can affect your ability to do schoolwork, other everyday activities, as well as your athletic play. An undiagnosed concussion also raises your risk for additional, serious injury.

What are the symptoms of a concussion?

- Nausea (feeling like you might vomit)
- Balance problems or dizziness.
- Double or fuzzy vision
- Sensitivity to light or noise
- Headache
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems (such as forgetting plays)
- Confusion

What should I do if I think I have a concussion?

- Tell your coaches, parents, and school athletic trainer
- Never ignore a bump, blow, or jolt to the head
- Get a medical check-up. A health care professional can tell you if you have had a concussion and when you are OK to return to play.
- Give yourself time to recover. If you have had a concussion, your brain needs time to heal. While your brain is still healing, you are much more likely to have a second concussion. Second or later concussions can cause permanent brain damage, and even death in rare cases. Severe brain damage can change your whole life.
- Tell your coaches and the school athletic trainer if one of your teammates might have a concussion.

As a reminder, always report any injury to your coach and school athletic trainer right away. It's better to miss one game than the whole season. Take care of yourself and enjoy your participation in athletics. When in doubt, sit them out!

MISCELLANEOUS RIGHTS AND RESPONSIBILITIES

All students participating in athletics are required to have accident insurance (either a family policy or the school's plan) or sign a responsibility waiver. Football insurance is available at a higher cost. The Ralston School District is not liable for injuries to students, nor can they pay the medical costs for accidents that occur in athletic contests, on school premises, at school activities, or on the way to and from school.

No fees, materials, specialized or non-specialized attire or equipment shall be required of students except as expressly permitted below.

B. Minor personal consumable items: The district may require students to be responsible for the purchase of minor consumable items that are used by the student for extracurricular activities. The District will establish a master list of those items, which are considered minor personal consumable items, which may be required. Each school building shall choose those items on the list, which it will require of students attending the school. No item, which is not on the District's master list, will be required. Each school shall annually submit its list of required personal consumable items to the district for approval and publication in that school's handbook.

C. School Store: The District authorizes the operation of school stores in which students may purchase food, beverages and personal or consumable items. A school store need not have a permanent physical presence and may provide order forms for students to voluntarily purchase items from the school or another vendor. School stores may stock required personal and

consumable items and make such items available to students for voluntary purchase. Schools may not require students to purchase an item directly from the school store.

For those students qualifying under part 3 the District shall not be required to provide for the use of a particular type of musical instrument for any student. The District shall supply the music for such courses.

1. Personal supplies related to musical instruments including, but not limited to, items such as reeds, cork lubricant, pipe cleaners, cleaning cloths and other supplies of general upkeep and considered personal consumable items shall be the responsibility of the student.

P. Materials required for course projects: The district will provide students with the materials necessary to complete all basic curricular projects. In courses where students choose to produce a project that requires materials beyond the basic materials provided by the district, the students will furnish the materials, purchase materials from the school, or purchase the materials from an outside vendor with an order form provided by the school.

PART TWO:

Student Fee Fund

Fees that are charged to students pursuant to PART ONE, subsections A.1, A.2, L, M, and N shall be deposited into the Student Fee Fund and expended for the purpose for which they were collected from students.

PART THREE:

All students shall be provided forms at the beginning of each school year, upon enrollment in the District, or at the request of the student, which provide the necessary information and permit the District to use this information to determine eligibility for fee waiver. Criteria for fee waiver will be the same as the criteria for participation in the free and reduced-lunch program. Application forms for fee waivers are available from each building Principal. AHERA NOTIFICATION

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retarding capabilities. Virtually any building constructed before the late 1970s contained some asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers. If the fibers are inhaled, they can lead to health problems, such as cancer and asbestosis.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires

schools to be inspected to identify any asbestos containing building materials. Suspected asbestos-containing building materials were located, sampled (or assumed) and rated according to condition and potential hazard. Every three years, Ralston Public Schools has conducted a re inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last re-inspection conducted on January 22, 2013 all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. Ralston Public Schools developed a plan, as required, which has been continually updated. The plan has several ongoing requirements: publish a notification on management plan availability and the status of asbestos activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

The following buildings contain no asbestos-containing building materials; therefore, no operations and maintenance programs or future inspections are required: Ralston Middle School. During the past year, asbestos containing building materials have been removed, encapsulated, or enclosed in the following buildings: Mockingbird kitchen storage. During the next year, we plan to conduct the following asbestos related activities at the following school building's removal of kitchen storage room floor tile at Mockingbird Elementary.

It is the intention of the Ralston Public School District to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan in the school district administrative office or administrative office of the school during regular business hours. Pat Flinn is our designed asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to 402-898-3460.

HOMELESS CHILDREN AND YOUTH

Homeless students generally include children who lack a fixed, regular, and adequate nighttime residence, as further defined by applicable state and federal law.

It is the school's policy not to stigmatize or segregate homeless students on the basis of their status of being homeless. Transportation for homeless students who enroll in the district shall be furnished by the district under the same guidelines applying to other students or if such transportation is necessary for compliance with federal law.

Each homeless child shall be provided services for which the child is eligible comparable to services provided to other students in the school selected regardless of residency. Homeless children shall be provided access to education and other services that such children need to ensure that they have an opportunity to meet the same student performance standards to which all students are held.

If a homeless child registered to attend school in the district is receiving family reconciliation services pursuant to state law, the district will work in cooperation with any county or

department of social services in the district to jointly develop an educational program for the child. The district's homeless coordinator is Dianne Young who may be contacted at 402-898-3441.

PROTECTION OF STUDENT RIGHTS

Ralston Public Schools respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy in consultation with parents to comply with the Protection of Pupil Rights Amendment (PPRA) and Federal Legislation Act. The policy is available on the district's website or upon request from the district's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the superintendent. The approximate dates during the school year when a survey requesting personal information as defined in the Protection of Pupil Rights policy is scheduled are as follows: First Semester. Parents may have access to any survey or other material described in the Protection of Pupil Rights policy by submitting a written request to the superintendent.

Under the Every Student Succeeds Act, federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information about which you have the right to know:

FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when they reach the age of 18 or attend a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth their view about the contested information.
- FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Title IX Policy

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. Title IX Coordinator

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator.**" The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator

receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. **Definitions.** As used in this policy, the following terms are defined as follows:

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

Sex Offenses, Forcible—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.7. The victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.7.1.1.1. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.7.1.1.2. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.7.1.1.3. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.7.1.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

2.7.1.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

2.7.1.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

2.7.2. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—

2.7.2.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

2.7.2.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:

2.7.2.2.1. The length of the relationship.

2.7.2.2.2. The type of relationship.

2.7.2.2.3. The frequency of interaction between the persons involved in the relationship.

2.7.3. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

2.7.4. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

2.7.4.1. fear for **their** safety or the safety of others; or

2.7.4.2. suffer substantial emotional distress.

2.8. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. **Discrimination Not Involving Sexual Harassment.**

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. **Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

- 3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;
- 3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
- 3.2.3. Deny any person any such aid, benefit, or service;
- 3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;
- 3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;
- 3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- 3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. **Complaint Procedure.** All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district’s general complaint procedure, Board Policy 2006.

4. **Response to Sexual Harassment**

4.1. **Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District’s Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. **General Response to Sexual Harassment.** When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the

grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. Emergency Removal. Nothing in this policy precludes the district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. Administrative Leave. Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. General Response Not Conditioned on Formal Complaint. With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. Grievance Process for Formal Complaints of Sexual Harassment.

5.1. General Requirements.

5.1.1. Equitable Treatment. The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

5.1.2. Objective Evaluation. This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.

5.1.3. Absence of Conflicts of Interest or Bias. The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an

informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

- 5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.
 - 5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.
 - 5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:
 - 5.1.4.2.1. The definition of sexual harassment in subsection 2.6;
 - 5.1.4.2.2. The scope of the district's education program or activity;
 - 5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and
 - 5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
 - 5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.
 - 5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.
- 5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- 5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or

extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

- 5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.
- 5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.
- 5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. Notice of Allegations.

- 5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:
 - 5.2.1.1. A copy of this policy.
 - 5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.
- 5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. Dismissal of Formal Complaint.

- 5.3.1. The district will investigate the allegations in a formal complaint.
- 5.3.2. **Mandatory Dismissals.** The district **must** dismiss a format complaint if the conduct alleged in the formal complaint:
 - 5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;
 - 5.3.2.2. Did not occur in the district's education program or activity; or
 - 5.3.2.3. Did not occur against a person in the United States.
- 5.3.3. **Discretionary Dismissals.** The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:
 - 5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
 - 5.3.3.2. The respondent is no longer enrolled in or employed by the district; or
 - 5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.
- 5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.
- 5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. **Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

- 5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

- 5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);
- 5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- 5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- 5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
- 5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- 5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and
- 5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Exchange of Written Questions. After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.7. Determination Regarding Responsibility

- 5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).
- 5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:
 - 5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;
 - 5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - 5.7.2.3. Findings of fact supporting the determination;
 - 5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;
 - 5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
 - 5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.
- 5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an

appeal is not filed, the date on which an appeal would no longer be considered timely.

- 5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.8. **Appeals.** The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

- 5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.

- 5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:

- 5.8.2.1. Procedural irregularity that affected the outcome of the matter;

- 5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

- 5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

- 5.8.3. As to all appeals, the district will:

- 5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;

- 5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

- 5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.

- 5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;

5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and

5.8.3.6. Provide the written decision simultaneously to both parties.

5.9. Informal Resolution. The district will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the district will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

5.9.1. Provides to the parties a written notice disclosing:

5.9.1.1. The allegations;

5.9.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;

5.9.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and

5.9.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;

5.9.2. Obtains the parties' voluntary, written consent to the informal resolution process; and

5.9.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

5.10. Recordkeeping.

5.10.1. The district will maintain for a period of seven years records of:

5.10.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;

5.10.1.2. Any appeal and the result therefrom;

5.10.1.3. Any informal resolution and the result therefrom; and

5.10.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal

resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website then the district will make these materials available upon request for inspection by members of the public.

- 5.10.2. For each response required under section 4, the district will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

6. **Superintendent Authorized to Contract.** The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

7. **Access to Classes and Schools.**

7.1. **General Standard.** Except as provided in this section or otherwise in 34 C.F.R. part 106, the district will not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

7.1.1. **Contact sports in physical education classes.** This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

7.1.2. **Ability grouping in physical education classes.** This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

7.1.3. **Human sexuality classes.** Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

7.1.4. **Choruses.** The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. **Classes and Extracurricular Activities.** The district may provide non-vocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

8.2. **Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

9. **Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

9.1. **Specific Circumstances.**

9.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.

9.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

10. **Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

11. **Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations

holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

12. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

13. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Students returning to the district the next school year, will retain their Chromebook and all issued peripherals over the summer unless parents elect to return their student's device for the summer.

2. Transferring/Withdrawing Students

Students who transfer out of or withdraw from the Ralston Public Schools must turn in their Chromebook and related peripherals to the media center/technology office on or before their last day of attendance. Failure to turn in the Chromebook will result in the student being charged the full replacement cost. Unpaid fines and fees of students leaving the Ralston Public Schools must be paid prior to disenrollment from the district. The district may also file a report of stolen property with the Police Department.

RPS Chromebook Coverage Program

Ralston Public Schools offers the opportunity to participate in the optional RPS Chromebook Coverage Program designed to protect students and families from full financial responsibility for device repairs and/or replacement. The cost is \$30.00/\$15.00* (*reduced for students who qualify for Free/Reduced Lunch Program) **annually** for each Chromebook and it covers the summer months if parents/students elect to keep the Chromebook over the summer.

Payment must be submitted by September 1st in order to participate in this program. After this date, a student's device will not be eligible for the RPS Chromebook Coverage Program. Students enrolling at RPS throughout the school year will have three weeks to submit payment in order to participate in the RPS Chromebook Coverage Program. If a student withdraws from Ralston Public Schools and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated. **Premiums are non-refundable.**

The program covers devices assigned to the student against accidental damage and/or loss. Damaged, lost, or stolen devices should be reported immediately according to the process described during orientation. Ralston Public Schools will require that a police report be submitted in cases of theft.

Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school code of conduct.

Total value of repairs or device replacement will be determined by RPS. The program will pay the amount of damage or replacement per the schedule of repairs listed below. Damage as a result of gross negligence or purposeful damage will not be covered under the RPS Chromebook Coverage Program. Parents/Guardians are responsible for 100% of damages due to gross negligence. The district reserves the right to discontinue participation for students with unusually high numbers of claims. Such discontinuation will be effective 30 days after notification to the student and parent/guardian.

Training

Students will receive training to address care and usage of the Chromebook as well as usage of their Google (@ralstonschools.org) account. Digital Citizenship training will also be provided to address respectful, responsible, and ethical use of the internet and digital tools.

Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook which they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the school media center/technology office. Using Your Chromebook

Students are expected to bring a fully charged Chromebook to school every day and bring their Chromebook to all classes unless specifically advised not to do so by their teacher.

If a Student Does not Bring His/Her Chromebook to School

- Loaner devices may be available for students failing to bring their device to school.
- A student borrowing a Chromebook will be responsible for any damage to or loss of the issued device.
- School personnel will document the number of times a loaner is issued to each student for not having his/her own Chromebook at school and will send reports to administration for students who have excessive occurrences during the school year.
- Staff will treat such occurrences as insubordination offenses, which may result in disciplinary action.
- If a loaner is not turned in at the end of the day, an administrator will be contacted and will work on retrieving the loaner.

Charging Chromebooks

- Chromebooks must be brought to school each day with a full charge.
- Students should charge their Chromebooks at home every evening.

Operating System and Security

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the District.

No Expectation of Privacy

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for district-related or personal purposes, other than as specifically provided by law. The District may, without prior notice or consent, log, supervise, access, deny access to, view, monitor, and record use of the Chromebook at any time for any reason related to the operation of the District. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

Monitoring Software

Teachers, school administrators, and the Technology Department staff may use monitoring software that allows them to view the screens and activity on the Chromebooks.

Updates

The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebook.

Virus Protection

Chromebook uses the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot. There is no need for additional virus protection.

Content Filter

The District utilizes an Internet Content Filter that is in compliance with the federally-mandated Children’s Internet Protection Act (CIPA). All Chromebooks are filtered for inappropriate content and pass through the District’s filtering appliance when connected to the Internet regardless of the physical location (e.g., school, home, public WiFi). If a website is blocked in school, then it will be blocked out of school. If an educationally valuable site is blocked, students should contact school personnel, who in turn, will submit a helpdesk ticket to request the site be unblocked. Ralston Public Schools makes every effort to filter web content through its comprehensive web filter; however, it is essential students and parents understand that students will be held accountable for using technology according to District policies.

Inspection

Students may be asked to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school.

Software on Chromebooks

Originally-Installed Software

Chromebook software is delivered via the Chrome Web Store and/or Google Play. Some applications, such as Google Drive, are available for offline use. The software originally installed on the Chromebook must remain on the Chromebook in usable condition and be easily accessible at all times.

Expectations of Privacy

The computer system, including email and Internet, is the property of the Ralston Public School District. RPS relies on a combination of self-hosted, externally hosted, and cloud-based services. These services are primarily intended for educational and business use and are subject to monitoring at any time. Although RPS does not routinely check communications or files, it has the right to review, audit, and disclose all matters sent over or stored on the system. As a result, members of the RPS community should recognize that there is no reasonable expectation of privacy when using the computer system.

Respecting and Protecting Intellectual Properties

The increasing use of technology and multimedia at RPS presents a wonderful opportunity for students and teachers to share what they do with others at RPS. The presentations, photos, video and audio of classes, field trips and school events are often shared electronically through web-based resources. Sometimes, students and parents buy or receive copies of school events on media, such as CDs or DVDs. The instinct to share achievements is understandable, but these files are for private use only. Any sharing of these materials within the RPS Google domain is prohibited.
