1. Ralston Public Schools basic instructional programs will comply with Nebraska Department of Education Rule 10, Regulations and Procedures for the Accreditation of Schools K-12; and Nebraska Department of Education Rule 11, Regulations and Procedures for Preschools exclusive of lunchtime.
2. The district may establish special programs for individual students that may deviate from these requirements when, in the opinion of the superintendent or his/her designee, the programs will further the student's educational needs. All special programs must be arranged and approved by the administration with authorization from the student's parents or guardian.
3. The board, acting with the advice of the administration and certificated staff, will adopt a curriculum and procure textbooks and materials to support that curriculum. The administration and certificated staff will design instructional strategies and assessments to implement the curriculum.
4. To the extent possible, practice for, travel to, and participation in activities sponsored by the Nebraska School Activities Association and the Nebraska Department of Education will be scheduled outside of instructional time. Individual student absences because of illness or family-centered activities will be governed by district attendance policies.
